The Holy Quran with English Translation and Commentary: Surah al-ahqaf-surah al-nas Bashīruddīn Maḥmūd Aḥmad,1988

Analyzing a Common Word Between Us Muslims and You Christians Joseph Nnabugwu,2011-04-26 In recent peace initiative (a common word) in Muslim-Christian relations, emphasis on the way forward between Islam and Christianity has been a frantic call to love of God and love of neighbor. This call, argued in this book, provokes rival and parallel logic in the concepts of monotheism between Christian religious leaders and scholars on the one hand and Islamic religious leaders and scholars on the other. Using in places the framework of critical discourse analysis (CDA), the author analyzes some text extracts from a common word in order to expose the underlying problems of ideologies, dichotomies, identity constructions, and orthodoxy claims that are associated with the Islamic Tawhid and Christian Trinity. Drawing from various conferences and workshops convened by both religious communities as well as some social scientist insights, this book finds authentic communication in Muslim-Christian relations grounded in recognition and acceptance of the differences between Islam and Christianity. Recognizing the ideological issues in the usage of the appositional pronouns us Muslims and you Christians as suggesting dichotomy, the author suggests rather the education of both Muslims and Christians, starting from the kindergarten on the religion and beliefs of the other and to re-interpret and revise conflicting Quranic and biblical issues pertaining to Muslim-Christian relations.

MISSION for MOHAMMAD and ISLAM Armen A. Saginian,2011-07-12 It was and is the intent of this effort to affect a closure to religious carnage and hatred. I have concluded my MISSION. I have segregated Mecca and Medina Verses. I have published them in two books. I have delivered Mohammad's message to you. It is up to you to read them and draw your

conclusion. Was it a hallucination or revelation (epiphany)?

English Translation of the Message of the Qur'an ,2006 The Quran, a book which brings glad tidings to mankind along with divine admonition, stresses the importance of man's discovery of truth on both spiritual and intellectual planes. Every book has its objective and the objective of the Quran is to make man aware of the Creation plan of God. That is, to tell man why God created this world; what the purpose is of settling man on earth; what is required from man in his pre-death life span, and what he is going to confront after death. The purpose of the Quran is to make man aware of this reality, thus serving to guide man on his entire journey through life into the after-life. The main themes of the Quran are enlightenment, closeness to God, peace and spirituality. The Quran uses several terms, tawassum, tadabbur, and tafakkur, which indicate the learning of lessons through reflection, thinking and contemplation on the signs of God scattered across the world. The present translation of the Quran and its explanatory notes are written keeping in mind these very themes.
