**Nathalie Vienne-Guerrin**

**The Anatomy of Insults in Shakespeare's World** Nathalie Vienne-Guerrin, 2022-05-19 The Anatomy of Insults in Shakespeare's World explores Shakespeare's complex art of insults and shows how the playwright set abusive words at the heart of many of his plays. It provides valuable insights on a key aspect of Shakespeare's work that has been little explored to date. Focusing on the most memorable scenes of insult, abusive characters and insulting effects in the plays, the volume shifts how readers understand and read Shakespeare's insults. Chapters analyze the spectacular rhetoric of insult in Henry IV, Troilus and Cressida and Timon of Athens; the 'skirmishes of wit' in Much Ado about Nothing and A Midsummer Night's Dream; insult and duelling codes in Romeo and Juliet, As You Like It and Twelfth Night, the complex relationships between slander and insult in Much Ado about Nothing and Measure for Measure; the taming of the tongue in Richard III and The Taming of the Shrew, the trauma of insults in Othello, The Merchant of Venice and Cymbeline and insult beyond words in Henry V and King Lear. Grasping insult as a specific speech act, the volume explores the issues of verbal violence and verbal shields and the importance of reception and interpretation in matters of insult. It offers a panorama of the Elizabethan politics of insult and redefines Shakespeare's drama as a theatre of insults.

*Romeo and Juliet* R.S. White, 2001-06-18 As one of the world's greatest love stories Romeo and Juliet continues to excite new theatre-goers, readers and film-goers. Its depiction of tragic lovers strikes a chord in each generation of young people, and seems to speak in their own idiom. As such, it reflects, and allows us to analyse, changing attitudes to sex in a violent world. This collection of contemporary essays raises topical debates about the nature of love conventions, as well as offering new insights into Shakespeare's text.

*The Poetical Works of Robert Browning: Volume VIII. The Ring and the Book, Books V-VIII* Robert Browning, 1983 This is the second instalment of Browning's great murder-story set in the Italy of the 1690s, *The Ring and the Book*, a poem which Henry James called a 'monstrous magnificence'. Here Browning lets the central characters of his poem - the corrupt aristocrat and murderer Franceschini, his victim, and her rescuer - tell the story in their own words.

*Shakespeare's Errant Texts* Lene B. Petersen, 2010-06-24 Using case studies of Hamlet, Romeo and Juliet and Titus Andronicus, this book examines what constitutes a 'Shakespearean text'.

**Historical Social Psychology (Psychology Revivals)** Kenneth Gergen, Mary Gergen, 2014-01-27 The vast majority of research in social psychology focuses on momentary events: an attitude is changed, dissonance is reduced, a cognition is primed, and so on. Little attention is paid to the unfolding of events over time, to social life as an ongoing process in which events are related in various ways as life unfolds. Originally published in 1984, *Historical Social Psychology* opens a space for theory and research in which temporal process is central. Contributors to this broad-ranging work provide a rich range of perspectives, from the theoretical to the methodological, from micro-sequences to the life-span, and from contemporary history to the long durée. Together, these authors set the stage for a major shift in the focus of social psychological inquiry.
