Augustine of Hippo Peter Brown,1969 This classic biography was first published thirty years ago and has since established itself as the standard account of Saint Augustine's life and teaching.

**The Confessions** Augustine of Hippo,2010-12-30 Boulding's fresh new translation of this classic captures the essence of Augustine's struggle to integrate faith and understanding as his heart seeks to rest in God. Augustine's Confessions has been much translated: but it is no exaggeration to say that Sister Maria Boulding's version is of a different level of excellence from practically anything else on the market.

The Confessions of St. Augustine Saint Augustine (of Hippo),1963 One of the most influential religious books in the Christian tradition recalls crucial events in the author's life: his mid-4th-century origins in rural Algeria; the rise to a lavish lifestyle at the imperial court in Milan; his struggle with sexual desires; eventual renunciation of secular ambitions and marriage; and recovery of his Catholic faith.

Saint Augustine of Hippo Miles Hollingworth,2013-05-27 St. Augustine was undoubtedly one of the great thinkers of the early church. Yet it has long been assumed--and not without reason--that the main lines of Augustine's thought have been more or less fixed since his death. That insofar as we should be aware of him in the twenty-first century, he is a figure described-if not circumscribed--by his times. A major revisionist treatment of Augustine's life and thought, Saint Augustine of Hippo overturns this assumption. In a stimulating and provocative reinterpretation of Augustine's ideas and their position in the Western intellectual tradition, Miles Hollingworth, though well versed in the latest scholarship, draws his inspiration largely from the actual narrative of Augustine's life. By this means he reintroduces a cardinal but long-neglected fact to the center of Augustinian studies: that there is a direct line from Augustine's own early experiences of life to his later commentaries on humanity. Augustine's new Christianity did not--in blunt assaults of dogma and doctrine--obliterate what had gone before. Instead, it actually caught a subtle and reflective mind at the point when it was despairing of finding the truth. Christianity vindicated a disquiet that Augustine had been feeling all along: he felt that it alone had spoken to his serious rage about man, abandoned to the world and dislocated from all real understanding by haunting glimpses of the Divine. A major new treatment of Augustine on all fronts, this superb intellectual biography shines a bright light on a genuinely neglected element in his writings. In so doing it introduces us to Augustine as he emerges from the unique

circumstances of his early life, struggling with ironies and inconsistencies that we might just find in our own lives as well.

Augustine of Hippo, Selected Writings Saint Augustine (of Hippo), 1984 Gathers selections from St. Augustine's autobiographical Confessions, sermons on Christian life and the Psalms, and his discussion of the secular and Christian views of happiness.

St Augustine of Hippo Gerald Bonner, 1963 This study provides an outline of St. Augustine's career and discusses three major fields of his controversial writings: against the Manichees, who denied the essential goodness of the material creation; the Donatists, who conceived of the Church only as an assembly of saints, and denied that God would operate through a sinful minister; and against the British theologian Pelagius and his supporters, whose concern for personal holiness and individual responsibility for conduct led them to deny the Fall and to maintain a theology of divine grace which saw infant baptism as desirable but not essential for salvation. Augustine's attacks on Pelagianism initiated a debate which lasted for many centuries, and still remains controversial to this day; but whatever view is taken with regard to his doctrine, his influence has been profound, and no serious Christian theologian can afford to ignore the issues which he raised. Confessions Saint Augustine (of Hippo), Augustine, 2003 Written in 397 A.D., St. Augustine's classic, Confessions, reveals the innermost thoughts and struggles of a soul converting from selfishness and pleasure-seeking to a life of love for God. Augustine of Hippo (345-430 A.D.) was born in North Africa to a devoutly Christian mother and pagan father. Of Latin stock, Augustine was given Christian instruction but waited until later in life to be baptized. Augustine took a mistress who bore him a son before he was eighteen. Augustine's sexual appetite drove him to seek pleasure where he could find it, but it also plagued his conscience. His hunger for religious things led him through many of the belief systems of the day, including Manichaeism and Neoplatonism. Augustine finally turned to God in 386 A.D. when he heard a child say, take, read a copy of Paul's letter to the Romans. Upon his conversion to Christianity, Augustine became a prodigious writer, with his writings standing second only to the apostle Paul in their impact on the church. He died as Bishop of Hippo in North Africa. Confessions is the autobiography of Augustine of Hippo, a moving and profound record of a human soul and its struggles. The

most widely read of all his works, it not only tells the story of Augustine's struggle in the faith, but also his love for the Master. Confessions speaks to the heart of humanity about human weakness, human frailty, human depravity, and the human need for a holy God. This classic is an exercise in self-knowledge and true humility in the atmosphere of grace and reconciliation. Book jacket.

*The Confessions of St. Augustine* St. Augustine, 2025-10-14 For Thou hast made us for Thyself and our hearts are restless till they rest in Thee. As the son of a pagan father and a Christian mother, Saint Augustine spent his childhood torn between the two conflicting faiths and their opposing world views. When he was in his early forties, he wrote His Confessions, a remarkably honest and revealing spiritual autobiography. In it, he provides an unbroken record of his development of thought and recounts how slowly and painfully, he turned away from his youthful ideas and sinful, immoral lifestyle to instead become a staunch advocate of Christianity and one of its most influential thinkers. It is the most complete record of any single person from the 4th and 5th centuries and widely seen as the first Western autobiography ever written. Written as prayers to God confessing his faith despite past mistakes, and recognizing the ways that God has transformed his heart, these spiritual meditations and insight make The Confessions of St. Augustine a significant theological work which will always rank among the great masterpieces of western literature.

**The Confessions of St. Augustine** Saint Augustine, Bishop of Hippo, E. B. Pusey, Edward Bouverie, 2014-08-23 The Confessions of Saint Augustine By Saint Augustine Bishop of Hippo Translated by E. B. Pusey (Edward Bouverie) Confessions (Latin: Confessiones) is the name of an autobiographical work, consisting of 13 books, by St. Augustine of Hippo, written in Latin between AD 397 and AD 398. Modern English translations of it are sometimes published under the title The Confessions of St. Augustine in order to distinguish the book from other books with similar titles. Its original title was Confessions in Thirteen Books, and it was composed to be read out loud with each book being a complete unit. The work outlines Augustine's sinful youth and his conversion to Christianity. It is widely seen as the first Western autobiography ever written, and was an influential model for Christian writers throughout the following 1,000 years of the Middle Ages. It is not a complete autobiography, as it was written in his early 40s, and he lived long afterwards, producing another important work (City of God). It does, nonetheless, provide an unbroken record of his development of thought and is the most complete record of any single person from the 4th and 5th centuries. It is a significant theological work, featuring spiritual meditations and insights. In the work St. Augustine writes about how much he regrets having led a sinful and immoral life. He discusses his regrets for following the Manichaean religion and believing in astrology. He writes about Nebridius's role in helping to persuade him that astrology was not only incorrect but evil, and St. Ambrose's role in his conversion to Christianity. The first nine books are autobiographical and the last four are commentary. He shows intense sorrow for his sexual sins, and writes on the importance of sexual morality. The books were written as prayers to God, thus the title, based on the Psalms of David;

and it begins with For Thou hast made us for Thyself and our hearts are restless till they rest in Thee. The work is thought to be divisible into books which symbolize various aspects of the Trinity and trinitarian belief.
