El Himnario Presbiteriano Geneva Press Staff,1999-01-01 This hymnal provides music and worship materials for Hispanic congregations. Brimming with original hymns, El Himnario Presbiteriano is not a translation of the English Presbyterian Hymnal but a separate hymnal created with Hispanic traditions and culture as its foundation.

Liberation, (De)Coloniality, and Liturgical Practices Becca Whitla,2020-10-24 Becca Whitla uses liberationist, postcolonial, and decolonial methods to analyze hymns, congregational singing, and song-leading practices. By way of this analysis, Whitla shows how congregational singing can embody liberating liturgy and theology. Through a series of interwoven theoretical lenses and methodological tools—including coloniality, mimicry, epistemic disobedience, hybridity, border thinking, and ethnomusicology—the author examines and interrogates a range of factors in the musical sphere. From beloved Victorian hymns to infectious Latin American coritos; congregational singing to radical union choirs; Christian complicity in coloniality to Indigenous ways of knowing, the dynamic praxis-based stance of the book is rooted in the author's lived experiences and commitments and engages with detailed examples from sacred music and both liturgical and practical theology. Drawing on what she calls a syncopated liberating praxis, the author affirms the intercultural promise of communities of faith as a locus theologicus and a place for the in-breaking of the Holy Spirit.

El Himnario Hymnal,Church Publishing,2001 The full-music edition of El Himnario was an ecumenical project sponsored by the Episcopal Church and several other mainline denominations. It is available for use by musicians who accompany worship.
