Receiving Love Harville Hendrix, Helen Hunt, 2005 IT'S EASY TO GIVE LOVE, BUT HOW DO WE RECEIVE LOVE, ABSORB IT AND LET IT CHANGE US? Rather than learning HOW to love, perhaps the greatest test of an intimate relationship is learning to receive love. Such is the teaching of the bestselling author/relationship therapist team, Harville Hendrix and Helen Hunt. In their newest book, they argue that many of us have trouble accepting and integrating the affection and appreciation we so deeply desire. We tell ourselves that we're not getting what we want and need because other people are either not loving us enough or not loving us in the right way. But the truth is that we are loved, we just don't see it. Instead we brush away the compliments and praise, and we don't relationships, shaping conflicts and disappointments, and on the steps needed to dissolve the barriers to enable us to open our hearts to love.

The Truth About Love Conor Creighton,2022-06-02 We are trained from the youngest of ages to imagine that love is a force outside of ourselves; that if you keep swiping, one day your prince will come; that love is something you have to look for, work for, diet for. The truth is: we are creators of love, not discoverers of love, and until we realise that love comes out of us, rather than to us, we'll never really get it or feel it. Conor Creighton learned this the hard way with a string of tumultuous relationships in his past. That was until, through meditation, he woke up to the powerful force that is self-love and watched as his relationships and the whole world transformed around him. In a unique hybrid of memoir and self-help, here Conor uses his life lessons to help readers wake up to the truth about love. A modern manifesto and spiritual guide to relationships, The Truth About Love makes a daring call to action, showing how to change yourself and the world around you through the courageous act of opening your heart.
