Преследуя Аделин Х. Д. Карлтон,2024-04-11 МанипуляторЯ могу манипулировать эмоциями любого, кто мне это позволит. Я заставлю вас страдать, заставлю вас плакать, заставлю вас смеяться и вздыхать. Но мои слова на него не действуют. Не тогда, когда я умоляю его уйти.Он всегда рядом, наблюдает и ждет. И я просто не могу отвести взгляд. Не тогда, когда хочу, чтобы он был ближе ко мне.ТеньЯ не планировал влюбляться. Но теперь я не могу смотреть по сторонам. Я загипнотизирован ее улыбкой, ее глазами и тем, как она двигается. То, как она раздевается...Я буду продолжать наблюдать и ждать. Пока я не смогу сделать ее своей женой. И как только она согласится, я никогда ее не отпущу. Даже тогда, когда она будет умолять меня об этом.

Hunting Adeline H. D. Carlton,2022 The Diamond: Death walks alongside me, but the reaper is no match for me. I'm trapped in a world full of monsters dressed as men, and those who aren't as they seem. They won't keep me forever. I no longer recognize the person I've become, And I'm fighting to find my way back to the beast who hunts me in the night. They

call me a diamond, But they've only created an angel of death. The Hunter: I was born a predator, With ruthlessness ingrained in my bones. When what's mine is stolen from me in the night, like a diamond hidden within a fortress, I find that I can no longer contain the beast. Blood will paint the ground as I tear apart this world to find her. And bring her back to where she belongs. No one will escape my wrath, especially not those who have betrayed me--Amazon.com.

Asian American Fiction, History and Life Writing Helena Grice,2012-11-12 The last ten years have witnessed an enormous growth in American interest in Asia and Asian/American history. In particular, a set of key Asian historical moments have recently become the subject of intense American cultural scrutiny, namely China's Cultural Revolution and its aftermath; the Korean American war and its legacy; the era of Japanese geisha culture and its subsequent decline; and China's one-child policy and the rise of transracial, international adoption in its wake. Grice examines and accounts for this cultural and literary preoccupation, exploring the corresponding historical-political situations that have both circumscribed and enabled greater cultural and political contact between Asia and America.

The Leslie A. Marchand Memorial Lectures, 2000-2015 Katherine Kernberger,2017-09-22 This unique collection of lectures honors the pioneering work in Byron studies of Leslie Alexis Marchand, who has had an enduring influence on the appreciation and study of Lord Byron for sixty years. Generations of readers and writers have come to Byron through his biographies and his edition of the poet's letters and journals. All admirers of Byron respond to the verve, dash, and immediacy of his correspondence, which lies at the heart of Marchand's biographies and offers us a portrait based on the poet's views of himself and his times. No one has so powerfully and judiciously allowed Byron's life to emerge from the testimony of his letters. Many readers, from his contemporaries to our day, have refused to separate the poet from his troubled dark heroes, and see little but strands of autobiography in the poems. But the letters and journals reveal him in a

very different light. Leslie Marchand provided these documents for the first time in their unexpurgated and authoritative form. This collection pays tribute to Marchand's careful scholarship and scrupulous attention to the limits of interpretation. Marchand's continued relevance to Byron studies derives in part from the work undertaken by those inspired by his labors as editor and interpreter; many of whom are represented in this collection. Three opening essays bear personal witness to his fervent support for young scholars, his depth of expertise and appeal as a teacher, and his commitment to encouraging others to join him on his Byron pilgrimage. The lectures themselves represent such diverse disciplines as literary theory, psychiatry, publishing history, comparative literature, drama, political history, revolutionary politics in literature and music, literary criticism, textual editing and selection, and literary influence. A chronology and a bibliography provide an overview of his life and scholarship.
