*Performing Fear in Television Production* Siao Yuong Fong, 2025-10-01 What goes into the ideological sustenance of an illiberal capitalist democracy? While much of the critical discussion of the media in authoritarian contexts focus on state power, the emphasis on strong states tend to perpetuate misnomers about the media as mere tools of the state and sustain myths about their absolute power. Turning to the lived everyday of media producers in Singapore, this book poses a series of questions that explore what it takes to perpetuate authoritarian resilience in the mass media. How, in what terms and through what means, does a politically stable illiberal Asian state like Singapore formulate its dominant imaginary of social order? What are the television production practices that perform and instantiate the social imaginary, and who are the audiences that are conjured and performed in the process? What are the roles played by imagined audiences in sustaining authoritarian resilience in the media? As argued in the book, if audiences function as the central problematic that engenders anxieties and self-policing amongst producers, can the audience become a surrogate for the authoritarian state?

**How to American** Jimmy O. Yang, 2018-03-13 Standup comic, actor and fan favorite from HBO's Silicon Valley and the film Crazy Rich Asians shares his memoir of growing up as a Chinese immigrant in California and making it in Hollywood. I turned down a job in finance to pursue a career in stand-up comedy. My dad thought I was crazy. But I figured it was better to disappoint my parents for a few years than to disappoint myself for the rest of my life. I had to disappoint them in order to pursue what I loved. That was the only way to have my Chinese turnip cake and eat an American apple pie too. Jimmy O. Yang is a standup comedian, film and TV actor and fan favorite as the character Jian Yang from the popular HBO series Silicon Valley. In How to American, he shares his story of growing up as a Chinese immigrant who pursued a Hollywood career against the wishes of his parents: Yang arrived in Los Angeles from Hong Kong at age 13, learned English by watching BET RapCity for three hours a day, and worked as a strip club DJ while pursuing his comedy career. He chronicles a near deportation episode during a college trip Tijuana to finally becoming a proud US citizen ten years later. Featuring those and many other hilarious stories, while sharing some hard-earned lessons, How to American mocks stereotypes while offering tongue in cheek advice on pursuing the American dreams of fame, fortune, and strippers.
