Eve was Framed Helena Kennedy, 1993 *Eve Was Framed* offers an impassioned, personal critique of the British legal system. Helena Kennedy focuses on the treatment of women in our courts - at the prejudices of judges, the misconceptions of jurors, the labyrinths of court procedures and the influence of the media. But the inequities she uncovers could apply equally to any disadvantaged group - to those whose cases are subtly affected by race, class poverty or politics, or who are burdened, even before they appear in court, by misleading stereotypes.

*Eve Was Shamed* Helena Kennedy, 2018-10-11 What comes after #MeToo? One of our most eminent lawyers and defenders of human rights answers with this urgent, authoritative and deeply shocking look at British justice In *Eve Was Shamed* Helena Kennedy forensically examines the pressing new evidence that women are still being discriminated against throughout the legal system, from the High Court (where only 21% of judges are women) to female prisons (where 84% of inmates are held for non-violent offences despite the refrain that prison should only be used for violent or serious crime). In between are the so-called 'lifestyle' choices of the Rotherham girls; the failings of the current rules on excluding victims' sexual history from rape trials; battered wives being asked why they don't 'just leave' their partners; the way statistics hide the double discrimination experienced by BAME and disabled women; the failure to prosecute cases of female genital mutilation... the list goes on. The law holds up a mirror to society and it is failing women. The #MeToo campaign has been in part a reaction to those failures. So what comes next? How do we codify what we've learned? In this richly detailed and shocking book, one of our most eminent human rights thinkers and practitioners shows with force and fury that change for women must start at the heart of what makes society just.

**Paradise Lost in Short** Kay Gilliland Stevenson,Margaret Seares,1998 Paradise Lost in Short presents the history of early adaptations of Milton's Paradise Lost for the musical stage. Students of Milton and of eighteenth-century music, as well as anyone interested in how generic expectations and social conditions contribute to the shaping of artistic works, will find this volume useful. Paradise Lost: An Oratorio was first performed at Covent Garden the year after Handel's death and revived in two later seasons. The libretto by Benjamin Stillingfleet and the music by John Christopher Smith the younger, friend and former pupil of Handel, provide a reinterpretation of Milton's major poem.

*Encountering Eve's Afterlives* Holly Morse, 2020-02-06 *Encountering Eve's Afterlives: A New Reception Critical Approach to Genesis 2-4* aims to destabilize the persistently pessimistic framing of Eve as a highly negative symbol of femininity within Western culture by engaging with marginal, and even heretical, interpretations that focus on more positive aspects of her character. In doing so, this book questions the myth that orthodox, popular readings represent the 'true' meaning of the first woman's story, and explores the possibility that previously ignored or muted rewritings of Eve are in fact equally 'valid' interpretations of the biblical text. By staging encounters between the biblical Eve and re-writings of her story, particularly those that help to challenge the interpretative status quo, this book re-frames the first woman using three key themes from her story: sin, knowledge, and life. Thus, it considers how and why the image of Eve as a dangerous temptress has gained considerably more cultural currency than the equally viable pictures of her as a subversive wise woman or as a mourning mother. The book offers a re-evaluation of the meanings and the myths of Eve, deconstructing the dominance of her cultural incarnation as a predominantly flawed female, and reconstructing a more nuanced presentation of the first woman's role in the Bible and beyond.
