Life Is a Verb Patti Digh, 2008-08-26 In October 2003, Patti Digh's stepfather was diagnosed with lung cancer. He died 37 days later. The timeframe made an impression on her. What emerged was a commitment to ask herself every morning: What would I be doing today if I had only 37 days left to live? The answers changed her life and led to this new kind of book. Part meditation, part how-to guide, part memoir, Life is a Verb is all heart. Within these pages—enhanced by original artwork and wide, inviting margins ready to be written in—Digh identifies six core practices to jump-start a meaningful life: Say Yes, Trust Yourself, Slow Down, Be Generous, Speak Up, and Love More. Within this framework she supplies 37 edgy, funny, and literary life stories, each followed by a “do it now” 10-minute exercise as well as a practice to try for 37 days—and perhaps the rest of your life.

Creative Is a Verb Patti Digh, 2010-10-19 A guidebook for all who call themselves artists and those who need permission to re-insert creativity into their lives.

Life Is a Verb DeAnna LoCoco, 2008-12-18 “My work, my living, and my sharing come out of a wonderfully active soon to be, seven decades. I have had many successful life roles and my small, human self would note numerous hurdles vaulted, but remaining in each evolving moment consciously, my Higher Self has a different perspective. Living, like lines of a poem is energy in motion. Thoughts Come and Good Grief are poems describing that energy moving through processes of possibility. It's a matter of trusting the systems theory of the whole of everything, and being a conscious, whole and integral part of that Everything, which then promotes reverence for all of Life Itself”. Let us let energy transform as we move in its flow!

Mounce's Complete Expository Dictionary of Old and New Testament Words William D. Mounce,2009-12-15 For years, Vine's Expository Dictionary has been the standard word study tool for pastors and laypeople, selling millions of copies. But sixty-plus years of scholarship have shed extensive new light on the use of biblical Greek and Hebrew, creating the need for a new, more accurate, more thorough dictionary of Bible words. William Mounce, whose Greek grammar has been used by more than 100,000 college and seminary students, is the editor of this new dictionary, which will become the layperson's gold standard for biblical word studies. Mounce's is ideal for the reader with limited or no knowledge of Greek or Hebrew who wants greater insight into the meanings of biblical words to enhance Bible study. It is also the perfect reference for busy pastors needing to quickly get at the heart of a word's meaning without wading through more technical studies. What makes Mounce's superior to Vine's? The most accurate, in-depth definitions based on the best of modern evangelical scholarship Both Greek and Hebrew words are found under each English entry (Vine's separates them) Employs both Strong's and G/K numbering systems (Vine's only uses Strong's) Mounce's accuracy is endorsed by leading scholars
