Notes and Queries, 1893

CTRL HATE DELETE Cécile Simmons, 2025-03-18 How did Johnny Depp and Amber Heard's divorce become the centre of the anti-#MeToo backlash? Why have so many teen boys fallen under the thrall of Andrew Tate, a failed reality show contestant? And why are a growing number of influencers like #tradwives dressing up like 1950s housewives and preaching total subservience to men? In the years since #MeToo - the largest social media facilitated feminist campaign in history - Roe v. Wade has been overturned in the United States, there have been attacks on reproductive rights in multiple countries and female political leaders have withdrawn from the world stage citing the level of abuse they get as a reason. CTRL, HATE, DELETE takes a deep dive into how a collection of misogynists and their allies have turned male supremacist ideology from a niche set of beliefs into a mainstream movement. With interviews from experts, influencers and activists, it outlines how to fight the rising tide of online misogyny and make online spaces more equal and inclusive.

Notes and Queries: a Medium of Inter-communication for Literary Men, Artists, Antiquaries, Genealogists, Etc, 1894

The Source Loretto Dennis Szucs, Sandra Hargreaves Luebking, 2006 Genealogists and other historical researchers have valued the first two editions of this work, often referred to as the genealogist's bible. The new edition continues that tradition. Intended as a handbook and a guide to selecting, locating, and using appropriate primary and secondary resources,

The Source also functions as an instructional tool for novice genealogists and a refresher course for experienced researchers. More than 30 experts in this field--genealogists, historians, librarians, and archivists--prepared the 20 signed chapters, which are well written, easy to read, and include many helpful hints for getting the most out of whatever information is acquired. Each chapter ends with an extensive bibliography and is further enriched by tables, black-and-white illustrations, and examples of documents. Eight appendixes include the expected contact information for groups and institutions that persons studying genealogy and history need to find.
