*Hotwife Collection Volume Two* Kelly Fox, 2021-12-20 This bundle of steamy hotwife tales includes: Hotwife at the Festival For all her life, Kaitlyn has lived a sheltered, safe life. And now, on the night of her 30th birthday, she is looking back with horror at how utterly boring her life has been. Never one to stay down for long, Kaitlyn has decided that it's never too late to change - and so she is going to try something new with her life. With her husband Dan's help, she decides on going to a nearby music festival. She never expected, of course, to see naked women dancing in the open, or the couples and groups making love around the edges of the venue. After a life of being a good girl, Kaitlyn is caught up in this atmosphere, and after meeting a group of nice young men far more experienced than her, she's ready to really take a risk - opening her legs up in public for several strangers, right in front of her husband. What will happen when this good girl turns into a festival slut? The Hotwife Maid Kim loves everything about her life being married to professional hockey player Eric Albert. He's sweet and loving and dotes on her whenever possible. There's only one time in their normally blissful married life when she can't stand him. Every month, Eric and three of his friends who all retired from the sport at the same time meet up for a weekend of beer, hockey games on TV, and manly conversation. The four of them all happen to be slobes, and as the hostess to these

affairs, Kim is always left playing the maid. One day, an idea hits her - if these men are going to treat her like a maid, she might as well dress the part and get all the benefits a sexy little maid deserves. Wearing the skimpiest outfit the internet offers, Kim is going to surprise her husband and his hot athlete buddies with a display that will leave them shocked. How will Eric react when his wife is parading around in front of his friends as the ultimate sexual fantasy? Kim can't wait to find out. Hotwife at the Reunion It's Matt's tenth high school reunion, and he's eager to return to Lockfield High to show all his bullies that sometimes the nerd really does get the head cheerleader. Walking into the gym with Niki on his arm is enough to have the whole place staring at him. Even the group of jocks that bullied him back then couldn't keep their eyes off him and Niki. Something unexpected happens, though - his four previous bullies approach him and apologize for their behavior. With the past behind them, new opportunities open up. Matt sees the way the four jocks stare at Niki - a woman who chose the nerd over them. Matt is feeling generous, and Niki could be the one to benefit from these new feelings. But can Matt really watch as the men who bullied him in high school have their way with his beautiful wife in an empty classroom?
