Barbarian's Touch Ruby Dixon, 2024-01-02 The next novel in the Ice Planet Barbarians series, an international publishing phenomenon—now in a special print edition with a bonus new epilogue! Lila has never been more frightened in her life, but when Rokaan appears, everything changes. When I wake up on the ice planet, I'm scared of everything: This place is cold, silent, and the locals look more like blue devils than aliens. To make matters worse, one of the strangers decides I'm going to be his girlfriend and kidnaps me away from my sister. I'm completely and utterly alone. What's a girl to do? Well, this girl escapes. Of course, that means I go from the frying pan into the fire, and my situation gets even more dangerous. Just when I have no hope left, a new hero shows up. Sure, he's blue, horned, and has a tail. He's also fierce, protective, makes me purr...and thinks I'm perfect. But is what we have real or just a mating instinct?

Barbarian's Hope Ruby Dixon, 2025-04-29 The next novel in the Ice Planet Barbarians series, an international publishing phenomenon—now in a special print edition with bonus material! Asha and Hemalo's relationship has never been easy, for there is just as much hurt between them as there is love. Will they find their way back to each other, or will they let tragedy keep them separated for good? Seasons ago, I resonated to the quietest of tribesmates, a male content to love me from afar while I was the center of attention. We could have been happy. Despite our differences, I loved him and he loved me. But then a terrible thing happened...and my world was never the same again. Now resonance is giving us a second chance, but...I'm afraid. What if our bond is too broken to be fixed? What if there's no hope left for us at all?

Barbarian Lover Ruby Dixon, 2022-07-12 The third novel in the Ice Planet Barbarians series, an international publishing phenomenon—now in a special print edition with bonus materials and an exclusive epilogue! Kira plans on remaining single on this alien planet—she doesn't want a mate anyway. At least, that's what she tells herself. But when Aehako comes along, everything changes. . . . As one of the humans stranded on the ice planet, I should be happy that I have a new home. Human women are treasured here, and one alien in particular has made it clear that he's interested in me. It's hard to push away the sexy, flirtatious Aehako when I long to grab him by his horns and insist he take me to his furs. But I've got a terrible secret—a few of them, actually. I'm convinced that Aehako can never love me if he knows the full truth. More worryingly, the aliens who abducted me are back, and thanks to the translator in my ear, they can find me. My presence here endangers everyone . . . but can I give up my new life and the man I desire more than anything? And will he even want me if he knows

my secrets?

Barbarian's Heart Ruby Dixon, 2025-01-28 The next novel in the Ice Planet Barbarians series, an international publishing phenomenon—now in a special print edition with a bonus novella! The unthinkable happens when a devastating accident causes Pashov to forget his mate, but Stacy will do whatever it takes to make her family whole again. . . . The first time I laid eyes on Pashov, we resonated. I was happy and in love, and we were raising a beautiful child together. All of that was torn apart when the world shook. My mate nearly died. He woke up from his coma . . . but he can't remember me. Or our son. Every memory of the past two years is gone. And that changes everything between us. How can I love someone who doesn't remember me? How can I not when I know he's still my mate underneath it all?

Barbarian's Taming Ruby Dixon, 2024-05-28 The next novel in the Ice Planet Barbarians series, an international publishing phenomenon—now in a special print edition with an exclusive bonus epilogue! There are a million reasons why Hassen and Maddie shouldn't work, but despite it all, they find themselves unable to resist each other... As a newcomer to the alien tribe, I've struggled to find my place. It might be because I'm a tad headstrong at times. And yes, I might have thrown a few things at people's heads. But I had a good reason to pitch a fit—my shy sister was stolen away right under my nose. Of course, now she's back and mated. Everyone's happy...except me. I need...affection. Attention. Okay, I'm lonely. Really lonely. Strangely enough, the only person that I think understands what I'm going through is the same blue-skinned brute that stole my sister. It's wrong to hook up with him, even as a mindless fling. Except...I'm not so good with the whole rules thing. And he's not so great with the fling thing. But maybe there's a chance for us.

History of Worcester County, Massachusetts Ellery Bicknell Crane, 1924

Barbarian's Mate Ruby Dixon, 2023-07-11 The next novel in the international publishing phenomenon the Ice Planet Barbarians series, now in a special print edition with a bonus novella! Josie has always dreamed of finding The One, but the hunter chosen for her is nothing like what she expected (or wanted)—but he might be exactly what she needs. “Resonance” is supposed to be a dream—that's when your soulmate is chosen for you. And every woman on the ice planet has hooked up with a big, hunky soulmate of their own—except me. So do I want a mate? Heck yeah. More than anything, all I've ever wanted is to be loved by someone. But the soulmate chosen for me? My least favorite person on the darn ice planet. Haeden's the most cranky, disapproving, unpleasant, overbearing male alien . . . so why is it that my body sings when he gets close? Why is he working so hard to prove to me that he's not as awful as I think he is? I hate him . . . don't I?

Barbarian Mine Ruby Dixon, 2015-11-10 The ice planet has given me a second lease on life, so I'm thrilled to be here. Sure, there's no cheeseburgers, but I'm healthy and ready to be a productive member of the small tribe. What I didn't anticipate? That there'd be a savage stranger waiting nearby, watching me. And when he takes me captive, the unthinkable happens...I resonate to him. Resonance means mating, and children...but I don't know if this guy's ever been around anyone

before. He's truly a barbarian in all ways, right down to clubbing me over the head and claiming me as his own. So why is it that I crave his touch and hunger for more?

Barbarian Alien Ruby Dixon, 2022-01-25 The second novel in the Ice Planet Barbarians series, the international publishing phenomenon—now in a special print edition with bonus materials and an exclusive epilogue! Liz Cramer swears she'll find a way off of this alien planet she's stuck on—then she meets Raahosh, the surliest and stubbornest alien, who won't leave her alone, and she just might be okay with that... Twelve humans are left stranded on a wintry alien planet. I'm one of them. Yay, me. In order to survive, we have to take on a symbiont that wants to rewire our bodies to live in this brutal place. I like to call it a "cootie." And my cootie's a jerk, because it also thinks I'm the mate to the biggest, grumpiest alien of the bunch. Raahosh believes the cootie's right, so he steals me away from the group, determined to make me fall for him—or else. He has no idea who he's up against. And if I didn't want his insufferable self so much (thanks, cootie), I'd let him know exactly what I'm thinking. As it is, I'm doing my best to fight this instant attraction. Just because the symbiont thinks we're supposed to be together doesn't mean I have to go along with it. And if we fool around a little, it's merely biology. It doesn't mean I'm in love—or that I'm destined to be his.

The Journal of the Worcester Polytechnic Institute Worcester Polytechnic Institute, 1909

A History of Chings Dale Ching, Evelyn Jonescu, 1993 William Ching (d. 1791) of Woolfardisworthy, Devonshire, England was married to Mary of Bradworthy. They had eight children. Their great grandson William Ching (1819) immigrated with his wife Mary Ann Walter to Upper Canada in the 1850s, possibly settling in Ontario. They had seven children. Descendants live throughout Canada and the United States.

Russell County, Virginia Marriages, 1923-1935 Randy F. McNew Crouse, 2015-02-20 In Author Spotlight page (link above), look under About to find additional Discount Code. A transcription of all information in the Russell County, Virginia Marriage register for the period. A total of 2,746 marriages including some 19,000 individuals were transcribed beginning in 1923 and ending in 1935. Separate groom and bride indices, sorted by surname, are provided. The register contains the names of the parents, ages, birthplaces, marital condition, and residences of the parties and the groom's occupation. Marriage and Occupational statistics are compiled for each year and summarized in tables and graphs. All entries were checked and rechecked using primary sources. This book will be of interest to those tracing family history in Russell County, Virginia, sociologists, demographers and students of depression era Central Appalachia. Includes photos of some of the couples whose marriages are listed here.

Bull Moon Rising Ruby Dixon,2024-10-15 AN INSTANT NEW YORK TIMES BESTSELLER The special first edition hardcover will include a gorgeous, shimmering jacket with effects, brilliantly illustrated four-color endpapers, striking and detailed-stained edges, and a beautiful foil-stamped case. In a world of magical artifacts and fantastical beings, a woman determined to save her family joins forces with an unlikely partner—a minotaur—in this steamy romantasy by USA Today bestselling author Ruby Dixon. As a Holder's daughter, Aspeth Honori knows the importance of magical artifacts . . . which is why it's a disaster that her father has gambled all theirs away. Now that her family is in danger of losing their hold—and their heads—if anyone finds out the truth, Aspeth decides to do something about it. She'll join the Royal Artifactual Guild and the adventurers who explore ancient underground ruins to retrieve the coveted arcane items. It's a great plan—with one big problem. The guild won't let her train because she's a woman. Aspeth needs a chaperone of some kind. The best way to get around this problem? Marry someone who will let her become an apprentice. Who better than a surly guild member who requires a favor of his own? He's a minotaur (it's fine) who is her teacher (also fine) . . . and he's about to go into rut (which is where it gets tricky). He also has no idea she's a noble (oops), and he'll want nothing to do with her if he discovers her real identity. Now Aspeth just has to pass the guild tests, thwart a fortune hunter, and save her hold—oh, and survive a rut with her monstrous, horned husband, whom she might be falling in love with. It's time to dig deep. Literally.

Ice Planet Barbarians Ruby Dixon,2021-11-30 The international publishing phenomenon Ice Planet Barbarians, now in a special print edition! Fall in love with the out-of-this-world romance between Georgie Carruthers, a human woman, and Vektal, an alien from another planet, in this expanded edition with bonus materials and an exclusive epilogue—in print only! You'd think being abducted by aliens would be the worst thing that could happen to me. And you'd be wrong. Because now the aliens are having ship trouble, and they've left their cargo of human women—including me—on an ice planet. We're not equipped for life in this desolate winter wasteland. Since I'm the unofficial leader, I head out into the snow to look for help. I find help all right. A big blue horned alien introduces himself in a rather . . . startling way. Vektal says that I'm his mate, his chosen female—and that the reason his chest is purring is because of my presence. He'll help me and my people survive, but this poses a new problem. If Vektal helps us survive, I'm not sure he's going to want to let me go.
