But when Belle touches the Beast's enchanted rose, intriguing images flood her mind—images of the mother she believed she would never see again. Stranger still, she sees that her mother is none other than the beautiful Enchantress who cursed the Beast, his castle, and all its inhabitants. Shocked and confused, Belle and the Beast must work together to unravel a dark mystery about their families. -- Back cover.

Adventure Is Out There! Liz Braswell,2026-04-07 Adventure is out there in Disney's New York Times best-selling A Twisted Tale series that asks, "What if it was Ellie who went UP to Paradise Falls?" 16-year-old Ellie Mullins is fed up. Sure, for some, life in small town Americana is idyllic. Nothing but picket fences and USO dances and holiday parades. But Ellie has long dreamed of towering mountains and tangled jungles and most of all...traveling to the incredible South American landmark, Paradise Falls. Ellie thought these dreams made her strange, until she met her sweet best friend Carl (when he promptly broke his leg in her clubhouse). Carl is Ellie's closest confidante. He's also the only able to talk her off the ledge. But things between them seem weird lately as Ellie grows increasingly frustrated with his quiet way of doing things. And is it just her, or are there new feelings bubbling up between them? Then Ellie begins her dream internship at the local zoo, where the flashy millionaire owner organizes an expedition to the Paradise Falls to collect new specimens. But the star newcomer, a bird given to him by Charles Munz himself, doesn't adjust well to his new home and Ellie is put in charge of its hopeless-seeming recovery. Carl advises Ellie to laylow, to not make waves. But that's not something Ellie has ever been good at. And when an opportunity comes for a last minute, emergency rescue mission, she decides to take it. Will Ellie's impulsiveness finally get the better of her? Or will she get the adventure she always wanted . . . and at what cost?

Straight On Till Morning Liz Braswell,2020-02-04 What if Wendy first traveled to Neverland...with Captain Hook? Sixteen-year-old Wendy Darling's life is not what she imagined it would be. The doldrums of an empty house after her brothers have gone to school, the dull parties where everyone thinks she talks too much, and the fact that her parents have decided to send her away to Ireland as a governess—it all makes her wish things could be different. Wendy's only real escape

is in writing down tales of Never Land. After nearly meeting her hero, Peter Pan, four years earlier, she still holds on to the childhood hope that his magical home truly exists. She also holds on to his shadow. So when an opportunity to travel to Never Land via pirate ship presents itself, Wendy makes a deal with the devil. But Never Land isn't quite the place she imagined it would be. Unexpected dangers and strange foes pop up at every turn, and a little pixie named Tinker Bell seems less than willing to help. But when Captain Hook reveals some rather permanent and evil plans for Never Land, it's up to the two of them to save Peter Pan—and his world.
