This is the whole story of how Stephen King s Richard Bachman came to life, and when King finally had to give up the ghost and come forth with the truth that he was writing under the pseudonym of Richard Bachman. This of course came about when the fifth novel, Thinner, was released and a reader discovered King s pseudonym. The Bachman Books Stephen King,1986

*Bachman Books* Stephen King, 1985-10 A collection of Stephen King's early works, written under the pseudonym of Richard Bachman.

**The Regulators** Stephen King, 2016-01-01 Master storyteller Stephen King presents the classic, terrifying New York Times bestseller of those caught between the surreal forces of good versus evil in a small suburban Ohio town. "The red van rolls past...humming and glinting. ...Things are happening fast now, although no one on Poplar Street realizes it yet." It's a gorgeous midsummer afternoon along Poplar Street in the peaceful suburbia of Wentworth, Ohio, where life is as pleasant as you ever dreamed it could be. But that's all about to end in blaze of gunfire and sudden violence, forever shattering the tranquility and the good times here. For the physical makeup of Poplar Street itself is now being transformed into a surreal landscape straight out of the active imagination of the innocent and vulnerable Seth Garin—an autistic boy who's been exposed to and possessed by a horrific, otherworldly force of evil, one with sadistic and murderous intent and who is willing to use whatever means necessary to grow ever stronger.

**The Long Walk** Stephen King, 2016-04-19 In this #1 national bestseller, master storyteller Stephen King, writing as Richard Bachman, tells the tale of the contestants of a grueling walking competition where there can only be one winner—the one that survives. Against the wishes of his mother, sixteen-year-old Ray Garraty is about to compete in the annual grueling match of stamina and wits known as the Long Walk. One hundred boys must keep a steady pace of four miles per hour without ever stopping...with the winner being awarded "The Prize"—anything he wants for the rest of his life. But, as part of this national tournament that sweeps through a dystopian America year after year, there are some harsh rules that Garraty and ninety-nine others must adhere to in order to beat out the rest. There is no finish line—the winner is the last man standing. Contestants cannot receive any outside aid whatsoever. Slow down under the speed limit and you're given a warning. Three warnings and you're out of the game—permanently...

**Stephen King** Bev Vincent, 2022-09-13 Take an intimate tour through the life and works of Stephen King, made vivid with rare photos and ephemera from King's personal collection. Even if you are a die-hard fan, you will find something new in this beautifully packaged Stephen King reference that you will return to again and again. Timed to celebrate Stephen King's 75th birthday on September 21, 2022, *Stephen King: A Complete Exploration of His Work, Life, and Influences* reveals the inspiration behind the prolific author's brilliant works of horror through a combination of photos and documents from King's archives and an engaging account of the stories behind how his novels, novellas, short stories, and adaptations came to be. It might sound like a tall tale that Stephen King once met a bartender named Grady in an empty hotel in Colorado, or that the celebrated author helped his young daughter bury her cat in a nearby "pets sematary" after it was killed on a busy roadway. In this book, discover how King drew on these and more real personal experiences and mundane life events, then employed his extraordinary imagination to twist them into something horrific. From impoverished university student to struggling

schoolteacher to one of the best-selling—and most recognizable—authors of all time, this engrossing book reveals the evolution and influences of Stephen King's body of work over his nearly 50-year career, and how the themes of his writing reflect the changing times and events within his life. An expansion of Stephen King expert Bev Vincent's *The Stephen King Illustrated Companion*, this fully revised, redesigned, and updated book includes: A review of King's complete body of work, including *Fairy Tale*, published in September 2022. A wealth of rare memorabilia from King's own collection, including personal and professional correspondences, handwritten manuscript pages, book covers, movie stills, and never-before-seen excerpts from one of his poems and an unpublished short story. Interludes on specific topics such as real-life settings that inspired King's writing, the editor who discovered him, his life as a Boston Red Sox fan, and the many awards and honors he has received. Insightful quotes from King from interviews over the decades. Celebrate the beloved King of Horror with this informational and entertaining look inside King's most iconic titles and the culture they have created.

**Worlds Gone Awry** John J. Han, C. Clark Triplet, Ashley G. Anthony, 2018-08-22 Dystopian fiction captivates us by depicting future worlds at once eerily similar and shockingly foreign to our own. This collection of new essays presents some

of the most recent scholarship on a genre whose popularity has surged dramatically since the 1990s. Contributors explore such novels as *The Lord of the Flies*, *The Heart Goes Last*, *The Giver* and *The Strain Trilogy* as social critique, revealing how they appeal to the same impulse as utopian fiction: the desire for an idealized yet illusory society in which evil is purged and justice prevails.
