The Greatest Coach Ever Fellowship of Christian Athletes, John Wooden, 2010-07-26 Coach John Wooden's teams won 10 NCAA mens basketball championships at UCLA and Sporting News magazine named him the greatest coach of all time. Yet decades after he retired and now after his passing, his wisdom capsulized so clearly in his famous Pyramid of Success continues to guide new generations of athletes, coaches, and people of all walks of life. In *The Greatest Coach Ever*, the Fellowship of Christian Athletes features 40 tributes from athletes, coaches, and other influential leaders like Bobby Bowden, Tom Osborne, Sue Semrau, Tony Dungy, Mike Singletary, Tamika Catchings, Joe Girardi, Jim Tressel and David Robinson playing honor to Coach Wooden and reflecting on how his example has challenged and changed them. Their stories can challenge and change your life, too. Coach Wooden appreciated the tributes and the honor of being called the greatest coach ever, but felt uncomfortable with the title. He was eager to see that this book points to the one whom he calls the greatest coach ever. I am happy being remembered as a man of integrity. I like that, --John Wooden, May 21 2010.

Speaking and Being Kübra Gümüşay, 2022-05-05 A SPECTATOR BOOK OF THE YEAR 'I can't stop talking about this book' Jamie Klingler, co-founder #ReclaimTheseStreets 'What a gem. ... Makes you look at the world, and yourself, afresh.' Minna Salami, author of *Sensuous Knowledge: A Black Feminist Approach for Everyone* 'A generous combination of passion and practicality that is not easily resisted. A rare book that might actually change our minds' Daniel Hahn OBE 'A book at once vigorous and generous, pleasurable and galvanising' Sophie Hughes, International Booker Prize-shortlisted translator What does it really mean to speak freely? A wise, beautifully written book that explores the way language shapes our lives and how we see the world - and what happens when we learn new words, and new ways of speaking to each other. Language opens up our world, and in the same instant, limits it. What does it mean to exist in a language that was never meant for you to speak? Why are we missing certain words? How can we talk about our communal problems without fuelling them? What does it actually mean to speak freely? As a writer and activist fighting for equality, Kübra Gümüşay has been thinking about these questions for many years. In this book she explores how language shapes our thinking and determines our politics. She shows how people become invisible as individuals when they are always seen as part of a group, and the way those in the minority often have to expend energy cleaning up the messy thinking of others. But she also points to how we might shape conversations to allow for greater ambiguity and individuality, how arguments might happen in a space of learning and

vulnerability without sacrificing principles - how we might all be able to speak freely.

The Greatest Coach Ever Tom Osborne, Tony Dungy, David Robinson, 2010-10-27 Now, in *The Greatest Coach Ever*, 30-plus athletes, coaches and other popular sports figures reflect on his genius and share how they have been challenged and changed by the insights of Coach Wooden. Each reading, from such invited contributors as Tony Dungy, Tom Osborne, David Robinson, Bobby Bowden, Jim Tressel, Andy Pettitte, Mike Singletary...

The Quote Verifier Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed. Ralph Keyes's *The Quote Verifier* considers not only classic misquotes such as Nice guys finish last, and Play it again, Sam, but more surprising ones such as Ain't I a woman? and Golf is a good walk spoiled, as well as the origins of popular sayings such as The opera ain't over till the fat lady sings, No one washes a rented car, and Make my day. Keyes's in-depth research routinely confounds widespread assumptions about who said what, where, and when. Organized in easy-to-access dictionary form, *The Quote Verifier* also contains special sections highlighting commonly misquoted people and genres, such as Yogi Berra and Oscar Wilde, famous last words, and misremembered movie lines. An invaluable resource for not just those with a professional need to quote accurately, but anyone at all who is interested in the roots of words and phrases, *The Quote Verifier* is not only a fascinating piece of literary sleuthing, but also a great read.

We Are Family LeBron James, Andrea Williams, 2021-08-31 Kids have big dreams. And when those dreams are on the line, how far are they willing to go to achieve them? When Jayden and his teammates find out there's not going to be a Hoop Group this year—and maybe ever again—they have to learn to lean on each other if they want to save their basketball season, in this inspiring new middle grade novel from NBA superstar LeBron James and acclaimed author Andrea Williams. A New

York Times bestseller! Jayden Carr has been training all summer to be ready for Hoop Group—the free afterschool basketball program where his hero, NBA superstar Kendrick King, got his start. But when his beloved coach tells him there’s not going to be a Hoop Group this year, Jayden is heartbroken. And he’s not the only one. Coach Beck’s daughter, Tamika, was planning to be the first girl ever to start for the squad. Chris King, Kendrick’s only nephew, spent the summer bragging that his uncle was coming home just to watch him play. For Anthony Pierson, Hoop Group was supposed to be his way out of trouble. And for Dexter Donyel, all 4’6” of him, Hoop Group was his chance to finally be part of a team, instead of just watching from the stands. For each kid, Hoop Group was more than just a chance to ball; it was an escape, a dream, a family. Now their prospects seem all but impossible—but then the world hasn’t met Jayden, Tamika, Chris, Anthony, and Dex before. Determined to have their shot, the five new friends scrap, hustle, fight, and play hard to save their season to prove that sometimes a chance is all it takes. It’s an inspiring, original middle grade story from NBA superstar LeBron James and acclaimed author Andrea Williams that channels the many relatable challenges so many young kids face. The first step to winning is getting out on the court.

Beasts of the Field Richard Steven Street,2004 Written by one of America's preeminent labor historians, this book is the definitive account of one of the most spectacular, captivating, complex and strangely neglected stories in Western history--the emergence of migratory farmworkers and the development of California agriculture. Street has systematically worked his way through a mountain of archival materials--more than 500 manuscript collections, scattered in 22 states, including Spain and Mexico--to follow the farmworker story from its beginnings on Spanish missions into the second decade of the twentieth century. The result is a comprehensive tour de force. Scene by scene, the epic narrative clarifies and breathes new life into a controversial and instructive saga long surrounded by myth, conjecture, and scholarly neglect. With its panoramic view spanning 144 years and moving from the US-Mexico border to Oregon, *Beasts of the Field* reveals diverse patterns of life and labor in the fields that varied among different crops, regions, time periods, and racial and ethnic groups. Enormous in scope, packed with surprising twists and turns, and devastating in impact, this compelling, revelatory work of American social history will inform generations to come of the history of California and the nation.
