

Behold The Pale White Horse

Milton Cooper

Behold! a Pale Horse Milton Cooper, 2018-05-02 William Cooper turned out to be right; and that's all we have to say about his self-published Book. Let's keep copies of this treatise for our grandchildren and their children, so the spectre of corruption and perfidy that we the late 20th century generation experienced, will never occur again in seven generations.

Behold a Pale Horse William Cooper, 2012-04-11 Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to talk due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been talking, he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. Bill Cooper is the world's leading expert on UFOs. -- Billy Goodman, KVEG, Las Vegas. The only man in America who has all the pieces to the puzzle that has troubled so many for so long. -- Anthony Hilder, Radio Free America William Cooper may be one of America's greatest heroes, and this story may be the biggest story in the history of the world. -- Mills Crenshaw, KTALK, Salt Lake City. Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands. -- William Cooper, October 24, 1989.

The Apocalypse Explained According to the Spiritual Sense Emanuel Swedenborg,1892

Die with a Little Dignity Leroy Mathis,2011-08-25 A cautionary tale about Harlem. The only place in the world , that banker and vagabond live side by side. This book entails many back stories. The main theme is about a white woman who overcomes the dreaded endurance of abuse; a paramount violation from a maniac. It questions the act of being religious, freindship without sexuality, gentrification, and a trip to the celestial.

Hating God Bernard Schweizer,2010-11-04 Bernard Schweizer explores a hitherto neglected strain of religious rebellion. Misotheism, or hatred of God, is more radical than atheism. God-haters do not question God's existence, but instead deny his competence and goodness. Sifting through centuries of evidence and uncovering fascinating networks of influences among writers and thinkers as diverse as Friedrich Nietzsche, Zora Neale Hurston, and Philip Pullman. Schweizer reveals deep undercurrents of misotheism in many acclaimed works of literature and philosophy.
