The Book of Daniel Samuel Rolles Driver,1900

Discipleship Training I: Living in Lordship Thomas A. Countryman,2025-10-01 Humans were designed to live in Lordship, in unity under Christ. Every day, in every situation, we are called to animate life ever more creatively by serving, glorifying and enjoying God in imitation of Jesus. This is the purpose of people and who we are to our Creator. The opportunity to overcome all obstacles using the Holy Spirit's power and the mind of Christ is the Scriptural promise and potential of discipleship. Living in Lordship uses solid, "fact-based theology" -- confirmed by a myriad of cited and verified authorities -- to meld these ideals into a cohesive "wholiness" aimed squarely at the scarcity mindset. It invites all those seeking more from life into a consistent experience of real and practical blessing, purposefulness and potency. It passionately presents a timely antidote for anxiety, insecurity and pessimism. Answering the First Question of Discipleship (The Question of Purpose: "Who am I to God?"), this initial Module of the Discipleship Training Field Manual lays a foundation from which personal and spiritual growth, self-realization and abundant life are not only possible, but inevitable! Today's world needs a new song to sing. To that end, Living in Lordship asserts rediscovering true Christian discipleship is not just a thing; it is THE thing, in Church and in life. It should be the backbone and ultimate goal of every church and ministry. Living in Lordship means nothing less than fully re-presenting Christ to a hurting and broken world! As Jesus Himself invited, "Come, and you will see."

Mad Blood Stirring Daemon Fairless,2018-03-06 With a rare clarity and fearless honesty, journalist Daemon Fairless tackles the horrors and compulsions of male violence from the perspective of someone who struggles with violent impulses himself, creating a non-fiction masterpiece with the narrative power of novels such as Fight Club and A History of Violence. A man, no matter how civilized, is still an animal--and sometimes a dangerous one. Men are responsible for the lion's share of assault, rape, murder and warfare. Conventional wisdom chalks this up to socialization, that men are taught to be violent. And they are. But there's more to it. Violence is a dangerous desire--a set of powerful and inherent emotions we are loath to own up to. And so there remains a hidden geography to male violence--an inner ecosystem of rage, dominance, blood-lust, insecurity and bravado--yet to be mapped. Mad Blood Stirring is journalist Daemon Fairless's riveting first-person travelogue

through this territory as he seeks to understand the inner lives of violent men and, ultimately, himself.
