**Songs for Children of Light** James H. Kurt,2004-01-14 This work began with the taking of notes on insights and observations derived from contemplation of the Bible, my own life, and the death of my sister. The writings were initially oriented toward the composition of a filmscript, whose purpose was to depict, abstractly, scenes common to the lives of all mankind from birth to death. In February of 1984, well over a year into this project, these lyrics began to pour forth from me. Three-quarters of them were finished before the end of the month. During this period of my life, I underwent an intense conversion to purity of soul. I immersed myself in the practice of all the artistic mediums, including painting and sculpture, poetry, music, dance, and drama. Striving to be an artist for Christ, my life became as a cross between graduate student, monk, and convict. This way of living and working continued for seven years and resulted in the creation of the large manuscript, Songs for Children of Light: Ten Albums of Lyrics, Music, Dance, and Drama. In this volume, I present the lyric portion of the project with accompanying illustrations. May the Light of the Spirit be with you as you read the words herein. James Kurt June 23, 1995
