

The Good Daughter Series Order

Katrin Zwirgmaier

The Good Daughter Karin Slaughter, 2017-08 Two girls are forced into the woods at gunpoint. One runs for her life. One is left behind ... Twenty-eight years ago, Charlotte and Samantha Quinn's happy smalltown family life was torn apart by a terrifying attack on their family home. It left their mother dead. It left their father - Pikeville's notorious defence attorney - devastated. And it left the family fractured beyond repair, consumed by secrets from that terrible night. Twenty-eight years later, and Charlie has followed in her father's footsteps to become a lawyer herself - the archetypal good daughter. But when violence comes to Pikeville again - and a shocking tragedy leaves the whole town traumatised - Charlie is plunged into a nightmare. Not only is she the first witness on the scene, but it's a case which can't help triggering the terrible memories she's spent so long trying to suppress. Because the shocking truth about the crime which destroyed her family nearly thirty years ago won't stay buried for ever ...

The Good Daughter Kumi Taguchi, 2025-04-30 'At once so personal, yet utterly universal. A visceral, thoughtful and emotionally compelling story.' Melissa Leong In a beautifully crafted memoir of captivating emotional honesty, the SBS Insight host sets out to understand the dad she never really knew, and - along the way - herself. Growing up, Kumi Taguchi thought her father was merely distant: reserved, obsessively frugal and - after her parents' divorce - almost entirely missing. When he died, Kumi's feelings about him and the Japanese heritage he had given her remained tangled. But just because a parent has gone doesn't mean they're absent. Over time Kumi came to understand more about what made her father as he was, including his experiences as a child in wartime Japan and, above all, the culture she both loved and felt burdened by. She decided to travel to Japan to find the family home, and perhaps lay to rest some ghosts. In this highly evocative journey of understanding, Kumi explores her divided self: the tension between duty and freedom; the people she's felt drawn to and lost; and how to find your place when caught between two worlds.

The Animation Studies Reader Nichola Dobson, Annabelle Honess Roe, Amy Ratelle, Caroline Ruddell, 2018-10-18 The Animation Studies Reader brings together both key writings within animation studies and new material in emerging areas of the field. The collection provides readers with seminal texts that ground animation studies within the contexts of theory and aesthetics, form and genre, and issues of representation. The first section collates key readings on animation theory, on how we might conceptualise animation, and on some of the fundamental qualities of animation. New material is also introduced in

this section specifically addressing questions raised by the nature, style and materiality of animation. The second section outlines some of the main forms that animation takes, which includes discussions of genre. Although this section cannot be exhaustive, the material chosen is particularly useful as it provides samples of analysis that can illuminate some of the issues the first section of the book raises. The third section focuses on issues of representation and how the medium of animation might have an impact on how bodies, gender, sexuality, race and ethnicity are represented. These representations can only be read through an understanding of the questions that the first two sections of the book raise; we can only decode these representations if we take into account form and genre, and theoretical conceptualisations such as visual pleasure, spectacle, the uncanny, realism etc.

Women in Buddhism Diana Y. Paul, Frances Wilson, 1985-04-23 In seeking to explore the interrelationships between, and mutual influence of, varieties of sexual stereotypes and religious views of the Mahayana Buddhist tradition, *Women in Buddhism* succeeds in drawing our attention to matters of philosophical importance. Paul examines the 'image' of women which arise in a number of Buddhist texts associated with Mahayana and finds that, while ideally the tradition purports to be egalitarian, in actual practice it often betrayed a strong misogynist prejudice. Sanskrit and Chinese texts are organized by theme and type, progressing from those which treat the traditionally orthodox and negative to those which set forth a positive consideration of soteriological paths for women. . . . In *Women in Buddhism*, Diana Paul may be forcing our consideration of the problem of female enlightenment. Thus the main purport and accomplishment of her scholarship is revolutionary.—*Philosophy East and West*
