**David Zinczenko, Matt Goulding**

**Cook This, Not That! Skinny Comfort Foods** David Zinczenko, Matt Goulding, 2012

*Cook This, Not That!* David Zinczenko, Matt Goulding, 2014-12-09 Millions of Americans have lost tens of millions of unwanted pounds with the simple restaurant and supermarket swaps in *Eat This, Not That!* Now, the team behind the bestselling series turns its nutritional savvy to the best place in the world for you to strip away extra pounds, take control of your health, and put money back in your own pocket: your own kitchen. Did you know the average dinner from a chain restaurant costs nearly \$35 a person and contains more than 1,200 calories? That's hard on your wallet and your waistline, and few people understand this better than David Zinczenko and Matt Goulding. Their response: Learn to cook all your favorite restaurant food at home—and watch the pounds disappear! Make no mistake—this is no rice-and-tofu cookbook. The genius of *Cook This, Not That!* is that it teaches you how to save hundreds—sometimes thousands—of calories by recreating America's most popular restaurant dishes, including Outback Steakhouse's Roasted Filet with Port Wine Sauce, Uno Chicago Grill's Individual Deep Dish Pizza, and Chili's Fire Grilled Chicken Fajita. Other priceless advice includes: • The 37 Ways to Cook a Chicken Breast, A Dozen 10-Minute Pasta Sauces, The Ultimate Sandwich Matrix, and other on-the-go cooking tips • Scorecards that allow you to easily compare the nutritional quality of the carbohydrates, fats, and proteins in every meal you eat • The truth about how seemingly healthy foods, such as wheat bread, salmon, and low-fat snacks, may be secretly sabotaging your health

**Cook This, Not That! Kitchen Survival Guide** David Zinczenko, Matt Goulding, 2019-01-01 Did you know the average dinner from a chain restaurant costs nearly \$35 a person and contains more than 1,200 calories? That's hard on your wallet and your waistline, and few people understand this better than the authors of *Eat This, Not That!* After years of helping consumers navigate America's daunting culinary landscape - and literally thousands of weight-loss success stories - Dave and Matt have finally turned their nutritional savvy to the place with the greatest impact - your kitchen. The hundreds of recipes contained inside this book will help you and your loved ones eliminate body fat, get in shape, and lead fitter, happier lives.

**Cook This, Not That! Easy & Awesome 350-Calorie Meals** David Zinczenko, 2014-11-04 The ultimate cookbook for people who love to eat—even if they don't love to cook. *Cook This, Not That! Easy & Awesome 350-Calorie Meals* remakes expensive and unhealthy foods in America's restaurants into healthy, fat-blasting superfoods. This easy-to-follow cookbook is

designed for people who are always too hungry (and tired) to make smart food choices. It helps readers enjoy their favorite restaurant meals without gaining weight by remaking the recipes using healthier ingredients. Readers can expect to lose 10, 20, even 30 pounds or more without giving up their favorite foods. The book is loaded with delicious recipes for healthy meals all under 350 calories.

*Cook This, Not That! Skinny Comfort Foods* David Zinczenko, Matt Goulding, 2014-11-11 Indulge your most decadent food cravings with fast, easy, and delicious recipes that strip away pounds and put dollars back in your pocket. Discover the weigh-loss power of comfort-food classics, based on America's most popular restaurant favorites and reimagined just for you by the authors of the bestselling *Eat This, Not That!* series. Studies show that when people eat out they consume hundreds more calories than they would if they ate at home. So it stands to reason that cooking and eating more meals at home is one of the most effective strategies to lose belly fat. That's why David Zinczenko and Matt Goulding, who have helped millions order smarter at restaurants, now extend their life-altering advice to America's kitchens. *Cook This, Not That! Skinny Comfort Foods* is not a typical cookbook. Along with recipes, it delivers an intelligent (and tasty!) strategy for controlling the number of calories you consume. By starting with the best ingredients and the right plan, cooks of any skill level can create delicious meals that actually help them burn more body fat. Best of all, these recipes produce traditional comfort foods, including macaroni and cheese, hamburgers, pizzas, grilled cheese sandwiches—even chocolate chip cookies. Here's the logic: if these foods satisfy your hunger and taste buds, you'll be far less likely to rush for a bag of chips or tub of ice cream two hours after dinner. *Cook This, Not That!* books have reintroduced hundreds of thousands of people to the joy of cooking by making meal preparation fast and easy. Achieve restaurant tastes right in your own kitchen for a lot less money and much fewer calories.
