

Masters Of Rome Book Series

John Pope-Hennessy

The First Man in Rome Colleen McCullough, 1991-08 On New Year's Day of 110 B.C., two men whom Fortune favors stand with a vision and courage that will force change upon the Roman Empire.

Caesar's Women Colleen McCullough, 2020-04-07 The story of Julius Caesar on the theme that behind every man there stands a woman. In this case there were several, among them his strong-willed mother, his formidable mistress and his beautiful daughter, whom he married to Pompey in order to cement an alliance. The story is told against the background of everyday life in ancient Rome, detailing the mores and manners of the day.

Fortune's Favorites Colleen McCullough, 2008-11-11 With incomparable storytelling skill, New York Times bestselling author Colleen McCullough brings Rome alive in all her majesty—and illuminates the world of those favored by the gods at birth. In a time of cataclysmic upheaval, a bold new generation of Romans vied for greatness amid the disintegrating remnants of their beloved Republic. They were the chosen...and the cursed—blessed with wealth and privilege yet burdened by the dictates of destiny in a savage struggle for power that would leave countless numbers crushed and destroyed. But there was one who would tower above them all—a brilliant and beautiful boy whose ambition was unparalleled, whose love was legend, and whose glory was Rome's: a boy they would one day call Caesar.

Caesar Colleen McCullough, 1997 The leaders of Rome grow ever more frightened, yet ever more obdurate the brilliant, ruthlessly autocratic Gaius Julius Caesar must be crushed and sent into a permanent exile before he can overthrow government and set himself up as dictator. The events in *Caesar* chronicle the struggle for dominance between Rome's Senate and its nemesis, Caesar.

Masters of Rome Simon Turney, Gordon Doherty, 2021-03-04 Their rivalry will change the world forever. As competition for the imperial throne intensifies, Constantine and Maxentius realise their childhood friendship cannot last. Each man struggles to control their respective quadrant of empire, battered by currents of politics, religion and personal tragedy, threatened by barbarian forces and enemies within. With their positions becoming at once stronger and more troubled, the strained threads of their friendship begin to unravel. Unfortunate words and misunderstandings finally sever their ties, leaving them as bitter opponents in the greatest game of all, with the throne of Rome the prize. It is a matter that can only be settled by outright war... 'A page turner from beginning to end... A damn fine read' Ben Kane, author of *Lionheart* (on *Sons of*

Rome) 'The Rise of Emperors series is first-rate Roman fiction. Doherty and Turney each breathe life into their respective characters with insight and humanity' Matthew Harffy, author of Wolf of Wessex 'A nuanced portrait of an intriguing emperor' The Times (on Turney's Commodus) 'A meticulously researched and vivid reimagining of an almost forgotten civilisation' Douglas Jackson, author of Hero of Rome (on Doherty's Empires of Bronze) 'An intriguing and highly polished piece of historical fiction' James Tivendale from Grimdark (on Sons of Rome)

The Grass Crown Colleen McCullough, 2020-04-07 New York Times bestselling author Colleen McCullough returns us to an age of magnificent triumphs, volcanic passions, and barbaric cruelties. Throughout the Western world, great kingdoms have fallen and despots lay crushed beneath the heels of Rome's advancing legions. But now internal rebellion threatens the stability of the mighty Republic. An aging, ailing Gaius Marius, heralded conqueror of Germany and Numidia, longs for that which was prophesied many years before: an unprecedented seventh consulship of Rome. It is a prize to be won only through treachery and with blood, pitting Marius against a new generation of assassins, power-seekers, and Senate intriguers' and setting him at odds with the ambitious, tormented Lucius Cornelius Sulla, once Marius's most trusted right-hand man, now his most dangerous rival.

The Roman Republic, History, Myths, Politics, and Novelistic Historiography Miguel A. Faria, Jr., 2025-06-09 The history of the Roman Republic has been shrouded in myth, assailed by gaps in historical knowledge, and even immersed in political biases. But in this book, the author has succeeded in penetrating the mist, using both ancient and modern sources, as well as numismatic information and other illustrative materials and artforms. He narrates the history of ancient Rome—from its beginnings with the legendary seven kings of Rome, the founding and struggles of the Republic, the wars of conquests and civil wars, to the collapse of the Republic and the inception of the Roman Empire with Augustus. Peace is finally established, and the Augustan Renaissance and the Pax Romana followed, hinting at the course of Western civilization. One lesson is learned: Liberty and civic duties are too valuable to be forsaken for the material safety of “bread and circuses” because in the end citizens so partaking may end up with neither liberty nor safety.

About the Author Alfred Glossbrenner, Emily Glossbrenner, 2000 From Jane Austen to John Steinbeck to Don Delillo to Danielle Steel, this book offers a detailed and comprehensive resource revealing fascinating facts about the authors you love, along with great introductions to authors you've yet to read.

Caesar's Women Colleen McCullough, 1998-04 His victories were legend -- in battle and bedchamber alike. Love was a political weapon he wielded cunningly and ruthlessly in his private war against enemies in the forum. Genius, general, patrician, Gaius Julius Caesar was history. His wives bought him influence. He sacrificed his beloved daughter on the altar of ambition. He burned for the cold-hearted mistress he could never dare trust. Caesar's women all knew -- and feared -- his power. He adored them, used them, destroyed them on his irresistible rise to prominence. And one of them would seal his

fate.

The Bartlett Collection John Bartlett, Louise Rankin Albee, 1896

Masters of Rome Collection Books I - V Colleen McCullough, 2014-03-01 The world cowers before its legions, but the fate of Rome hangs in the balance. From the marbled columns of the Senate to the squalid slums of the Subura, the city is about to be plunged into a conflict that will set rich against poor, Roman against Italian, father against son, a conflict destined to destroy the Republic but leave, in its stead, an Empire. From the seven hills of Rome to the Sahara desert, from Britannia to Bithynia, here is the stuff of legend: unbearable cruelty, martial brilliance, murderous ambition and heroic destiny. Colleen McCullough's epic MASTERS OF ROME captures the soul of Rome in a way no other writer has ever managed. Included in this box set are the novels: THE FIRST MAN IN ROME. THE GRASS CROWN. FORTUNE'S FAVOURITES. CAESAR'S WOMEN. CAESAR. Please note: This ebook contains all the original maps and illustration.

Masters of Rome Robert Fabbri, 2015-03-01 Britannia, 45 AD: In the shadow of Stonehenge, Vespasian's brother, Sabinus, is captured by druids. The druids want to offer a potent sacrifice to their gods - not just one Roman Legate, but two. They know that Vespasian will come after his brother, and they plan to sacrifice the siblings on a summer's day. But to whom will they be making this sacrifice? What were the gods of this land before the Celts came? Only the druids still hold the secret and it is one of pure evil. Vespasian must strive to save his brother whilst completing the conquest of the haunted isle, before he is drawn inexorably back to Rome and the heart of Imperial politics. Claudius' three freedmen remain at the locus of power. As Messalina's time as Empress comes to a bloody end, the three freedmen each back a different mistress. But which woman will be victorious? And at what price for Vespasian?

The Robert Lehman Collection John Pope-Hennessy, 1987

After the Celebration Ken Gelder, Paul Salzman, 2009 After the Celebration explores Australian fiction from 1989 to 2007, after Australia's bicentenary to the end of the Howard government. In this literary history, Ken Gelder and Paul Salzman combine close attention to Australian novels with a vivid depiction of their contexts: cultural, social, political, historical, national and transnational. From crime fiction to the postmodern colonial novel, from Australian grunge to 'rural apocalypse fiction', from the Asian diasporic novel to the action blockbuster, Gelder and Salzman show how Australian novelists such as Frank Moorhouse, Elizabeth Jolley, Peter Carey, Kim Scott, Steven Carroll, Kate Grenville, Tim Winton, Alexis Wright and many others have used their work to chart our position in the world. The literary controversies over history, identity, feminism and gatekeeping are read against the politics of the day. Provocative and compelling, After the Celebration captures the key themes and issues in Australian fiction: where we have been and what we have become.

What Do I Read Next? Volume 2 2003 Gale Group, Neil Barron, 2004 This volume contains descriptions of 1,245 books in nine fiction genres, including author or editor's name, publication information, story type, major characters, setting, plot

summary, and more.

Legal Linguistics Beyond Borders: Language and Law in a World of Media, Globalisation and Social Conflicts

Friedemann Vogel,2019-07-31 The world of law has changed in the last decades: it has become more globalized, multilingual and digital. The sections and contributions of this volume continue the interdisciplinary discussion about the challenges of this change for theory and practice of law and for the International Language and Law Association (ILLA) relaunched in 2017. First, the book gives a broad overview to the research field of legal linguistics, its history, research directions and open questions in different parts of the world (United States, Africa, Italy, Spain, Germany, Nordic countries and Russia). The second section consists of contributions about the relation of language, law and justice in a globalized world with a focus on multilingual and supranational law in the EU. The third section focuses on digitalization and mediatization of the law, the last section reports about the discussion at the ILLA relaunch conference in 2017.

Caesar Colleen McCullough,2003-01-28 The New York Times bestselling author brilliantly reconstructs the mighty republic that once ruled the ancient world and celebrates the genius, passion, ruthlessness, and magnificence of the noblest Roman of all: Gaius Julius Caesar.

The British Library General Catalogue of Printed Books to 1975 British Library,1983

The October Horse Colleen McCullough,2002-11-26 In her new book about the men who were instrumental in establishing the Rome of the Emperors, Colleen McCullough tells the story of a famous love affair and a man whose sheer ability could lead to only one end -- assassination. As *The October Horse* begins, Gaius Julius Caesar is at the height of his stupendous career. When he becomes embroiled in a civil war between Egypt's King Ptolemy and Queen Cleopatra, he finds himself torn between the fascinations of a remarkable woman and his duty as a Roman. Though he must leave Cleopatra, she remains a force in his life as a lover and as the mother of his only son, who can never inherit Caesar's Roman mantle, and therefore cannot solve his father's greatest dilemma -- who will be Caesar's Roman heir? A hero to all of Rome except to those among his colleagues who see his dictatorial powers as threats to the democratic system they prize so highly, Caesar is determined not to be worshiped as a god or crowned king, but his unique situation conspires to make it seem otherwise. Swearing to bring him down, Caesar's enemies masquerade as friends and loyal supporters while they plot to destroy him. Among them are his cousin and Master of the Horse, Mark Antony, feral and avaricious, priapic and impulsive; Gaius Trebonius, the nobody, who owes him everything; Gaius Cassius, eaten by jealousy; and the two Brutuses, his cousin Decimus, and Marcus, the son of his mistress Servilia, sad victim of his mother and of his uncle Cato, whose daughter he marries. All are in Caesar's debt, all have been raised to high positions, all are outraged by Caesar's autocracy. Caesar must die, they decide, for only when he is dead will Rome return to her old ways, her old republican self. With her extraordinary

knowledge of Roman history, Colleen McCullough brings Caesar to life as no one has ever done before and surrounds him with an enormous and vivid cast of historical characters, characters like Cleopatra who call to us from beyond the centuries, for McCullough's genius is to make them live again without losing any of the grandeur that was Rome. Packed with battles on land and sea, with intrigue, love affairs, and murders, the novel moves with amazing speed toward the assassination itself, and then into the ever more complex and dangerous consequences of that act, in which the very fate of Rome is at stake. The October Horse is about one of the world's pivotal eras, relating as it does events that have continued to echo even into our own times.

Discover tales of courage and bravery in Crafted by is empowering ebook, Unleash Courage in **Masters Of Rome Book Series** . In a downloadable PDF format (PDF Size: *), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
