Muhammad Ali

An Islamic View of Gog and Magog in the Modern World: Gog and Magog in the Modern World Imran

Hosein,2021 I began my study of Gog and Magog more than fifteen years ago in the early 90's while resident in New York. My subsequent public lecture on the subject never failed to provoke keen interest from my Muslim audiences in several parts of the world. The evidence and arguments presented in the chapter on Gog and Magog in my book 'Jerusalem in the Qur'an', succeeded in convincing many who read the book that we now live in a world dominated by Gog and Magog. There were easily convinced that the 'town' mentioned in the Qur'an in Surah Al-Anbiyah (21:95-96) was Jerusalem and hence, that Gog and Magog (and Dajjal) explained the ominously unfolding was on Islam with slaughter and destruction of Muslims in so many parts of the world. As a consequence, such readers also understood Israel's mysterious imperial agenda, and many have been making efforts to extricate themselves and their families from the embrace of Gog and Magog - an embrace that will take 999 out of every 1000 of mankind into the hellfire. Despite my best efforts, however, I failed miserably, again and again, to convince my learned peers, the scholars of Islam. I earnestly hope and pray that this book might make a difference InshaAllah.

Gog Magog Zubair Ahmad,2019-07-12 GOG MAGOG: This is the English version of my urdu book Yajuj Majuj (Fitna). I have written three books in Urdu (1) Yajuj Majuj (Fitna) (2) Yajuj Majuj (Yalghaar) (3) Qayamat (Mazhab Or Science). In Judaism, Christianity and Islam, there is a mention of a mysterious race of human beings called Gog and Magog (Yajuj and Majuj in Arabic). Several predictions have been made about which group of people this can be, however till date our understanding is far from being complete. I was told about the stories of Gog and Magog during my childhood by my mother and some other people. Since then, I have always been curious about their existence, their powers and why they have been specifically called out in.Gog and Magog are two nomadic and fierce nations or tribes who will attack on civilized nations near Qayyamat. From centuries Jews, Christians and Muslims are expecting Gog and Magog's (Yajuj Majuj) attack on civilized nations near the Qayamat (Doomsday). They are strange, mysterious and fierce nations who will attack on civilized nations before Qayamat (Doomsday). Their appearance and their location is mentioned in Torait (Torah), Bible and Holy Quran. I have described their location and appearance with the help of maps and pictures. For this topic help have been taken from Bible, Holy Quran and Ahadees e Nabvi (sayings of Holy prophet) and some other books and articles. In this book

I have explained who are Gog Magog and what their location is. Who is Dhul Qarnayn? There is a mix opinion about Dhul Qarnayn, Some Muslim scholars thought that Dhul-Qarnayn may be Cyrus the Great instead of Alexander the Great. Some Muslim and other commentators have identified Dhul Qarnayn with Alexander the Great and some think that he was some other person. There are four persons in history who were thought to be Dhul Qarnayn. Alexander the great and Cyrus the great both have travelled in the direction of the east and the west to conquer different countries. They both have reached far east at that time and nearly the same stories and incidents are narrated about both of them that's why scholars are confused about them. Cyrus was the first person to conquer the vast land in the past and it appears that Alexander was impressed by Cyrus the great and he copied him. Alexander, which no doubt these same accounts existed in his time, himself consciously mimicked Dhul Qarnayn, likewise traveling from the east to the west on a famous Journey, but he never reached the west coast of Africa and didn't go past India to the east. Cyrus was also mentioned in old Testament: This is what the Lord says to his anointed, to Cyrus, whose right hand I take hold of to subdue nations before him and to strip kings of their armor. (Isaiah, 45:1) Location of The Wall: That wall was built between Derbent and Daryal, two cities of Dagistan in the Caucasus, the land that lies between the Black Sea and the Caspian. There are high mountains between the Black Sea and Daryal having deep gorges which cannot allow large armies to pass through them. Between Derbent and Dar'yal, however, there are no such mountains and the passes also are wide and passable. In ancient times savage hordes from the north invaded and ravaged southern lands through these passes and the Persian rulers who were scared of them had to build a strong wall, 50 miles long, 29 feet high and 10 feet wide, for fortification purposes, ruins of which can still be seen. Who are Gog and Magog? Muslim geographers identified them at first with Turkic tribes from Central Asia and later with the Mongols. Historically speaking, Magog was a grandson of Noah (Genesis 10:2). The descendants of Magog settled to the far north of Israel, likely in Europe and northern Asia (Ezekiel 38:2). Magog seems to be used to refer to northern barbarians in general, but likely also has a connection to Magog the person. The people of Magog are described as skilled warriors (Ezekiel 38:15; 39:3-9). Gog is described as

An Islamic View of Gog and Magog in the Modern Age I.H. Shaykh,

Une Vue Islamique de Gog et Magog Dans le Monde Moderne Imran HOSEIN, 2020-12-29 J'ai commencé mon étude des Gog et Magog il y a plus d'une quinzaine d'années, au début des années 90, lorsque je résidais à New York. Mes conférences publiques sur le sujet ne manquaient jamais de susciter un vif intérêt chez mes auditeurs Musulmans, et ceci dans plusieurs parties du monde. La preuve et les arguments présentés dans le chapitre sur les Gog et Magog dans mon livre « Jérusalem dans le Coran », ont réussi à convaincre beaucoup de ses lecteurs que nous vivions en ce moment dans un monde dominé par les Gog et Magog. Ils ont été aisément convaincus du fait que la « Cité » mentionnée dans le Coran dans la Sourate Al Anbiyah (21:95-96) était Jérusalem, et donc, que les Gog et Magog (ainsi que le Dajjal) expliquent bel et bien le

déroulement de la « guerre contre l'Islam », avec ses massacres et ses destructions de musulmans dans tellement d'endroits de part le monde. Par conséquent, les lecteurs ont également compris le mystérieux projet impérial d'Israël, et beaucoup d'entre eux ont dépensé leurs efforts pour se dégager ainsi que leurs familles de l'étreinte des Gog et Magog. Une emprise qui entrainera 999 sur 1000 humains dans les feux de l'enfer. En dépit de tous mes efforts, cependant, j'ai misérablement échoué, encore et encore, à convaincre mes confrères, les savants de l'Islam, que les Gog et Magog avaient été relâchés dans le monde. J'espère sincèrement et je prie pour que ce livre puisse faire la différence Incha' Allah.

Prophecy and the Fundamentalist Quest Farzana Hassan, 2015-01-28 This work traces the origins of apocalyptic prophecy in Christianity and Islam through in-depth examinations of several texts found within the Bible, the Quran, and the Hadith. The author contends that Christianity and Islam, often seen as two of the primary fundamentalist and proselytizing world faiths, remain pitted against each other in an ongoing struggle to impose their religious ideology on the rest of the world through either force or persuasion. The religious prophecies discussed in this book are largely focused on end-time or apocalyptic scenarios (such as the Book of Revelation from the Bible's New Testament, the prophesized hour of judgment in the Quran, and the Book of Tribulations in the Hadith). The final two chapters provide an analysis of current world politics, including the Iraq War, within the context of Christian and Islamic prophecy.

Gog and Magog in Early Eastern Christian and Islamic Sources E.J. van Donzel, Andrea Schmidt, 2010-05-17 Alexander's alleged Wall against Gog and Magog, often connected with the enclosure of the apocalyptic people, was a widespread theme among Syriac Christians in Mesopotamia. In the ninth century Sallam the Interpreter dictated an account of his search for the barrier to the Arab geographer Ibn Khurradadhbih. The reliability of Sallam's journey from Samarra to Western China and back (842-45), however, has always been a highly contested issue. Van Donzel and Schmidt consider the travel account as historical. This volume presents a translation of the source while at the same time it carefully looks into other Eastern Christian and Muslim traditions of the famous lore. A comprehensive survey reconstructs the political and topographical data. As so many other examples, also this story pays witness to the influence of the Syriac Christian tradition on Koran and Muslim Traditions.

Cultures of Eschatology Veronika Wieser, Vincent Eltschinger, Johann Heiss, 2020-07-20 In all religions, in the medieval West as in the East, ideas about the past, the present and the future were shaped by expectations related to the End. The volumes *Cultures of Eschatology* explore the many ways apocalyptic thought and visions of the end intersected with the development of pre-modern religio-political communities, with social changes and with the emergence of new intellectual and literary traditions. The two volumes present a wide variety of case studies from the early Christian communities of Antiquity,

through the times of the Islamic invasion and the Crusades and up to modern receptions, from the Latin West to the Byzantine Empire, from South Yemen to the Hidden Lands of Tibetan Buddhism. Examining apocalypticism, messianism and eschatology in medieval Christian, Islamic, Hindu and Buddhist communities, the contributions paint a multi-faceted picture of End-Time scenarios and provide their readers with a broad array of source material from different historical contexts. The first volume, *Empires and Scriptural Authorities*, examines the formation of literary and visual apocalyptic traditions, and the role they played as vehicles for defining a community's religious and political enemies. The second volume, *Time, Death and Afterlife*, focuses on key topics of eschatology: death, judgment, afterlife and the perception of time and its end. It also analyses modern readings and interpretations of eschatological concepts.

The Dawn of Islamic Literalism Joseph A. Butta Jr., 2013-03-06 *The Dawn of Islamic Literalism: Rise of the Crescent Moon* is a book written specifically for the People of the Occident. It places the subject matter, which is unfamiliar to most westerners, in chronological sequence and historical context. It exposes readers to the Quran, and to the traditions of Muhammad, as they occurred in the 6th and 7th century. However, unlike most other related works, it provides commentary and analysis from both an Islamic literalist and a Western perspective. It aims to give the reader an awareness into the ideology and behavior of 7th century Muslims and to help provide insight into contemporary Islamic literalism and its implications for the Western world.

A Dictionary of Biblical Tradition in English Literature David Lyle Jeffrey, 1992 Over 15 years in the making, an unprecedented one-volume reference work. Many of today's students and teachers of literature, lacking a familiarity with the Bible, are largely ignorant of how Biblical tradition has influenced and infused English literature through the centuries. An invaluable research tool. Contains nearly 800 encyclopedic articles written by a distinguished international roster of 190 contributors. Three detailed annotated bibliographies. Cross-references throughout.

End of Days Wendell G. Johnson, 2017-07-14 Covering religious traditions ranging from Buddhism to Christianity to Zoroastrianism and modern apocalyptic movements such as Arun Shinrikyo and the Branch Davidians, this book addresses prophesied end of days from a breadth of perspectives and includes material on often-neglected themes and genres. *End of Days: An Encyclopedia of the Apocalypse in World Religions* describes apocalyptic writings in the world's major religious traditions, including Judaism, Christianity, Islam, Hinduism, and Buddhism. The cross-referenced entries address ancient traditions—Zoroastrianism, as one example—as well as modern apocalyptic movements, such as Arun Shinrikyo, the Branch Davidians, and the Order of the Solar Temple. This book's broad scope offers coverage of overlooked traditions, such as

Mayan Apocalyptic, Norse Apocalyptic, Native American eschatological literatures, and the Tibetan Book of the Dead. Readers seeking detailed information on the eschatological and apocalyptic movements and proponents of End Times can reference entries about individuals such as Harold Camping, Jerry Falwell, David Koresh of the Branch Davidians, and James Jones and the People's Temple. This single-volume encyclopedia also contains numerous historical entries on subjects such as the Great Disappointment, the Great Awakening periods of religious revival, Joachim of Flora, the Maccabean Revolt, and the Plymouth Brethren. The influence of apocalyptic ideas far outside the realm of religion itself is documented through entries on film, including well-known modern movies such as *The Hunger Games* and *Apocalypse Now*, literature by writers such as Dante, and works of fine art like Wagner's *Götterdämmerung*. The inclusion of entries related to literature, film, and other art forms further attests to the wide-ranging social influence of belief in the end of days.

Are Gog & Magog Zombies? Abū Aḥmad, 2019-09-27 In September 2019, a famous Muslim scholar in the West made the claim that Gog & Magog could refer to the zombie apocalypse. This resulted in an internet controversy with multiple Muslims even labeling the scholar a heretic for his new interpretation. But does Islam allow for re-interpretation in the issues related to the signs of the Last Day? Is the theory of Gog & Magog being a type of zombie plausible? In this short treatise, I analyze the principles and evidence behind this issue and clarify the correct Islamic perspective on the concept of Gog and Magog.
