Quotationary - The A-Z Book of Quotations Nasser Amiri,2024-06-27 Compiled over many years by Nasser Amiri, this is by far the most comprehensive collection ever compiled of carefully selected quotations from the world's great philosophers, writers, historians, musicians and thinkers. Quotationary is a source of inspiration for every writer, book-lover and thinker. It contains the thoughts of many of the finest minds since ancient man started to express his wit and wisdom in aphoristic form. It is inspirational, instructive, amusing and literary; alongside a dictionary and thesaurus it is a must-have purchase for any author, writer, journalist or anyone working with words.

Live in the Present and Learn Valuable Life Lessons to Improve Any Relationship Josh R. Himmelman,2012-10-08 The development of this couples relationship, with all of its problems, is reflected quite candidly in their experiences of living in an abusive relationship. This book speaks of the co-existence of a man and a woman who are trying to love each other and be committed for life but fail miserably. The book is divided into sections, each recounting a different stage of their eleven-year relationship. Each section is followed by life lessons, so the reader can learn from what this couple experienced. Each lesson looks at the root cause of an issue. A few examples are: being victimized, broken trust, drug abuse, true friendship, etc. These issues can exist in all intimate relationships today, so that all readers can benefit in learning from the relationship experiences.

Falling in Love at the Movies Esther Zuckerman,2024-12-03 Prepare to swoon, ugly cry, laugh, and fall in love with this officially licensed exploration of the impact and legacy of one of film's most beloved genres from Turner Classic Movies: the rom-com. Romantic comedies have had an incredible influence on popular culture, shaping everything from how we think of relationships to fashion. Often swept aside in film history, these movies are thought of as pure comfort viewing. Although they certainly provide those fuzzy feelings, they have also had a significant artistic influence and cultural impact. Spanning decades of romantic comedies—from movies of the 1930s such as *It Happened One Night* and the rom com craze of the 80s and 90s including *When Harry Met Sally...* all the way to contemporary hits like *Crazy Rich Asians*, and everything in

between—Falling in Love at the Movies will make you fall in love (all over again) with romantic comedies. Esther Zuckerman—accomplished entertainment journalist and member of the New York Film Critic’s Circle—takes readers on a journey through the rom-com. She examines the aspects that make us so drawn to these types of films, diving deep into the key auteurs—from Preston Sturges to James L. Brooks to Nora Ephron and beyond—who both created and subverted the canon. These directors, actors, and writers shaped the genre, establishing and also busting traditional pillars and tenets of these movies such as the “Perfect Pair” or “The Man in Crisis” and “The High Maintenance Woman.” Featuring full-color images from the films throughout, along the way Zuckerman takes detours, explores iconic lines of dialogue (Who could forget Julia Roberts’ “I’m also just a girl, standing in front of a boy, asking him to love her” iconic moment from Notting Hill?) to memorable scenes (the magical moment at the Empire State Building in Sleepless in Seattle) and weaves in interviews of artists and romantic comedy fanatics in the industry. Looking beyond the traditional rom-com, Zuckerman digs into the nooks and crannies, the films that buck the trend of happily ever after, the ones that think beyond heteronormative narratives, and the indies that kept the rom-com alive outside of the studio system, to offer a more comprehensive story of the rom-com than has ever been seen before—and one that you’re bound to love. How’s that for a happy ending?

Gendered Dynamics in Latin Love Poetry Ronnie Ancona, Ellen Greene, 2005-11-18 In recent decades, Latin love poetry has become a significant site for feminist and other literary critics studying conceptions of gender and sexuality in ancient Roman culture. This new volume, the first to focus specifically on gender dynamics in Latin love poetry, moves beyond the polarized critical positions that argue that this poetry either confirms traditional gender roles or subverts them. Rather, the essays in the collection explore the ways in which Latin erotic texts can have both effects, shifting power back and forth between male and female. If there is one conclusion that emerges, it is that the dynamics of gender in Latin amatory poetry do not map in any single way onto the cultural and historical norms of Roman society. In fact, as several essays show, there is a dialectical relationship between this poetry and Roman cultural practices. By complicating the views of gender dynamics in Latin love poetry, this exciting new scholarship will stimulate further debates in classical studies and literary criticism with its fresh perspectives.

Grandfather's Enduring Love Kenneth David Musser, 2022-06-28 A dramatic true story of a Kansas family extending over four continuous generations. Tragedy after tragedy would haunt this family, including the mama burning to death on New Year's Day of 1927. Papa's enduring love prevails as he raises two families of five children each. Papa's five-year-old daughter, Faithe, would be the oldest witness of seeing her mama burning to death. As a result, she would live a lifetime of depression and mental illness, leaving her to become an abusive wife and mother. A son who suffered emotional and physical abuse at the hands of his mother himself would lead a life of severe depression and acute anxiety. The emotionally and

physically abused son will share five escapes or places of refuge which helped him endure his eight-year continued abuse. Throughout our true dramatic story will be vivid illustrations of a number of families' enduring love through prayer, climaxing with the greatest enduring love ever, of God giving his only begotten Son, Jesus to die on the cross, shedding his blood for all sinners.

Freudians and Schadenfreudians Jeffrey Berman, 2024-08-22 Sigmund Freud can be a polarizing figure, beloved by many and despised by some. Focusing on eight key writers and scholars who either passionately loved or gleefully loathed Freud, this book represents Freud's wide legacy, the reach of his ideas, their controversies, and their ability still to provoke, inspire, confound, outrage, and compel. The book begins by focusing on four highly prolific authors whose admiration for Freud is boundless: Lionel Trilling, Harold Bloom, Kurt R. Eissler, and Peter Gay. Berman then explores four more writers whose aim was not simply to debunk Freud and destroy his monstrous creation but to cast both into hell: D. H. Lawrence, Vladimir Nabokov, Thomas Szasz, and Frederick Crews. Each chapter discusses the author's involvement with Freud, exploring the continuities and discontinuities of his or her writings, as well as offering snapshots of the writers, suggesting how their personal and professional lives were inextricably related. Berman draws out some surprising commonalities between the Freudolaters and Schadenfreudians, going on to discuss the current state of psychoanalysis and the "psychoanalytic credos" by which contemporary analysts live.

Mr. Michael Presents the Five "S" Mr. Michael, 2010-12-06 There are those who would have you believe chivalry is dead in modern society. Stereotypically, men have lost the soft touch. Men have forgotten romance, and the image of a knight in shining armor is long past. Mr. Michaela man who has learned the many aspects of love in his own marriage would say otherwise. Mr. Michael would have the sadness wiped from the eyes of the beautiful women of this world. He received many wonderful gifts from God, including his wife and the love they share. Through his enlightened life lessons described in Mr. Michael Presents the Five S, he would like to share the love he found with the world. A true spiritual connection with a higher power paves the way to love on earth. The key to ending loneliness is in giving life to the divine, and fulfilling mortal relationships will follow. True love will follow, if only you discover the pure God energy within yourself. It is time to love one

another, with humbleness, compassion, and honor.
