Echo Ashlyn Mathews, “By day, you are your mother’s child. Too bad the night can’t strip you of your father’s sins. Your life would be less complicated.” Demon hunter Echo Wren lives underground out of necessity. Isolated from others, she can’t hurt them with her touch. And presumed to have died in an explosion, her solitary existence safeguards her greatest shame and secret. She’s the daughter of Vicious, the master demon responsible for murdering her mother’s kind to the brink of extinction. Betrayed and a kill order placed on her head, Echo is forced above ground and in proximity to the man hired to protect her. As her once quiet and safe life careen towards danger, Echo struggles with a different threat—her growing feelings for her sexy bodyguard and the mess of their tangled pasts. Rourke Summers blames her for his parents’ murders. Cursed by her mother’s gods. Given away by her father. Betrayed by a man from her past. Can Echo let go of past hurts and put her undeniable attraction for Rourke to the test? Or will she walk away from his scorching kisses and promise of a lifetime of his protection? The Shape Changer Keith Laumer, 2016-03-24 Lafayette O’Leary, to his acute discomfiture, has an exhilarating and

terrifying tendency to slip continua. And what might that mean? It might mean finding oneself a gypsy with a ring in his ear at one moment, and then suddenly a crippled birdman unable to leave his nest because of the awkward loss of teleporting talent. It might mean battling one's way back to the time stream where he started - only to find himself already there, lording it over the populace like a tyrant.

Free At Last L.J. Breedlove, 2025-05-27 A Reckoning Long Past Due Olivia Trainer had been assaulted, raped, abused at the hands of Elliot Bastion, one of Europe's richest and most powerful men. Cujo Brown had rescued her, but Bastion had gone unpunished for what he'd done. His time has come. It's going to take more than just the two of them. Jake Lewis, pack Second of Hat Island and a retired Marine Lt. colonel, has assembled a team of the pack's security forces to follow them in to Bastion's castle and fortress in Liechtenstein. Then communication from Olivia and Cujo stops. Now the mission has two goals: find them, stop Bastion. And then a third goal: Alpha Abby Stafford has had voices calling to her in her brain, voices she can't understand until there's one word — Liechtenstein. She's going with Jake. Abby, two infants, and three teenaged nannies, are headed into a battle that may engulf them all. Is it the smart thing to do? Probably not, Abby concedes. But she's certain she must go. Those voices need her — and she has an uncomfortable feeling she needs them. Book 12 in the Wolf Harbor series featuring Abby Stafford, Alpha of the Hat Island pack, and the people she loves most.

Free Fall Emmy Curtis, 2017-11-14 From the author of the Alpha Ops series comes an action-packed, super sexy military romance. A legend among black ops teams, Col. Duke Cameron can't wait to get back in action again--no matter how high the risk. Two of the world's best military pilots are missing after a midair collision, and he's made it his job to find out why. U.S. Air Force veteran Casey Jacobs loves working for a cutting-edge, high-tech company - until she suspects their newest design might have caused a horrible plane crash. But after a few accidents, it's clear no one wants her asking too many questions. The only person she trusts to help her is Duke, the sexy secret crush from her flying days who still turns her on like no one ever has. But someone is watching their every move, making sure they don't uncover the truth. And when the danger turns physical, it's not just their love that's on the line. It's their lives. Dangerous secrets and undeniable chemistry are the hallmarks of Curtis's steamy third Elite Ops contemporary military romantic thriller. -Publishers Weekly Very thrilling, with lots of action and lots of sex. Recommend for those who read Julie Walker. -Library Journal

A Revolt in the Steppe Jean-François Caron, 2023-03-30 This book explores the various ramifications and consequences

of the violent civil protests that affected Kazakhstan in January 2022. In this compelling study, the authors examine the underlying social and political tensions that have affected this biggest country of Central Asia, especially since its political transition of 2019 and how the state has managed to justify its actions that led to a return to peace. It also puts in perspective this event in the wider transition affecting Eurasia with the war in Ukraine and how this shift of world politics may impact Kazakhstan that required the support of Russia and the other members of the Collective Security Treaty Organization during these protests. This book will be of value for scholars, journalists and NGOs working on authoritarianism and on Central Asia.

Freedom in the World 2023 Freedom House, 2024-05-20 Freedom in the World, the Freedom House flagship survey whose findings have been published annually since 1972, is the standard-setting comparative assessment of global political rights and civil liberties. The survey ratings and narrative reports on 195 countries and fifteen territories are used by policymakers, the media, international corporations, civic activists, and human rights defenders to monitor trends in democracy and track improvements and setbacks in freedom worldwide. The Freedom in the World political rights and civil liberties ratings are determined through a multi-layered process of research and evaluation by a team of regional analysts and eminent scholars. The analysts used a broad range of sources of information, including foreign and domestic news reports, academic studies, nongovernmental organizations, think tanks, individual professional contacts, and visits to the region, in conducting their research. The methodology of the survey is derived in large measure from the Universal Declaration of Human Rights, and these standards are applied to all countries and territories, irrespective of geographical location, ethnic or religious composition, or level of economic development.
