Brian P Gokey

Sleeping Beauty's Daughters Diane Zahler,2013 Twelve-year-old Princess Aurora has been cursed to prick her finger and sleep for one hundred years, but before her fate can come to pass, she and her sister Luna embark on a perilous journey to find the fairy who can break the curse--

The Sleeping Beauty's Daughter Alexandra DICK (pseud.),1947

The Sleeping Beauty C Evans,2013-08-29 Sleeping Beauty has enchanted generations of readers, young and old alike. The king and queen have a fervent wish; to bear a son or daughter. Their wish is answered when a beautiful princess is born. Unfortunately, at the banquet to celebrate the daughter's birth, an evil fairy places a curse on the child, when she is fifteen she will be pricked by a spinning wheel and fall into a deep slumber. But such is the joy of the occasion that the curse is forgotten and seldom recalled as the child grows up. But indeed the evil fairy was speaking the truth, and upon her fifteenth birthday, the princess, along with the king and queen, and courtiers, fall into a deep century long sleep. But all is not as it seems and salvation may be at hand! This version of the timeless tale will inspire and delight. Perfect for all those who wish to see good triumph over evil. It is a pleasure to publish this new, high quality, and affordable edition of this timeless story.

The Sleeping Beauty Trina Schart Hyman,1977 Enraged at not being invited to the princess' christening, the thirteenth fairy casts a spell that dooms the princess to sleep for one hundred years.

Rebirth At Three And A Half: A Female Star Forced To Work To Survive Vol 8 Brian P Gokey, After Gu Nuan's death, she is reborn into the body of a three-year-old girl. In order to survive, she can only strive to become a top star and accumulate popularity points to save her life. [Scene One] A famous, aloof director says: Nuan Nuan is my ideal leading actress. Quick, let aunty give you a kiss and a hug! [Scene Two] The grandmother, who had been pushing for grandchildren, exclaims: Who needs grandchildren when I have my precious granddaughter! Later, Gu Nuan becomes a top-tier star in the entertainment industry. But wait, those relatives who once kicked her when she was down now want to guilt-trip her? Sorry, I have no morals. But what's the deal with that little boy from kindergarten who keeps bringing her candy and clinging to her?! A tall man, towering at 1.9 meters behind her, narrows his eyes: 'Since you accepted my candy, from now on, you'll only eat the candy I give you for the rest of your life.'

Braving the Erotic Field in the Psychoanalytic Treatment of Children and Adolescents Mary Brady,2022-03-17
Braving the Erotic Field in the Psychoanalytic Treatment of Adolescents and Children is a groundbreaking collection of

chapters by an international group of analytic authors. The book addresses the general lack of psychoanalytic writing on working with erotic feelings in the consulting room when treating children and adolescents. This lack is doubly odd given Freud's emphasis on childhood sexuality as well as the intensities of the adolescent body/mind. This book takes the view that the subtle interchange of feelings, dreams, narratives and images that arise when erotic feelings are in the fore is better conceptualized as an erotic field, than with the binary of transference/countertransference. In contemporary psychoanalysis the idea that transference love offers the possibility of knowing the other in the deepest possible way is supplanting an attitude of suspicion. Clinical work with small children to late adolescents will be offered, including gay and gender-fluid adolescents. This book makes a decisive contribution to assist clinicians to brave the erotic field with children and adolescents.
