Driven by Destiny Desi Daasi,2013-09-18 Two civilizations confront each other on the banks of the River Indus in 7th century India. Their world views could not be more different. One is an ancient civilization with many esoteric rituals and beliefs that have evolved over thousands of years. The other is less than hundred years old with a singular belief in the supremacy of its one true God. One has a glorious past but an uncertain future. The other's future is filled with promise and opportunities. One is polytheistic, and extols pluralism. The other is ardently monotheistic and insists on submission to the one true faith. These world views are irreconcilable and in the 7th century there is only one way to harmonize such disparate viewpoints. War. War is ugly. It is costly. It destroys people's humanity and wrecks vengeance on the innocent. Yet it is also a crucible for change and provides an opportunity for a fresh start. Under its intense pressure a piece of coal can turn into a diamond. The result of this war, will forever alter the history of this subcontinent and inexorably change the lives of two people. On one side of this conflict is a beautiful princess. Her grace, charm, beauty and kindness make her the darling of her kingdom. Her innocent demeanor and spirit of service bring warmth to her subjects hearts. Every prince in the surrounding kingdoms has dreamed of winning her hand in marriage. Yet she has a dark past and pursues an improbable dream. She

yearns for a certain kind of soul mate, one who has been foretold to complete her spiritually, a strong dominant stranger who will release her dormant submissiveness so she may fulfill her destiny. She has waited patiently for four years and prayed everyday for him. Riding on the wings of this calamitous war a stranger approaches. Will he fulfill the princess's destiny? Or will he be an usurper who rapes and pillages his way into the forgotten pages of history. Can he temper his dominance with justice and compassion or will power corrupt him completely? Will he see the humanity of the other or are they just pawns in his game of domination. Will history recognize him as The Protector or despise him as The Annihilator?

Tit for Tat Clover Cox,2024-09-15 Two former friends reunite after an unexpected encounter. James and Mike used to live in the same home when their parents were dating, but they broke up five years ago. That doesn't stop Don from sending his son Mike to collect money he feels he's owed from James's mother Rachel. When Mike goes to ask Rachel for Don's money yet again, he finds James in women's clothing. He uses his knowledge of James dressing as a woman for blackmail to get what he wants most, a job at Rachel's real-estate agency. There's a girl named Judy within James. Mike doesn't expect to fall for this girl James becomes. When Judy steals Mike's heart, conflicts and obstacles emerge as he tries to enact his plan. Tit for Tat is a sweet and steamy gay feminization romance about two guys who knew each other from the past and find each other again in new and surprising ways.

The Floating World - Amanda in the City A.A. Cain,2019-05-20 Adam Cain is in his fifties, a lover of art and beautiful things; but his soul is jaded, a little damaged, a little decadent. He finds simple pleasure in the daily ritual of cafes and coffee in the mornings, and slowly makes simple friendships with the young women who work behind the counters. Over time, the grace and beauty of these women breaks down his reserve, and seduction begins. But who is seducing whom? The writing has been described as, silkily erotic... slow and sensuous descriptions of an elegant world beyond time and place... layer on layer of lovely, well written imagery... a place to escape... This novella, Amanda in the City, is the first of A.A.Cain's Lunchtime Erotica books, a collection of stories issued in a convenient pocket-book format, ideal for quiet reading over lunch or during a coffee break. An e-book edition is also available: *The Floating World - Urban Erotica*.

The Lingering Scent of a Candle Just Burnt Paul A. Winter,2005-04 There is new evidence to support old Freudian theories that our dreams reveal our deepest and darkest desires. The theme of my life story is framed by seven significant dream periods and focuses on my search for the ultimate high through ritualistic sexual encounters.
