The Emotion Code Dr. Bradley Nelson, 2019-05-07 I believe that the discoveries in this book can change our understanding of how we store emotional experiences and in so doing, change our lives. The Emotion Code has already changed many lives around the world, and it is my hope that millions more will be led to use this simple tool to heal themselves and their loved ones.—Tony Robbins In this newly revised and expanded edition of *The Emotion Code*, renowned holistic physician and lecturer Dr. Bradley Nelson skillfully lays bare the inner workings of the subconscious mind. He reveals how emotionally-charged events from your past can still be haunting you in the form of trapped emotions—emotional energies that literally inhabit your body. These trapped emotions can fester in your life and body, creating pain, malfunction, and eventual disease. They can also extract a heavy mental and emotional toll on you, impacting how you think, the choices that you make, and the level of success and abundance you are able to achieve. Perhaps most damaging of all, trapped emotional energies can gather around your heart, cutting off your ability to give and receive love. The Emotion Code is a powerful and simple way to rid yourself of this unseen baggage. Dr. Nelson's method gives you the tools to identify and release the trapped emotions in your life, eliminating your “emotional baggage,” and opening your heart and body to the positive energies of the world. Filled with real-world examples from many years of clinical practice, *The Emotion Code* is a distinct and authoritative work that has become a classic on self-healing.

The Heart Code Dr. Bradley Nelson, Jean Nelson, 2025-12-02 Use Dr. Bradley Nelson's bestselling Body Code techniques to remove the emotional walls around your heart Honing in on the central concept of his runaway bestseller, *The Emotion Code*, Dr. Nelson presents an expanded, deeper look at Heart-Walls in his next book, *The Heart Code*. All of us, Dr. Nelson realized, have walls around our hearts—emotional barriers that prevent us from fulfilling our potential and finding our true purpose. Based on the tens of thousands of stories that readers and patients shared with Dr. Nelson, *The Heart Code* offers an in-depth exploration into the mechanisms of Heart-Walls and practical guidance toward ultimately breaking down these barriers around our hearts. Readers will gain the tools necessary to identify and release these emotional walls that prevent us from experiencing true fulfillment in every aspect of our lives: physical, emotional, spiritual, financial, and romantic. With a compassionate, empowering, and prescriptive approach, *The Heart Code* takes readers on a journey of self-discovery and healing, helping unlock the full potential of your heart and live life with greater authenticity, joy, and abundance.

The Body Code Dr. Bradley Nelson, 2023-02-21 A powerful new approach to natural, intuitive whole-body healing. The Body Code is a truly revolutionary method of holistic healing. Dr. Bradley Nelson, a globally renowned expert in bioenergetic medicine, has spent decades teaching his powerful self-healing method and training practitioners around the globe, but this is the first time his system of healing will be available to the general public in the form of The Body Code. The Body Code is based on the simple premise that the body is self-healing and knows what it needs in order to thrive and flourish. The Body Code method allows readers to tap into this inner knowing, and find imbalances in 6 key areas—Energies, Circuits and Systems, Toxicity, Nutrition and Lifestyle, Misalignments, and Pathogens—that are the root causes of our physical, mental and emotional issues. By identifying and releasing these imbalances, readers become empowered to activate their body's innate healing power. Featuring a foreword from George Noory, host of Coast to Coast AM, and filled with powerful first-hand accounts of healing, hundreds of color illustrations, and concrete, actionable steps, The Body Code is a road map to healing based in deep study of the human body, time-proven ancient practices, and the unlimited power of the subconscious mind.

Pioneering Spirit Jeanine Brownrigg, 2020-12-17 *Pioneering Spirit* is true-life story about transformation, self-development and healing, showing how our past may hold the key to understanding and healing our present day life experiences. It began as a memoir of the author's mother, Joan Brownrigg, a gifted and highly respected natural healer who asked her to write her life story. Writing about her parents and grandparents, the author connected with her pioneering ancestors who had left England, Scotland and Ireland to migrate to New Zealand and Argentina at the end of the 19th and early 20th centuries. She uncovered generational patterns and emotional trauma of separation and heartbreak from leaving their homelands and became aware these were affecting her own life. Inspired by her mother's healing ability, she developed her gift as a healer and trained in Colour and Energy Healing which took her on an inner journey to release the emotional wounds of her past and help heal the ancestral timeline.
