Conversations with Women in Musical Theatre Leadership Amanda Wansa Morgan, 2023-10-27 Most writers, composers, librettists, and music directors who make their careers in musical theatre do so without specific training or clear pathways to progress through the industry. *Conversations with Women in Musical Theatre Leadership* addresses that absence by drawing on the experiences of these women to show the many and varied routes to successful careers on, off, and beyond Broadway. *Conversations with Women in Musical Theatre Leadership* features 15 interviews with Broadway-level musical theatre music directors, directors, writers, composers, lyricists, stage managers, orchestrators, music arrangers, and other women in positions of leadership. Built around extensive interviews with women at the top of their careers in the creative and leadership spheres of musical theatre, these first-hand accounts offer insight into the jobs themselves, the skills that they require, and how those skills can be developed. Any students of musical theatre and stagecraft, no matter what level and in what setting from professional training to university and conservatory study, will find this a valuable asset.

*20 Seasons: Broadway Musicals of the 21st Century* Amy S. Osatinski, 2023-08-03 *20 Seasons: Broadway Musicals of the 21st Century* catalogues, categorizes, and analyzes the 269 musicals that opened on Broadway from the 2000-2001 season through the 2019-2020 season. This book is the first to comprehensively examine the musicals that premiered on Broadway during this important historical period, which was bookended by the 9/11 terrorist attacks on one end and the Coronavirus pandemic on the other. It begins by exploring the historical context for the first 20 years of the 21st century and how this impacted American culture and theatre. Rather than chronologically, the musicals are then organized into categories based on their source material and whether they were original musicals or revivals, painting a detailed picture of the Broadway musical in first 20 years of the 21st century. Jukebox musicals, screen-to-stage musicals, revivals, and other original musicals are all covered, and each chapter ends with reading guides and discussion prompts. The book not only discusses what was produced, but by whom, uncovering the stark lack of representation for women and artists of color on Broadway musical creative and design teams. Additionally, the last chapter discusses the COVID-19 pandemic, the Broadway shutdown, and what happened to the Broadway musical during the shutdown, including the response to the Black Lives Matter movement in the summer of 2020. *20 Seasons: Broadway Musicals of the 21st Century* will appeal to fans and scholars of musical theatre, as well as students of Musical Theatre, Musical Theatre History, American Studies, and Pop Culture Studies.

*Performing in Contemporary Musicals* David Sisco,Laura Josepher,2022-03-13 Performing in Contemporary Musicals brings into sharp focus the skills performers must possess when tackling shows that are newly written, in development, or somewhere in between. The authors bust myths about contemporary musical theatre and analyze the development timelines of musicals from around the world. They also explore how performers can become invaluable to a creative team by developing the skills needed to move a new musical forward including: contemporary acting and singing techniques, dramaturgy, quickly picking up new material, and collaboration. Each chapter features insightful industry interviews, recommended activities, an extensive reading list, and an online companion for further study. This textbook is the only comprehensive resource that provides an overview of the development process of a new musical while guiding musical theatre performers to be fruitful collaborators in a new works scenario.

*Women Writing Musicals* Jennifer Ashley Tepper,2024-11-19 The first-ever book to tell the stories of over 300 inspiring women who wrote Broadway and Off-Broadway musicals that Publishers Weekly calls an exhaustive tribute to women whose contributions to Broadway musical history have often been overlooked. Library Journal praises the book, saying, Tepper has fashioned a winning book on the unsung heroines of Broadway musicals that will be appreciated by readers of women's studies and theater lore. Kirkus Reviews says it's an encyclopedic reference and a long-overdue tribute to female lyricists and composers. From the composers who pounded the pavement selling their music in Tin Pan Alley at the turn of the twentieth century; to the lyricists who broke new ground writing shows during the Great Depression; to the book writers who penned protest musicals fighting for social justice during the 1970s; to those who are revitalizing the landscape of American theatre today, *Women Writing Musicals* tells the stories of over 300 inspiring women who wrote Broadway and Off-Broadway

musicals. Jennifer Ashley Tepper's definitive book covers prolific and celebrated Broadway writers like Betty Comden and Jeanine Tesori, women who have written musicals but gained fame elsewhere like Dolly Parton and Sara Bareilles, and dramatists you've never heard of-but definitely should have. Among the gems shared here are the stories of Clara Driscoll, who saved the Alamo and also wrote a Broadway musical; Micki Grant, whose mega-hit musical about the Black experience made her the first woman to write book, music, and lyrics for a Broadway show; María Grever, who made her Broadway debut at age 56 and who was the first Mexican female composer to achieve international success; and the first all-female writing team for a Broadway musical, in 1922: Annelu Burns, Anna Wynne O'Ryan, Madelyn Sheppard, and Helen S. Woodruff. This book is a treasure trove for theatre-loving readers that Tony and Emmy Award-winning actor and singer Kristin Chenoweth praises as a wonderful resource for actors, and an important read for anyone interested in theatre.

**John Zorn** John Brackett, 2008-11-19 Following his English edition of Alma Mahler-Werfel's Diaries 1898-1902, Antony Beaumont presents both the first comprehensive biography of the composer and conductor Alexander Zemlinsky (1871-1942) and a critical assessment of his works. Zemlinsky--all hail to you! wrote the young Alma. All hail to you and your art. When she first met him, Zemlinsky was the most promising Viennese composer of his generation. In 1901, when Alma abruptly ended their passionate love affair in order to marry Gustav Mahler, the crisis served to transform Zemlinsky's talent into mastery. Only long after his death, however, did his music begin to receive its due. Zemlinsky was central to the musical life of Vienna and Central Europe, and this brilliant biography illuminates a social and cultural milieu that disappeared forever with the triumph of Hitler's Reich. The author details the composer's early years as a protégé of Brahms and Mahler, his complex friendship with his brother-in-law Arnold Schoenberg, the influence of his teaching on the boy-prodigy Erich Korngold, his kindly and helpful attitude toward the hypersensitive Anton Webern, and his heartfelt friendship with Alban Berg. Zemlinsky was one of the leading conductors of the interwar period, considered by both Schoenberg and Stravinsky the finest they had ever heard. The author charts Zemlinsky's career from Vienna to Berlin, St. Petersburg, and Prague, providing insight into his Catholic-Sephardic background and investigating his keen interest in esoteric aspects of music, including color symbolism and numerology. The author's analyses of Zemlinsky's major scores are accessible and fully contextualized.
