

# Promise Of Living Copland

**SA Dillow**

The Promise of Living Goens, George A., 2013-06-12 In 2004, George Goens lost his daughter during the birth of his second grandchild. How does one respond to the simultaneous crash of life and death? In *The Promise of Living: Loss, Life and Living*, Goens wrestles with his conflicting emotions over the convergence of two very disparate events – one celebrating the beginning of life, one grieving the loss of another. Goens begins his story at the expected date of his daughter Betsy's birthing of her second child, Luke – his grandson. Goens' joy slowly twists into panic, then horror when phone calls from his son reveal that the process has gone awry. Stricken by a rare complication, Betsy delivers a healthy baby but dies soon after the birth. Thus begins Goens' journey of grief, anger and despair as he struggles to reconcile the paradox of his daughter's premature passing juxtaposed to the developing life of his grandchildren, their family and his own life. "Inexplicable events happen in life, many contrary to our belief in the natural order," he writes in the book's introduction. "Our rational plans and sense of equilibrium are upset. Chaos seems to reign in both our internal and external worlds." Goens re-examines his beliefs, his relationships, his perceptions, his values, his fears and his dreams of the future. He relives his close relationship with his daughter, his mid-life crisis that included a scandalizing affair costing him his marriage and job, and another shocking loss involving the shooting murder of a school principal in a district for which he served as superintendent. He wrestles with a grief many of his friends label as "excessive" and is humbled by his inability to take their advice and "move on." He comes to realize that, even while living in a community with family and friends, everyone must ultimately face loss alone in the quiet of their own hearts and souls. "Life's only script consists of birth and death," Goens writes. "We fill in what comes between. . . . Whimsy and mystery, serendipity and surprise fill our lives. The clichéd story of a main character succumbing to tragedy, falling into a funk, having an epiphany, and seeing the light and then proceeding back into normalcy doesn't really happen. . . . Finding peace takes time and is a creative process of small steps, plateaus, and setbacks," he adds. Woven throughout the book is Goens' poetry, in equal measures stirring, contemplative, and inspiring, as exemplified in "Love and Sorrow": Love and sorrow are two sides of the same coin One's sorrow is in direct proportion to one's love for another when they are gone. I am thinking of you in this time of unrelenting sorrow in celebration of your beautiful and endearing life. In spite of heart-wrenching circumstances, Goens and his family find a way to heal through acceptance and forgiveness, and he honors the life of his daughter by living his own to its full potential. Readers who have experienced their

own devastating loss – or who are close to someone else who has – will find comfort, inspiration and wisdom in his story.

**Library of Congress Name Headings with References** Library of Congress,1978

*Encyclopedia of American Opera* Ken Wlaschin,2024-10-16 This encyclopedia lists, describes and cross-references everything to do with American opera: works (both operas and operettas), composers, librettists, singers, and source authors, along with relevant recordings. The approximately 1,750 entries range from ballad operas and composers of the 18th century to modern minimalists and video opera artists. Each opera entry consists of plot, history, premiere and cast, followed by a chronological listing of recordings, movies and videos.

**Choral Repertoire** Dennis Shrock,2022 The second edition of Choral Repertoire is a comprehensive reference book about choral music in Western culture from Gregorian chant to compositions of the early twenty-first century, now expanded to include dozens of new composers with the aim of further expanding and diversifying the western choral repertoire.

**The Insider's Guide to Classical Recordings** Jim Svejda,1999 For hundreds of thousands of loyal listeners throughout the United States, Jim Svejda's weekly radio program The Record Shelf is not to be missed. Now, this amusing and irreverent guide captures the special flavor of Svejda's unique program. Without fear or favor, he recommends his choices of CDs and cassettes for hundreds of compositions from the standard, and not-so-standard, fare. You'll enjoy reading this wryly humorous and candid collection time and time again. No one on the air treats both composers and performers with such

personal devotion or has such a fine ear for differences in inflections and interpretations. --New York Times The best, most searching and fascinating review of music around. --Dudley Moore If you want to expand or enrich your musical horizons, this book is indispensable. No matter how sophisticated you may be about the world of classical music, Jim Svejda's book will introduce you to new performances and perspectives. --Michael Medved, PBS's Sneak Preview Great fun to read. --Sir Andre Previn
