**Padhraic Smyth**

**Where'd He Get That?** Margo Ruark,2010-06-04 With foreword by Rev. Dr. Jane Claypool ...A monumental achievement. Every minister in the field will want to have and use a copy right now! The definitive cross reference between The Science of Mind by Ernest Holmes and the Holy Bible. With over 750 references to Bible verses, this reference is a must have for ministers, translators, and teachers. Completely revised and updated to include other source references! Compliments existing material on the Allegorical Bible, Rescuing the Bible from Fundamentalism and all entry level classes with the textbook.

*Releasing the Prophetic Destiny of a Nation [Second Edition]* Dutch Sheets,2024-07-02 How You Pray—or Don't Pray—Today Impacts Generations to Come What words do you speak over America? As you see evil glorified both in the media and in the lives around you, do despair and pessimism rise in your heart? Or do holy expectancy and anticipation? Despite the staggering moral freefall and societal chaos heralded from the highest offices and courts in our land, there is a higher Court yet—and it is decreeing a divine design for America. Which court do your prayers align with? In this dynamic and deeply prophetic hands-on prayer manual, bestselling authors and frontline prophetic voices Dutch Sheets, Chuck Pierce, and Tim Sheets shift your concern for our country into prevailing prayers and Heaven-sent declarations that break our nation's strongholds, shift the spiritual balances of power, and reshape the course of America's destiny. With timely, supernatural insight and immediate practical application, this landmark book equips you with a prophetic blueprint for victory—including strategic prayers, prophetic words, and revelatory teaching for each of the 50 states—and empowers you to: Target your prayers for maximum effect. Purge the land of generational sin and strongholds. Overthrow the principalities and powers entrenched in every state. Boldly declare what Heaven says about your state and nation. And more! The days ahead are destined for awakening and glory, not doom and gloom. It's time to arise and declare what Heaven has decreed—and to once again become one nation under God.

*Dreams and Visions: Volume 1: the Expressed, Inspired, Secret, Revelations: of God:* Christopher Covington,2014-06-17 Author Christopher Covington reveals the apostolic and prophetic realm of dreams and visions in this timely book. The introduction to dreams and visions opens up the mind on what they mean. The mystery of iniquity being revealed by the spirit of God in these last days; that shall empower the remnant to take the kingdom by force.

### **A Wise Woman: A Wise Woman Builds Her House By a FOOL Who First Built on Sinking Sand** Erin

Thiele, 2025-07-04 Is your life built on the Rock or on Sinking Sand? Since founding Restore Ministries International, an online ministry for women, Erin Thiele has touched the hearts of thousands of women around the world. Her love for the Lord, and her dedication to follow the uncompromised Word of God, is evident to all who have read her books, have met her, or have known her personally. Where have you built your life? Jesus told us that only the lives built on Him, the Rock, will stand when the rains come, not if they come in the form of a sickness or death in your family, financial troubles, or your husband leaving you. It is our hope that you, through reading this book, will choose to put away the ways of the world and come to know the Lord in a more intimate way by seeking and trusting Him alone in every aspect of your life. Where have you built your life? Before rebuilding, you must have good blueprints. Your blueprints must be His Word, which you will find in this book—always read the Scriptures, never skip them. Next, you must find the Cornerstone that everything will be built on. Our Cornerstone is taking Jesus as your Lord, not just your Savior, then to go beyond joy as you become His beautiful bride. With a renewed mind, the Lord's blueprint, and Him by your side, you will then be able to rebuild your life instead of foolishly building it on sinking sand. Those of you who are sitting amidst rubble because your house has fallen (through infidelity or divorce) really have the advantage. You are motivated to begin to rebuild your life. This is where I was when I first began writing the book for women. It was painful for me, but it was worth every tear I ever cried! “A Wise Woman workbook—so much help and hope!” Michelle in Wisconsin “I found this book thoroughly amazing because I finally got to see the mistakes I was making. This book is a must for every woman after the Restore Your Marriage book. Praise God I am now restored AFTER our divorce!” Hilary in South Africa “I recommend this book to anyone who is married or who ever wants to be married. It helped me learn how to be a godly wife. So many of the principles can be applied to all of our relationships, not just our marriage. The biblical principles in it were new to me because I had been so diluted by the ways of the world.” Stephanie in Kansas

**Activate the Power Now!** Richard C. Gayle, 2019-07-19 “If you want to know how to activate the power that resides within us as believers, this book is a must-read. As the author, Richard C. Gayle, takes us on a comprehensive journey to discover how to access and activate the power and authority given to us as sons of God, spiritual insights are unveiled to provide the reader with effective strategies to live a fulfilled and victorious life in Christ. In the book, the author's life experiences are coupled with divine revelations to make biblical practices applicable to our daily lives. If you want to live a bountiful and boundless life, get your copy today” (Niesha Keemer, MAR, Med, EdD). “This is a profoundly mind-altering book. It energizes the spirit and enables the mind to move beyond its established boundaries and limits. To the normal man, it borderlines fiction; but to the regenerated man, it tells the truth of why Joshua commanded the sun to stand still. It tells the truth of why men who walked with God activated the power of God that defied the very laws of nature. It speaks to the

very same possibilities in this century” (Gilda E. Rose, MBA).

**So You're Saved, What's Next?** Marylina Green, 2025-06-26 A person gets saved and starts looking around, thinking, What do I do now? Where do I start? They get so overwhelmed with decisions-what to read first, what to do, what not to do-only to get pulled back into the world and the way the world thinks and does things. When you don't know that much about Jesus and what is expected of you or what you think is expected of you, you want to start doing things on your own. This book shows how God showed the author, step by step, what she needed to do to manage in this world, and it is an ongoing life lesson to be the conqueror she kept hearing others talk about. This digs down deep into who you are and what you have in Christ Jesus in simple, short devotions, getting more intricate in His Word, and falling more in love with Him as the God of this universe but also the God that loves you personally. This book could be called a life-application devotional. Some of what was put in it was from the author's experiences and how God showed her how to handle it. After all, isn't that what needs to come next? How to handle life's ups and downs and knowing the Savior that will be right there with you through it all? Find out how she learned to truly forgive, to hear the Holy Spirit, to make decisions, along with the authority we have through Jesus. Find the little nuggets of revelation from different preachers, teachers, prophets, and so many men and women of God that this author has studied, and start to be rich in the knowledge of God. It will make you want to know Him more and more! You are never too old nor too late to start your quest to know God!

## My Word Shall Not Come Back Void Introduction

In today's digital age, the availability of My Word Shall Not Come Back Void books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of My Word Shall Not Come Back Void books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of My Word Shall Not Come

Back Void books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing My Word Shall Not Come Back Void versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, My Word Shall Not Come Back Void books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting

regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing My Word Shall Not Come Back Void books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for My Word Shall Not Come Back Void books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, My Word Shall Not Come Back Void books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries

offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of My Word Shall Not Come Back Void books and manuals for download and embark on your journey of knowledge?
