Success Is Never Ending, Failure Is Never Final Robert Schuller, 1990-02-01 Each of us has experienced "down times"—setbacks at work, in relationships, in our inner lives—times where nothing seems to go right. Most of us have also felt as if we've failed at times, as well. But what is the difference between those who succeed and those who fail? The answer

is simple: attitude. In this practical and empowering new book, Dr. Robert H. Schuller, the host and master of possibilities of the weekly telecast *The Hour Of Power* shows how to overcome the fear—and the groundless excuses—that keep us from success, fulfillment, and happiness. Here Dr. Schuller reveals his own unique formula for never-ending success: • The 10 steps for turning your dreams into reality • The amazing power of possibility thinking • The 22 stops on the road map to success • The 4 Cs of “success thinking” • How to banish “impossibility thinking” from your life • The “miracle ingredients” of faith and hope . . . and much more Your dreams, Dr. Schuller tells us, no matter how impossible, are the seeds of your success! Now you can learn how to nurture and cultivate your possibilities, uproot the negatives, and watch your dreams blossom into reality.

Listen to Me Beth Huffman, 2013-08-06 *Listen to Me* is an inspirational, faith-based book that will often move the reader to tears. It is the story of Kim Brinkman Smith who survived Hodgkin's disease as a sixteen-year-old who had been healthy and in excellent physical shape her entire life. When she was diagnosed with cancer, she was given a 75% chance of surviving. Her chemotherapy regimen was horrific and there were many days when she was so ill from the side effects that she wanted to die. While her friends were caught up in the excitement of cheering at ballgames and buying their prom dresses, Kim wondered if she'd live long enough to attend prom. When her classmates were planning their future careers, Kim was thinking about the wig she'd need to purchase when she lost her beautiful long hair. Kim and her three sisters were raised in a Christian home by faithful, hard-working parents who introduced Christ to the girls at a young age. They provided a firm spiritual foundation that was strengthened by prayer. When Kim was blindsided by the cancer, her parents prayed for her to have the strength to survive and for her doctors to provide her with the best possible care. Throughout the book, the reader will feel the depth of Kim's prayers and her family's as they did everything they could not to be swallowed up by the fear of the unknown. This was often impossible for Kim to do, especially when she was so ill from the chemo treatments. This book is a love story on so many levels. In a symbolic way, it is the story of God's abundant love for each of us. In a literal way, it is a story of a mother's unconditional love. This certainly applies to Kim's mother who kept the family grounded throughout Kim's ordeal; it also applies to Kim's unconditional love for her two children. On a romantic level, the reader will be hoping that Kim doesn't let Brad (her future husband) get away when she doubts his carefree lifestyle. Author Bio: Beth Huffman is a professional inspirational speaker and retired English teacher from Columbus Grove, Ohio. *Listen to Me* is her third book. This faith-based memoir is the inspirational story of Kim Brinkman Smith who not only defeated cancer as a teenager but was able to realize her ultimate dream in becoming a mother. This dream came at a great cost emotionally when her daughter was born with a hearing impairment that Kim struggled to accept. Huffman's other two books are *Run, Amy, Run* and *Awesome Andrea* that depict the lives of two heroes born with cystic fibrosis, a genetic and lethal disease that attacks the

respiratory and digestive systems. The profits from these two books go to the Cystic Fibrosis Foundation for research. These can be ordered by going to Huffman's website: www.danceintherain.me or by contacting her at: bethhm@roadrunner.com. keywords: Hodgkin's Disease, Teenage Cancer, Children With Hearing Impairments, Hearing Impairments, Inspirational Memoir, Faith-Based Story, God's Grace, God's Plan, Depression, Christian Biography

Tough times never last, but people do! Robert H. Schuller, 1983

Don't Throw Away Tomorrow Robert H. Schuller, 2024-06-11 To mark the golden anniversary of his ministry, one of America's most revered ministers offers a profound book of wisdom for a new generation Fifty years ago In 1955 through all of our dreams can become realities. A gifted and moving storyteller, Schuller offers a personal and inspirational look at the principles that have guided his life and work and explains how they can guide our lives as well. Starting with the message of *Don't Throw Away Tomorrow*, he discusses such powerful and universal principles as starting with optimism, choosing positive values, keeping focused, clearing the channels of communication, and—most importantly—looking to the Ultimate Authority. For 50 years Americans have been watching and listening to Schuller's thoughtful guidance and being inspired by his love of humanity and God. This book is a culmination of that wisdom and love delivered and a tribute to the power of possibility thinking.

My Journey Robert H. Schuller, 2011-11-15 Dr. Robert H. Schuller's career has spanned more than five decades, and his ministry of hope has touched the hearts and souls of millions around the world. From one great story to the next, this disarmingly honest autobiography shows us a side of the great preacher that we haven't seen before. *My Journey* is Dr. Schuller's moving account of his rise from his family's struggling farm in a small Dutch community in Depression-era Iowa to the leadership of a multimillion-member international ministry. With warmth and candor, Schuller tells the stories of the events, the people, and the encounters that shaped his inspiring life and made him the ultimate possibility thinker. Educated in a one-room schoolhouse, Schuller knew from his earliest days that he wanted to be a preacher. He describes times as a boy on the farm when the entire family worked to survive droughts, a tornado, and the Depression. He tells about working his way through Hope College and Western Theological Seminary in Holland, Michigan, where he discovered a message of joy and hope in (of all places) the works of John Calvin. He recounts the excitement of his wedding, the challenges of his first small church in Chicago, and the dramatic story of his coming to Garden Grove, California, in 1955 to found a church in a drive-in theater. Beginning with \$500 in assets and his wife, Arvella, as organist, that congregation's phenomenal growth ultimately led to the development of Hour of Power, the first worldwide television church, and the building of the internationally acclaimed Crystal Cathedral. Dr. Schuller steps down from the pulpit to share the intimate details of the key moments that gave his life and vision their uniquely inspiring character. Using his legendary storytelling ability Dr. Schuller evokes the strict Dutch Calvinist culture of his youth, where dancing was a sin and people really kept the Sabbath. He

describes his early sermons and successes evangelizing from the roof of the snack bar at the rented drive-in theater where his ministry took off, and how he was shunned by traditionalists in his denomination for daring to take Christian preaching where it had never gone before. Dr. Schuller shares insights on how his positive-thinking philosophy helped him through the difficult moments of his life, as well as the huge challenges he took on. He recounts meetings with great world teachers such as preachers Norman Vincent Peale and Billy Graham, psychiatrists Karl Menninger and Viktor Frankl, global figures Mikhail Gorbachev, William Clinton, Armand Hammer, and actor John Wayne. Dr. Schuller shares his own spiritual journey as he reflects on his personal life and relationships, charting how he blended the good news of the Gospel with the best of modern psychology. My Journey is a genuinely inspirational and quintessentially American story.
