Venecia's Earthling James L. Barbour, 2013-04-03 Bill Brady, a highly-placed U.S. official is abducted by the beautiful and otherworldly Venecia and transported across the galaxy to the planet Aequatanus. There he discovers a world at peace with reasonable prosperity, health and contentment enjoyed by all its inhabitants. Bill returns to Earth on a mission to promote the successful methods he has observed. The process begins with proposals for a reformed United Nations, improved continental alliances, and neutralization of weapons of mass destruction along with others. A romance between Bill and his beautiful alien hostess is deftly woven throughout the book to make for an enjoyable read. While fictional in form, VENECIA'S EARTHLING contains a potential blueprint of our evolving world organization and order. The stuff in GBT is about understanding The Beatles and The Rolling Stones, Cole Porter and Duke Ellington, The Grateful Dead and Vampire Weekend. It's NOT about analyzing Bach Fugues... but you'll be able to if you want to. Gain Richard Powers,2010-03-15 The Pulitzer Prize-winning author of *Playground* braids together two very different stories in a novel on “the Promethean messianism of corporate America” (Greil Marcus, San Francisco Examiner & Chronicle). In one story, Laura Body, divorced mother of two and a real-estate agent in the small town of Lacewood, Illinois, plunges into a new existence when she learns that she has ovarian cancer. In the other, Clare & Company, a soap manufacturer begun by three brothers in nineteenth-century Boston, grows over the course of a century and a half into an international consumer products conglomerate based in Laura’s hometown. Clare’s stunning growth reflects the kaleidoscopic history of America; Laura Body’s life is changed forever by Clare. Gain’s stunning conclusion reveals the countless invisible connections between the largest enterprises and the smallest lives. “Erudite, penetrating and splendidly written . . . There is no gainsaying the remarkable artistry and authority with which Powers, in this dazzling book, continues to impart his singular vision of our life and times.” —Bruce Bawer, The New York Times Book Review “Richard Powers' powerful and peculiar novel, Gain, is the largest compliment any author has paid to the American reading public in decades.” —Thomas M. Disch, The Washington Post Book World “Subtle, provocative, and powerful . . . Richard Powers' deceptively simple and terrifyingly effective novel Gain says it better than anyone has in a long time: buyer beware.” —Rick Moody, Voice Literary Supplement “Gain only confirms that Powers is, in fact, a major American novelist.” —Adam Kirsch, The New Republic

The Darker Ages 3 Aron Lewes,2020-01-23 Before she marries Prince Jonah, Arienne longs to fulfill a final wish. She wants to take back the kingdom that was stolen from her. To avenge her father's murder, she'll need the help of Alfred Du Bois... but can the backstabbing rogue be trusted? Hilda launches a mission of her own... and Jonah follows, much to her dismay. The henpecked heroine can't stand to be near him, nor can she stand to be away from him. The real world identity of

every major character is finally revealed, including Alfred Du Bois.

The Story of Land and Sea Katy Simpson Smith, 2014-08-26 Set in a small coastal town in North Carolina during the waning years of the American Revolution, this incandescent debut novel follows three generations of family—fathers and daughters, mother and son, master and slave, characters who yearn for redemption amidst a heady brew of war, kidnapping, slavery, and love. Drawn to the ocean, ten-year-old Tabitha wanders the marshes of her small coastal village and listens to her father's stories about his pirate voyages and the mother she never knew. Since the loss of his wife Helen, John has remained land-bound for their daughter, but when Tab contracts yellow fever, he turns to the sea once more. Desperate to save his daughter, he takes her aboard a sloop bound for Bermuda, hoping the salt air will heal her. Years before, Helen herself was raised by a widowed father. Asa, the devout owner of a small plantation, gives his daughter a young slave named Moll for her tenth birthday. Left largely on their own, Helen and Moll develop a close but uneasy companionship. Helen gradually takes over the running of the plantation as the girls grow up, but when she meets John, the pirate turned Continental soldier, she flouts convention and her father's wishes by falling in love. Moll, meanwhile, is forced into marriage with a stranger. Her only solace is her son, Davy, whom she will protect with a passion that defies the bounds of slavery. In this elegant, evocative, and haunting debut, Katy Simpson Smith captures the singular love between parent and child, the devastation of love lost, and the lonely paths we travel in the name of renewal.

A perfect match. But no one asked her what she wanted. Not her parents. Not fate. No one. Thrown into a marriage that felt more like a life sentence, she tried to keep the fire in her heart alive. But what happens when she gathers the courage to tell her husband about her buried dreams? Will he understand the girl beneath the bridal veil.... or will he become the wall she never wanted to climb? This is the story of a girl who only wanted to fly and the man who might either break her wings or help her soar.
