The Mariverse: Guardians Jay Miles, 2023-06-23 "One step out of the bus is all it takes to change fate." Are you willing to step out of the bus? A young boy named Mason lived a terrible life, recovering from a terrible incident that cost him an arm, he travelled by bus back home, fearing for his future and his purpose in life, believing he has nothing. Until he encounters a mysterious figure, who shows him a different path. A new purpose, to defend the balance of good and bad in existence. Mason goes down this path to become a new Typer, a Guardian. This book is a continuation of The Mariverse, expanding the theory and showing more of how Jay sees existence... Don't forget me! The FWM. I have an amazing, meaningful story in this book! And while it has nothing to do with the main story of this book, there is some form of connection, trust me, you won't be disappointed!

Awakening to Spirit Dr Juliette Lachemeier, 2016-08-04 Despite unprecedented advances in technology, education, economic growth and material wealth, experience is showing that we have never been so stressed, paranoid and disconnected from God, nature and life's greater meaning. Awakening to Spirit, a doctoral research project, delivers scientifically substantiated spiritual practices suited to our present-day culture and demands. These practices can be used to awaken minds to a more transpersonal awareness of life and the nature of consciousness. Dr Lachemeier's research aim was to make valuable transpersonal practices more accessible to the everyday person in Western societies, rather than those with the luxury of indulging in monastic or ashram settings. The resulting research detailed in this work is an informative read for anyone interested in furthering their understanding of the nature of consciousness, and reconnecting to the divine source of all awareness.
