

Astolfo Sulla Luna Pdf

Giulia Iannuzzi

Distopie, viaggi spaziali, allucinazioni Giulia Iannuzzi, 2016-06-07T00:00:00+02:00 Questo saggio ripercorre la storia della fantascienza italiana contemporanea attraverso l'opera di quattro autori. La versatilità della penna di Lino Aldani, il raffinato eco-centrismo della poetessa e narratrice Gilda Musa, le sperimentazioni ballardiane di Vittorio Curtoni, l'immaginazione tecno-scientifica di Vittorio Catani, esemplificano il vivace panorama della narrativa fantascientifica scritta in lingua italiana tra anni Sessanta e Duemila. Con maggiore o minore carica avventurosa, verosimiglianza scientifica, profondità introspettiva, ricerca di originalità formale, la fantascienza italiana ha saputo rivolgersi, di volta in volta, a un pubblico generalista o appassionato del genere, per proporre un intrattenimento di qualità o riflessioni sui grandi temi della modernità industriale e post-industriale. Esiti diversi sono incarnati nei percorsi dei quattro scrittori cui è dedicato questo studio, assieme agli stretti legami che intercorrono tra la creatività di ciascun autore, il panorama editoriale, i modelli letterari stranieri. Un ampio capitolo introduttivo disegna lo sfondo della storia della fantascienza in Italia: autori, editoria e fandom, tra alti e bassi del mercato, rapporti con gli altri media, intuizioni e diffidenze della critica letteraria.

Fantascienza italiana Giulia Iannuzzi, 2017-11-13T00:00:00+01:00 Una storia della fantascienza italiana attraverso le principali testate periodiche. «I Romanzi di Urania», «I Romanzi del Cosmo», «Oltre il Cielo», «Galaxy» e «Galassia», «Futuro» e «Robot» sono i laboratori che, tra gli anni Cinquanta e Settanta, hanno proposto la fantascienza come un genere riconoscibile e declinato in molti modi differenti. Sono queste le sedi in cui hanno trovato posto e si sono sviluppate le traduzioni della fantascienza angloamericana, i primi autori italiani, la critica e i dibattiti attorno al genere. Lo studio ripercorre la storia di queste pubblicazioni e dei protagonisti che ne hanno popolato le pagine, per ricostruire, tra avventure spaziali e raffinate distopie urbane, riuso e invenzione, l'alba di una fantascienza scritta in lingua italiana.
