Tactical Civics Chapter Founders' Handbook David Zuniga, 2017-08-19 This handbook is designed for those Americans who have decided to get off the sidelines in the war for America's future. In his 2015 book 'Fear The People', AmericaAgain! Trust founder David M Zuniga laid out the only full-spectrum action plan available in America today. Worked out by 29 volunteers over 35,000 hours of research and development, the new way of life presented in 'Fear The People' now has a name: TACTICAL CIVICS(tm). In the 38-page booklet by that name, Zuniga lays out the plan of action in a brief summary format, for those who may not wish to read a 225-page book. This handbook is designed for those who decide to launch a TACTICAL CIVICS(tm) chapter in their county. Coupled with the national Facebook group page, Sunday night conference calls, and extensive publications, podcasts, videos and TACTICAL CIVICS(tm) branded items, the American patriot now has everything he needs to lead others out of the cynical doldrums into the best era in American history.

Tactical Civics David Zuniga, 2017-06-24 Washington DC is at war against America. Elites' power grows as their media distract us with DC theater, mob actions and lone lunatics while the Deep State turns us against each other. Chieftains in banking, oil, war, insurance and other industries laugh at our ignorance and shuffle puppets for another election. Despite his non-politician's promises, Trump will be just another Carter, Reagan, Bush I, Clinton, Bush II or Obama unless We the People repent, think tactically, and make history. After over 30,000 hours' R&D by 29 volunteers, AmericaAgain! in alliance with III% United Patriots and Grand Jury trainer Jason W. Hoyt offer America's only full-spectrum solution. Exposing the Deep State and introducing Tactical Civics(tm) to end the hijacking, this book explains our first steps in a new way of life: ratifying the original first right in our Bill of Rights, removing Congress from Washington DC, restoring constitutional Militia - then taking back all that we have lost.

Tactical Civics David Zuniga, 2017-09-07 Washington DC is organized crime. The elites' wealth grows as their media distract us with DC theater, mob actions, and lone lunatics while the Deep State turns us against each other. The chieftains of banking, oil, war, insurance and other industries just laugh at our ignorance as they shuffle puppets for another election. Either he is under Deep State house arrest or Mr. Trump is another Reagan, broken promises and bigger government - that is, unless We the People repent, think tactically and make history. TACTICAL CIVICS(TM) is a new way of life: ratify the original first right in our Bill of Rights, remove Congress from Washington DC - then take back all that we lost to organized

crime over generations. After over 35,000 hours' R&D, AmericaAgain! Trust offers the only comprehensive solution; like no other plan or organization. This is not politics; it's law enforcement for the Constitution at last. Working mostly from our homes and mobile devices, here is the plan. America's future is in our hands. Now it's up to you.

Grand Jury Awake David Zuniga,2021-06-15 Corrupt government, media, Big Tech and foreign enemies have used machines and corrupt big city minions to falsify elections for decades. Corrupt judges and lawyers have been overthrowing our Constitution, civilization, and rule of law. These corrupt forces enslave productive America, demonize and intimidate Christians, patriots, and Caucasians. They erase our culture, open the floodgates of illegal alien cheap labor and sure votes, and outlaw truth and constitutional restraints to turn the New World into another Europe. The hijacking began during Lincoln's war and the 12-year 'reconstruction' that followed. Washington D.C. slipped the Constitution's chains, replaced silver U.S. dollars demanded by law with worthless paper, killed the states' Militias, and then in state after state, began killing off Grand Jury, which is the People's ancient institution to arrest criminals. No state can deny or abolish Grand Jury; that violates the Fourth, Fifth, and Sixth Amendments. Yet state legislatures have all but done so; and state judges resist impaneling Grand Juries. And all because we are ignorant of civics. Grand Jury is half of the People's ancient law enforcement; the other half is Militia (see Volume 3). TACTICAL CIVICS(tm) is launching county chapters to restore both ancient institutions to maintain law and arrest corruption before America is lost. This book shows you step by step, how to do it.

Tactical Civics Chapter Leaders' Handbook David Zuniga,2018-08-08 The resource for all founders and leaders of TACTICAL CIVICS(tm) county chapters laying out step-by-step directions helps your chapter teach and support this exciting new way of life for all responsible Americans.

Mission to America David Zuniga,2018-11-03 The first volume of this series gives readers a whirlwind tour of this exciting new way of life for responsible Americans. Self-government is a serious matter. True civics entails many vital aspects of life and liberty that have not been taught in schools or colleges for well over a century, so TACTICAL CIVICS(tm) county chapters are forming from coast to coast, to teach and pass on these powerful principles. Of all the people on earth, only we Americans empower ourselves in a written law (the U.S. Constitution, the highest law in our republic) to superintend and limit our servants in government. This seven-week crash course teaches you how it's done.

A Republic to Save: Essays in Tactical Civics (COVID-19 Special Edition) David M. Zuniga,2020-04-23 These 46 essays for America's responsible remnant explain the path out of this nightmare, to gain back all that we have lost. Media and the Deep State distract us with COVID-19 plague hoax as they did with every school shooting. Industry chieftains and their captive media laugh at our ignorance and pull celebrity puppet strings. Washington DC is organized crime, working for the war, oil, banking, pharmaceutical, insurance, and Big Tech industries. Mussolini called this arrangement fascism. As

Trump scratches the surface of the Deep State, he also acts as an emperor to stave off his enemies. Washington DC, governors, and invisible bureaucrats run our lives more each day. It began as a third ploy to stop Trump after Russiagate and Shampeachment failed; but the COVID-19 hoax demonstrates Americans' shocking willingness to obey lawless orders by any bureaucrat who first terrorizes them via government's lap dogs in media. TACTICAL CIVICS(TM) is a new way of life: we ratify the original first right in our Bill of Rights and remove Congress from Washington DC. But first, in each county we restore citizen Grand Jury and constitutional Militia to take back control of our lives, businesses and churches, now being directed by a growing police state. After 58,000 hours' R&D by 39 volunteers, TACTICAL CIVICS(TM) is the only full-spectrum solution; like no other organization. Not politics; just We The People, enforcing the Constitution at last, by the grace of God.

Our First Right David Zuniga,2018-08-24 The only subject that George Washington publicly addressed at the 1787 convention was small districts, to minimize political power. Our original First Right in the Bill of Rights was designed to avoid what we suffer today: millionaires in Congress, controlled by ruthless sociopaths and industry. Our First Right was hijacked and put on a shelf in 1789 by a mistake of one word - yet it was ratified by 11 states. We only need to get 27 more state legislatures to hold their ratification votes, and America will finally have small districts. That will require that we bring Congress home.Congress passed it, so Washington DC cannot stop the most powerful reform in 200 years. Regardless of our political party, We The People can now work together at last, to end the control of Congress by billionaires and corporations.Finally, an action project for all Americans.
