**Augustine, Sinner & Saint** James Joseph O'Donnell,2005-01-01 Augustine, a North African bishop, towers over the landscapes of western cultures from over 1500 years ago. He invented original sin almost single-handedly. He is responsible for many of the ways in which we think about gods, religions, politics and psychology. He wrote beautifully (and left behind 5 million words of writings). He is the first saint to have had a website. James O'Donnell has written a magnificent new biography which presents Augustine outside his own 'spin', that of his autobiographical *Confessions*, a best-seller since it was written. He tells the story from the vantage point of Hippo, the city in what is now Algeria, where Augustine spent almost 40 years as priest and bishop. By telling the story that way, O'Donnell is able to escape from the *Confessions*: the post-*Confessions* years are the ones in which Augustine (354-430) really made his name. The story is extraordinarily rich in vivid primary material about the crises and doings of his time, the late Roman Empire. Rich men converting to Christianity to get ahead, priests covering up their sexual and financial peccadilloes, gangs of desperadoes invading churches or lying in ambush on country roads, generals playing coldly calculated games of geopolitics - these are the figures who stand out in Augustine's world against a background of a battle to the death over the future of Christianity. This is one of the most remarkable biographies to be written about any figure from the ancient world.

"Deuces...Manuia?!" Deuce sniffed before finally answering. "I did a terrible thing. MIB and Chaos used me to do something horrible to Angelica. I'm gonna go now before I manifest and kill myself, okay? Wouldn't wanna go out like a Divine god. I deserve something way less honorable than that. Thanks for the memories, uso..." The line went dead and Silex immediately phoned Priest for an emergency Code: Black. It was code for a suicide advisory call. Right after he got off the line with Silex, Priest exhaled in utter frustration and made the call to Loto. "I need us to break protocol on this. I know we were supposed to play it legit this mission, but this situation is totally off the record right now and it takes precedence, brother. I think Deuce endured the same thing you did with the Sprite Queen. But the situation was at the Boneyard during Florida and Angelica's incident. He was 'urged' by a third party, possibly Tunui or Chaos. MIB had their hands in it as well. I'll explain more later... Be at the hotel in five minutes," muttered Priest. "I'm on my way right now!" advised Loto.

**Gods of Desterrados** Jeannie Mane,2020-02-13 The dramatic saga continues for the Polynesian realms as the cataclysmic showdown between Knight Squad and the Tunui reveal a terrible secret which may threaten the continuity of an entire realm. As Saint and his Tagaloa brethren are thrown into one devastating revelation after another, Priest and Nether realm fight to maintain balance for the survival of their legacies. Alliances grow strained due to Chaos's evil influence over the other gods and war becomes imminent. Other realms are introduced to solidify alliances, but at a cost. Will Knight Squad see it through to save one of their own before it destroys everything they know? Such is the game of the Cosmos.

*Poems and Song Lyrics of Faith and Hope* Shane Rishell,2009-05 Poems and song lyrics of faith and hope is a collection of writings that have been a work in progress over the last 20 years of my life. Writings that reflect the power and love that God has for us. From his passion he has for humanity by sending his son Jesus to die for our short comings, to show us how to live, love and forgive. Along with his power to deliver us from issues that plague our lives so that we can freely worship him and give him the glory for all that he has done for us.
