The Hidden Knowledge of Egyptian Mythology Mary Gemming Ph.D.,2021-05-03 The Egyptian gods no longer have the power they once possessed. However, they are frozen in time in the ancient temple and myths, where their memory lingers on. And for the Egyptians, this was the fulfillment of an important goal: never to be forgotten, It is because the ancient Egyptians had something to tell us, something that was important for the human race.

Beyond Ascension Joshua David Stone,1995 This book brings forth incredible new channeled material that completely demystifies the seven levels of initiation and how to attain them. It contains revolutionary new information on how to anchor and open our thirty-six chakras and how to build our light quotient at a rate of speed never dreamed possible. The book

includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension. The map also charts the course for full cosmic ascension through the seven cosmic planes and forty-eight dimensions of reality back to the Godhead and undifferentiated Source.

A New Order of the Ages Collin Robert Bowling, 2011-11-15 For millennia, the human race has been controlled and manipulated by forces beyond our own dimension or awareness. A carefully managed human/extra-dimensional breeding program has produced a hybrid slave race that isn't aware of its true origins or fate. Few know that these shadow puppeteers are actually in control that they even exist. They are not human but then again, neither are we. As the epic battle of consciousness expands into the outer dimensions, we know that one thing is for certain: When the Liberty Bell rings once again, their empire will be reduced to a heap of ashes. There will be an army of forces, backed by the highest of forces in the heavens, which will conduct this re-awakening of the masses. This story recounts the takeover of planet Earth by the Snake of Zion and shares everything you need to know to be truly free. The battleground is within each of us, and our captors are but a reflection of humanity. Unless we change ourselves, how will the reflection be changed? Hopefully, after this enduring encounter deep into the rabbit hole, you will realize how this reality has been manipulated by forces in the fourth dimension. In order to succeed, we must propel ourselves through the heart chakra and into the fifth dimension, where the beloved Terra will find the peace and dignity that she deserves. The fate of the world hangs in the balance. All we have to do now is make a choice.

Hidden Mysteries Joshua D. Stone, 1995 The Essenes, the Kahunas of Hawaii, Pan and the nature kingdom, the angelic kingdom, the Vedas and Upanishads, the Kabbalah, the Yoga sutras of Patanjali, the Egyptian mysteries, and The Keys of Enoch ... These profound spiritual teachings, unknown to so many on our planet, are a valuable resource to anyone wishing to move further along the path to enlightenment and ascension. This book contains a wealth of information on esoteric teachings, from the ancient mystery schools to the recently founded religions. More than a mere retelling of well-known facts, the story begins with what may be the most elusive knowledge of our time --that of the extraterrestrial presence on Earth.

Texe Marrs Book of New Age Cults & Religions Texe W. Marrs, 1990 Across America and the world dangerous New Age cults and religious groups are growing in strength and numbers. Here is the authoritative guide to the New Age cults and religions infecting and threatening our society. The Return of Planet-X Jaysen Q. Rand, 2007 The Return of Planet-X is an educational, informational source examining all aspects of this controversial subject including the record of X's Ancient Science of Prophecy, its Phantom Astronomy, Forbidden Archaeology and the Signs Of Its Approach. This book examines the history and prophecy of Earth's many cultures

throughout the millennia and their voluminous references to the reality of X's periodic passages. The most current hypothesis used to examine X's next return through the solar system centers around the fact that X's extended orbit (approximately every 3,600 years -- first passing through the solar system then back out again), suggests that its 'destructive cycle' occurs in two phases. The 'first phase' begins with X's initial pass-through in 2009 separated by three years until its 'second phase.' This passage marks X's return leg back into deep space beginning again its 3,600-year-long trek through the heavens. X's last return visit through the solar system most likely coincided with the Hebrew's exodus from Egypt estimated around 1447 BC -- roughly 3,459 years ago. Did God somehow come to Moses' aid by staging a cosmic event that no one today understands? The Mayan Celestial Calendar Codex inexplicably ends 21 December 2012. According to ancient Mayan cosmology, 'time' as we know it on Earth will reach its climax on that date. Written across the scroll of time and space, the author believes Planet-X will first return in 2009 and again in 2012.
