

Receta Para 60 Alfajores De Maicena

Virginia Sar

Curso de repostería y pastelería Florencia Díaz, Este es un libro pensado para profesionales, emprendedores y, también, para todas la personas que busquen recetas e ideas simples para disfrutar de la repostería y la pastelería, explicadas paso a paso: tartas clásicas, bizcochuelos básicos, rellenos, alfajores... Además, se incluye toda la info sobre forrado de tortas, cremas, modelado básico, flores, glasé y todo lo que se necesita saber para terminar la torta como un verdadero profesional. Y, si se está comenzando un microemprendimiento, también presentamos un apartado especial para aprender a calcular los costos.

Mi aventura sin gluten Ale Temporini, 2019-10-01 El primer libro de Ale Temporini, cocinera, docente e influencer especializada en cocina sin gluten, nos acerca de manera didáctica y vital más de setenta recetas, no solo para celíacos sino también para quienes quieren alimentarse más saludablemente sin dejar de comer rico y variado. Hace doce años escuché por primera vez la palabra celiarquía. Una amiga describió sus síntomas y de pronto el mundo se me vino abajo: eso era lo que tenía Cata, mi hija menor. Al principio me pareció terrible, pero cuando lo confirmamos se convirtió en un alivio: por fin su malestar -no digería los alimentos, se sentía mal todo el tiempo, no crecía- tenía una explicación y un diagnóstico. Y una solución: todos en la familia cambiaríamos la manera de comer para acompañarla. A pesar de haber cocinado toda mi vida, tuve que aprender a hacerlo de nuevo. Y emprendí el desafío no solo de especializarme en cocinar sin gluten, sino de enseñar a otros a hacerlo. En este, mi primer libro, vas a encontrar todo lo que hace falta saber para entender qué es el gluten y cómo podemos reemplazarlo, cómo preparar el hogar cuando uno de sus integrantes es celíaco, qué harinas alternativas existen y cómo producirlas nosotros mismos. A través de más de setenta recetas dulces y saladas, vas a descubrir por qué comer de esta manera no significa limitar sino ampliar nuestras posibilidades: hay tantos platos sin gluten como los comunes, y más aún. Desde medialunas hasta unos raviolones de queso azul pasando por una pizza a la parrilla, te invito a que aprendas a disfrutar comiendo más sano, rico y, de verdad, de todo. ¡Ale Temporini es un sol de persona! Una mujer con una energía hermosa, súper consagrada a su especialidad y tan minuciosa que nos hace tomar conciencia de lo que es realmente la celiarquía y los cuidados necesarios en la manipulación y cocción de los alimentos. ¡La admiro profundamente por su dedicación y su humor divinooo! ¡Un libro para comprar y recomendar! Jimena Monteverde

Mesas Dulces Virginia Sar, 2013-09-18 ¿Cómo se puede dar a las recepciones que organizamos para agasajar a una

persona o celebrar un acontecimiento, el toque único y personal del que carecen los eventos armados por profesionales y además gastar el menor dinero posible? Para resolver ese deseo, Virginia Sar compiló Mesas dulces, una fabulosa guía de ideas de decoración y recetas para diseñar y armar tus propias fiestas temáticas a partir de seis mesas dulces, que funcionan como un punto de partida. Cada mesa está diseñada alrededor de una torta, con souvenirs, papelería, bebidas y golosinas. Las recetas completas para preparar todo, desde las invitaciones hasta los comestibles, están explicadas con lujo de detalles e imágenes encantadoras.
