**We Met Online And...** Alexandria Lang,2023-05-25 It was not my intention to write a book when I embarked upon this journey. Like many of the other three hundred million online daters, I was looking for my soulmate--that one special person to create amazing life experiences with. I was admittedly naive and ill-prepared when I ventured into the online dating world. Consequently, the following two years were a torrent of constant twists and turns. Along the way, I laughed hysterically, cried inconsolably, grieved, and yes, even loved. Some of my stories may sound incredible. But they are all true.

**The Red Saguaro** Robert Llewellyn,2018-01-04 On a scorching June day in Buckeye, Arizona, thirteen-year-old Juan Miguel Quilantan discovers a body impaled on a saguaro. The authorities quickly link the crime to radical Islamists who are planning an attack on the four million citizens of the Phoenix area, using some undetermined weapon of mass destruction. Three people stand between the terrorists and a vulnerable metropolis: C. Ronald Cannon, a professor whose wife and children were murdered by ISIS; Laura Fatopoulos, a Muslim and FBI special agent who has dedicated her career to eradicating extremist factions; and boy-genius Juan Miguel, an illegal immigrant whose understanding of the electric grid exceeds that of most law enforcement professionals. Together, they travel to Austria and back—in only thirteen hours—to stop the terrorists from plunging the Valley of the Sun into chaos and anarchy. Learn what the terrorists already know and your role to help alleviate this real-life threat by reading *The Red Saguaro: A Novel of National Import*.

Book of the Satanist Lucifer Damuel White,2022-09-22 The Book of the Satanist is a book of Satanic philosophy, teachings on magic, sociological things from a Satanic perspective, and is a book created from Satanic thought. There are many things covered here which the author solely teaches and is not found in other books of Satanism, such as his List of the Principality. It is modern Satanism as only modern times could permit. This is a thin and quick read and a book worthy of its time.
