The Obstacle Is the Way Ryan Holiday, 2014-05-01 #1 Wall Street Journal Bestseller The Obstacle is the Way has become a cult classic, beloved by men and women around the world who apply its wisdom to become more successful at whatever they do. Its many fans include a former governor and movie star (Arnold Schwarzenegger), a hip hop icon (LL Cool J), an Irish tennis pro (James McGee), an NBC sportscaster (Michele Tafoya), and the coaches and players of winning teams like the New England Patriots, Seattle Seahawks, Chicago Cubs, and University of Texas men's basketball team. The book draws its inspiration from stoicism, the ancient Greek philosophy of enduring pain or adversity with perseverance and resilience. Stoics focus on the things they can control, let go of everything else, and turn every new obstacle into an opportunity to get better, stronger, tougher. As Marcus Aurelius put it nearly 2000 years ago: "The impediment to action advances action. What stands in the way becomes the way." Ryan Holiday shows us how some of the most successful people in history—from John D. Rockefeller to Amelia Earhart to Ulysses S. Grant to Steve Jobs—have applied stoicism to overcome difficult or even impossible situations. Their embrace of these principles ultimately mattered more than their natural intelligence, talents, or luck. If you're feeling frustrated, demoralized, or stuck in a rut, this book can help you turn your problems into your biggest advantages. And along the way it will inspire you with dozens of true stories of the greats from every age and era.

Daily Stoicism Parth Sawhney, 2017-11-23 Stoicism provides useful tools and practical strategies to navigate through everyday problems and live a more meaningful and happy life. Stoicism is a school of Hellenistic philosophy that was established by Zeno of Citium in the early 3rd century BC. It is a simple approach to help overcome destructive emotions and act with reason. This philosophy has been practiced by both historical and modern men, including artists, kings, presidents, authors, and entrepreneurs. *Daily Stoicism* is an attempt to distill life-changing ideas from the best resources on Stoicism and philosophy in daily easy-to-read meditations. In this book, the wisdom of great philosophers such as Epictetus, Seneca, and Marcus Aurelius as well as contemporary authors such as Ryan Holiday, Massimo Pigliucci, Donald Robertson, Pierre Hadot, and Nassim Nicholas Taleb has been distilled into a form that is easy to digest and consume (even if you're not a reader!). Every meditation has been crafted to give you either the essence and the formula, if you will, of the subject at hand, or a groundbreaking idea introduced by the respective author. The fundamentals of attaining practical wisdom and living a good life will never change and that's why Stoicism has proven to be such an indispensable philosophy to learn the art of living. The condensed timeless knowledge in these meditations will guide you in navigating through the complexities that come with modern living and help you in your quest to live a virtuous and happy life.

School counselors will find this book filled with the necessary knowledge and skills to effect change in schools, districts, and the public arena for the benefit of P-12 students, particularly those from historically marginalized populations.

Ryan Holiday's the Obstacle is the Way ,2016 This is a summary of Ryan Holiday's The Obstacle is the Way . The book has become a cult classic, beloved by men and women around the world who apply its wisdom to become more successful at whatever they do. This summary is aimed for those who want to capture the gist of the book but don't have the current time to devour all 201 pages. You get the main summary along with all of the benefits and lessons the actual book has to offer. While The Obstacle Is the Way is a book about philosophies in general, it is not an academic textbook on the subject. Instead, it is primarily a book to learn for yourself the basic tenets of Stoic philosophy and how to understand and apply them to daily life. Obstacle is the most frequently used word throughout the book as well as a very important part of the title because it is all about how to manage the obstacles life throws at us. The central theme of the work is the belief that everyone is able to handle the obstacles that come with life even though we can't necessarily control everything about life. While we may not be in charge of the circumstances, it is possible to always be in command of ourselves and how we choose to respond to the challenges presented. Living by the principles of Stoicism means individuals deliberately control themselves in the face of obstacles which in turn strengthens willpower and confidence for difficult times in the future. This book almost never mentions the actual word Stoicism. The author deliberately neglects to explain exactly what it is and barely mentions any philosophers of Stoicism from centuries ago - except Emperor Marcus Aurelius. Aurelius is written about more than anyone else because his thoughts written in Meditations inspired the author to write this book. Meditations provides a lot of informative ideas, but they are not quite complete. The main philosophy Aurelius lived by can be condensed in to one of his quotes: The impediment to action advances action. What stands in the way becomes the way. Holiday used this saying as the basis of the title for this book.
