**Diagnose My Pains to Select the Correct Medical Tests and Treatment for Chronic Pain and Headache** Nelson Hendler,2025-05-29 The Wall Street Journal reported that doctors misdiagnose patients 37% of the time, due to errors in history taking and ordering the wrong test. Johns Hopkins Hospital doctors report that the misdiagnosis rate is 40%-80% for patients with chronic pain and headaches, depending on the type of illness. The average doctor spends 11 minutes with a patient, and talks for 7 of the 11 minutes. This book provides the reader with methods to take a more comprehensive and accurate history, using the “[www.DiagnoseMyPains.com](http://www.DiagnoseMyPains.com)” website, which gives diagnoses with a 96% correlation with those of Johns Hopkins Hospital doctors. Then, based on an accurate diagnosis, the book explains how to select the proper testing to confirm the diagnosis, and recommended treatments. The book is designed to help the reader understand how to think about a medical problem, not what to think.

*Waking Up in Heaven* Crystal McVea,Alex Tresniowski,2013-04-02 New York Times bestseller! A remarkable and inspirational memoir about one woman's near-death experience, who was dramatically changed by the nine minutes she spent in heaven. On December 10, 2009, McVea, a thirty-two-year-old mother of four, went to the hospital for a routine procedure. While undergoing treatment, her face suddenly turned a dark shade of blue, then black. Her mother screamed for help, and a nurse tried to revive her...to no avail. Today, Crystal does not remember what happened in that hospital room during the nine minutes she was unconscious and unable to breathe on her own. She has no memory of the panic and the rushing nurses and the loud cries of “Code Blue.” She only remembers drifting off...and waking up in heaven. This unexpected meeting of a self-described sinner and skeptic with her God changed everything. Raised Christian, she had left

her faith behind after childhood abuse and the subsequent struggles and suffering of her troubled teens and early adulthood. She longed to believe but felt abandoned, broken, and undeserving. A moving autobiographical testament to the power of divine love and forgiveness, *Waking Up in Heaven* shares the message of hope, healing, and compassion McVea brought back from her brush with God. This brave, honest account of years lost to shame and guilt will inspire those who've stumbled along their own spiritual journey, with the uplifting reminder that no one is beyond the reach of grace and redemption, and that, in the words of the author, "God is real. Heaven is real. And God's love for us is the realest thing of all."
