The Life of Sapphire Moon Shalene C.P. Steward,2015-11-18 Sapphire's journey through twisted years of learning, as she is a High Priestess. This is her story on her life starting at six years old. As Sapphire grows up, she is put though hell by jealous evil people because of the gifts the gods gave her without her understanding it and what is happening to her. While growing up her parents are completely against the person Sapphire is growing up to be, due to their religion. In Sapphire's teenage years she becomes suicidal because of spirits that she saw and heard in her childhood. Sapphire didn't have anyone to help her deal with these gifts so she blasted Metallica to sleep at night. Sapphire also has flashes of the future. Prison life, probation, parole and her three-charmed baby girl's births take place. A divorce, plus retiring from the criminal life, Sapphire finds out that she moved just in the nick of time. Sapphire tries to stay hidden and meets this motorcycle club. Sapphire has been found and is targeted as she gives birth to her son while the undercover cops wars on Sapphire never seem to stop
