Healing is a Choice Workbook Stephen Arterburn,2005-10-08 It is God's choice to heal, when to heal, and how healing will occur. Sadly we often make choices that prevent God's healing or interfere with His timing. Millions suffer from emotional, spiritual, and even physical wounds that God may choose to heal. Ten common lies prevent individuals from making those choices that bring about healing. Jesus once asked a man who had been sick for 38 years if he wanted to be healed. This workbook asks the reader the same question and enhances understanding by providing 10 choices to make on the path toward healing. This study is based on the promise of Psalm 147:3, He heals the broken-hearted, binding up their wounds. Engage in the process of healing. Experience emotional, spiritual, and sometimes physical healing. Transform brokenness into new life mission. Identify the big lies that prevent experiencing emotional, spiritual, and even physical healing.

Healing with the Mind's Eye Michael Samuels, M.D.,2007-08-24 Dr. Michael Samuels provides us with new tools and ways of thinking about our capacity to heal. He has been a wonderful teacher for me and can be for you. . . . His work is inspiring. -Bernie Siegel, M.D. Dr. Michael Samuels is one of the leading pioneers in exploring creativity as an important part of every person's healing journey. -Dean Ornish, M.D. I was very moved by this powerful book. -Christiane Northrup, M.D., on Spirit Body Healing This remarkable book, now in paperback for the first time, can help you tap your own inner strength to enhance healing. For nearly three decades, Dr. Michael Samuels has pioneered the use of guided imagery as a way to help people boost their immune systems-and feel stronger and more in control of their lives. In *Healing with the Mind's Eye*, now revised and updated, Dr. Samuels offers you the same program of guided imagery exercises that he's used successfully in patient workshops across the country. You'll discover how to harness a variety of creative visionary techniques-reverie states, personal myths, helping figures, inner light, healing visions, healing imagery, and spiritual transformations-drawn from traditions around the world. As you progress through the exercises in the book, you'll open yourself to healing and change-and embark on your own journey toward wellness.

Healing What's Hidden Evan Owens,Jenny Owens,2022-09-06 There is hope after trauma. Some of us can recall the exact moment our lives changed forever. The horrific accident. The miscarriage. The day they walked out. The moment our innocence was taken. Others of us can't remember a time when our lives weren't marked by trauma, abuse, or neglect. What happened to you was wrong and it hurt you, but it doesn't have to define you. You may be wounded, but you're not broken. You can overcome trauma and embrace a brighter future. Over the last decade, husband and wife team Evan and Jenny Owens have helped thousands of people overcome the trials, tragedies, and traumas of their past, and in this book, they show you how you can too. With empathy and insight, *Healing What's Hidden* offers a practical, step-by-step process to help you acknowledge your trauma, heal your invisible wounds, and reclaim your future so you can live beyond the anxiety, depression, and shame trauma leaves behind. Others are already experiencing healing. Now it's your turn.

Dr. and Master Sha: Miracle Soul Healer William Gladstone,2014-09-02 What accounts for miraculous healings unexplainable by doctors? Is there a reality to spiritual healings? William Gladstone initially approached Dr. Zhi Gang Sha with some skepticism and disbelief. William believed that there was more to life than the material world, but he knew that the world has many dishonest and self-deceiving mystics. So he decided to explore. William, having studied medical anthropology at Harvard University, had met and worked with some of the greatest spiritual leaders on the planet. He was excited to explore Dr. Sha and his healing practices. William spent weeks with Dr. Sha watching him at work, talking to his students, and observing his healings. He interviewed him at length, asking for specifics and addressing difficult questions. He delved into the science behind Dr. Sha's work and explored the underlying concepts beneath these “miracle healings. What

William learned amazed him and opened his mind to possibilities he never expected. Dr. Zhi Gang Sha is a medical doctor trained in both Western medicine and traditional Chinese medicine, as well as ancient Chinese sacred energy and spiritual healing. Over the last decade, he has healed hundreds of thousands of individuals with thousands documented and available for viewing on YouTube. How does he do it? Is it the placebo effect or something much more profound? Dr. and Master Sha: Miracle Soul Healer documents the remarkable journey of a world renowned spiritual teacher and master healer who has not only demonstrated the ability to heal but also to teach people to heal themselves. Written for skeptics as well as believers, Dr. and Master Sha: Miracle Soul Healer explores the results and methodology of Dr. Sha's unique life journey and his stated life mission to serve humanity and the Divine and create a healthier and happier world. This book explores the ultimate mystery of how faith, science, and healing can change your life.
