Umstrittene Katholizität: Von der zwiespältigen Beziehung zwischen Vielfalt und Einheit - Catholicity under Pressure: The Ambiguous Relationship between Diversity and Unity Dagmar Heller, Péter Szentpétery, 2016-04-02 Das Attribut katholisch wird in vielen Kontexten als Konfessionsbezeichnung einer bestimmten Kirche missverstanden. Die in diesem Band vorgelegten Vorträge der 18. Wissenschaftlichen Konsultation der Societas Oecumenica beleuchten die ökumenische Bedeutung der Katholizität die alle Kirchen im Glaubensbekenntnis bekennen. Dabei werden auch die Spannungen zwischen Einheit und Vielfalt sowie die Herausforderungen durch neuere Entwicklungen in der weltweiten Christenheit in den Blick genommen. In many contexts the attribute catholic is misunderstood as a confessional term describing one specific church.

The papers of the 18th Academic Consultation of Societas Oecumenica presented in this book give insights to the ecumenical significance of the catholicity, which all churches confess in the Creed. They also take into consideration the tensions between unity and diversity as well as the challenges by new developments in worldwide Christianity.

The Oxford History of Protestant Dissenting Traditions, Volume V Mark P. Hutchinson, 2018-10-17 The five-volume Oxford History of Protestant Dissenting Traditions series is governed by a motif of migration ('out-of-England'). It first traces organized church traditions that arose in Britain and Ireland as Dissenters distanced themselves from a state church defined by diocesan episcopacy, the Book of Common Prayer, the Thirty-Nine Articles, and Royal Supremacy, but then follows those traditions as they spread beyond Britain and Ireland--and also analyses newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent. Secondly, it does the same for the doctrines, church practices, stances toward state and society, attitudes toward Scripture, and characteristic patterns of organization that also originated in earlier British and Irish dissent, but that have often defined a trajectory of influence independent of ecclesiastical organizations. The Oxford History of Protestant Dissenting Traditions, Volume V follows the spatial, cultural, and intellectual changes in dissenting identity and practice in the twentieth century, as these once European traditions globalized. While in Europe dissent was often against the religious state, dissent in a globalizing world could redefine itself against colonialism or other secular and religious monopolies. The contributors trace the encounters of dissenting Protestant traditions with modernity and globalization; changing imperial politics; challenges to biblical, denominational, and pastoral authority; local cultures and languages; and some of the century's major themes, such as race and gender, new technologies, and organizational change. In so doing, they identify a vast array of local and globalizing illustrations which will enliven conversations about the role of religion, and in particular Christianity.

Fourth Dimensional Living in a Third Dimensional World David Cho, 2007-01-15 Life in a Higher Dimension Dr. David Yong-Gi Cho is the pastor of the world's largest church and a best-selling author. Many of his books talk about life in the

Fourth Dimension--a realm that is more real than the physical world in which we live. He points out that the world we know was fashioned in the invisible Fourth Dimension--the spiritual realm--and the things we see are only temporary; whereas, spiritual things are eternal. In light of this, he wants each of us to gain entrance to the Fourth Dimension, the place where the God of might and miracles lives and moves. How do we move from this sphere into the Fourth Dimension? Dr. Cho provides a road map for us by showing us the things we need to change in order to get there and live there: We must change the way we think We must live by faith, not by sight We must dream God's dreams We must change the way we speak We must change the way we behave Yes, these are the keys that open the door to the Fourth Dimension for every child of God who wants to know and experience God in all His fullness. As you read this book, you will gain glimpses into the spiritual dimension, a wonderful place of love, peace, and joy, and you will be inspired to go there and stay there. Though you are in the world, you do not have to be of the world. By faith we understand that the worlds were prepared by the word of God, so that what is seen was not made out of things which are visible (Hebrews 11:3 NKJV).
