Everyone's An Artist (or At Least They Should Be) Ron Tite,Scott Kavanagh,Christopher Novais,2016-09-20 Can a Canali-clad million-dollar banker learn anything from a paint-stained artist? Definitely. Especially now. Clearly, succeeding in business is an art form. We've informally labelled activities and pursuits as "the art of management," "the art of marketing" or even "the art of doing more with less," but we've rarely made the direct connection between the two worlds. With a rapidly changing digital economy, new and emerging technologies, increased clutter and a drastically altered media landscape, successful companies are those that are original, creative and innovative. Defining business as art is now a credible school of thought, and the lessons are far more practical than philosophical. Everyone's an Artist shows how and why the most successful executives and entrepreneurs think like artists.

Honest Chat Dylan Buckley,2024-01-05 From the creator of hit Australian podcast Dyl and Friends comes an honest, sometimes funny and occasionally tough guide for guys looking to know themselves better and thrive in their relationships. Like a lot of footy blokes, having a chat has always come easy to Dylan Buckley. But how to move beyond banter to the deeper conversations he didn't know he needed is something he's only learned more recently - a hard-won skill developed through his podcast and the career reboot it gave him after injury, anxiety and a 'lack of form' cut his AFL career short.

Through facing his own discomfort and publicly sharing some of his hardest personal challenges, Dyl has made his studio a space where athletes, coaches and personalities beyond sport get vulnerable about sharing the things that matter most - from failure, adversity and unexpected change to difficulties with physical health, mental wellbeing and loved ones. Honest Chat is filled with all the best insights and wisdom from the Dyl and Friends podcast, plus humorous and poignant stories from Dyl's own life.

Evelyn Varley has always been ambitious and clever. As a girl, she earned a scholarship to a prestigious academy well above her parents' means, gaining her a best friend from one of England's wealthiest families. In 1939, with an Oxford degree in hand and war looming, Evelyn finds herself recruited into an elite MI5 counterintelligence unit. A ruthless secret society seeks an alliance with Germany and, posing as a Nazi sympathizer, Evelyn must build a case to expose their treachery. But as she is drawn deeper into layers of duplicity—perhaps of her own making—some of those closest to her become embroiled in her investigation. With Evelyn's loyalties placed under extraordinary pressure, she'll face an impossible choice: save her country or the people who love her. Her decision echoes for years after the war, impacting everyone who thought they knew the real Evelyn Varley. Beguiling and dark, *An Unlikely Spy* is a fascinating story of deception and sacrifice, based on the history of real people within the British intelligence community.
