

How Did Nero Persecute The Christians

Frederic William Farrar

How Christianity Changed the World Alvin J. Schmidt, 2004 Setting Christianity in the context of history and culture, *How Christianity Changed the World* reveals the full, radical nature of the Christian faith as a shaping force. -- From the jacket.

Christianity and the Roman Empire from Nero to Theodosius Paul Allard, 2017 Several emperors persecuted the Christians: Nero, Domitian, Marcus Aurelius, Sulpicius, Decius, Valerian, and especially Diocletian, who unleashed the great prosecution from 303 to 312. Diocletian's Persecution Edict stated that all churches throughout the empire were to be destroyed and all sacred books burned. Many Christians lost their social rank and privileges, while Christian slaves could not be freed. In some places, the Christians were tortured, beheaded, exiled, or sent to the beasts. But the Church found defenders in the second-century apologists, such as Justin Martyr, Athenagoras, Theophilus of Antioch, and Tertullian, who argued that the persecutions were illegal and unjust. Tertullian's statement became axiomatic: the blood of the martyrs is the seed of Christians. When Constantine converted from sun worship to Christianity in 310, he prepared the ground for the Byzantine state. Christianity was recognized as a lawful religion in 313. But much more lay in store for the early Church, including the tumultuous years of Emperor Julian, who sought to return the empire to the worship of the old gods, and initiated repressive measures against Christians. Only in 380 did Theodosius I make Christianity the official religion of the Roman empire. The history of the persecutions reminds us that the spread of Christianity took place against considerable opposition. In our own day, Christians face another kind of test in a world that is increasingly secularized. Allard's book offers timely reminders of how early Christians maintained their identity as a minority in the midst of official suspicion. -- from back cover.

A Commentary on the Apocalypse. By Moses Stuart. [With the Text.] , 1847

Problems with Preterism Bryan C. Hodge, 2022-11-11 Preterism is the belief that the majority, if not all, of the eschatological passages in the New Testament have already been fulfilled in the first century. Although there are some needed correctives that preterism provides when interpreting eschatological statements in the Synoptic Gospels, the interpretive methodologies employed are largely plagued with exegetical and logical fallacies. On top of these, the genre of

apocalyptic is often completely lost on the modern interpreter and as a result leads to numerous non sequiturs made when it comes to the nature and time of biblical eschatology. This book seeks to correct these hermeneutical missteps by providing exegetical principles that may help guide the reader to a more biblically sound conclusion concerning the timing and nature of biblical eschatology.

Blessed Is He That Watches Robert Wittenberg, 2022-03-15 Behold, I come as a thief. Blessed is he that Watches, and keepeth his garments, lest he walk naked, and they see his shame. —Revelation 16:15 Jesus Christ warns us to watch, to be in readiness for his coming, whenever it occurs it would be at a time when people were not expecting Him. Only God knows the time, not even the saints or angels in heaven know the time, we must always be prepared. Christ used nakedness as a symbol of unrighteousness and not being prepared. He counseled the Church of Laodicea to buy from Him “white garments, that you may be clothed, that the shame of your nakedness [unrighteous acts] may not be revealed” (Revelation 3:18). Jesus encourages us to watch world events and ourselves to make sure we are always ready.
