The Vacation House Jane Shemilt, 2023-12-26 The Edgar-nominated, #1 internationally bestselling author of *The Daughter* and *The Playground* weaves a breathtaking tale of betrayal, family, and secrets from the past in this crackling novel of psychological suspense. Two women. Two secrets. One terrible night. PAXOS, GREECE The vacation house is a luxurious getaway for a wealthy English family, windows open to sun and the sea, a sparkling swimming pool, and a verdant garden. One hot summer night, while the parents and their friends drink wine and amuse themselves, a young woman—the teenage daughter of the Greek caretaker—ventures for a walk on their private beach. Her life will never be the same again. LONDON, ENGLAND, TEN YEARS LATER Julia is the perfect spouse and mother. Slender, blonde, expensively dressed, she's the classic "yummy mummy" of high society: cook, organizer, arm candy, and speechwriter to her influential husband. But behind her winning smile is a stifled woman trapped in a gilded cage, stricken with anxiety and perfectionism. When Julia meets Laurel, a therapist who promises to help her find fulfillment, Julia opens herself up to the hope of a different future. BOUND BY THE PAST What happened in Greece all those years ago that binds these two women together? And will uncovering the truth destroy everything... or set them free?

In Praise of Stay-at-Home Moms Dr. Laura Schlessinger,2009-04-07 They number in the millions and they are incredibly important to families and to our society, yet they are underappreciated, little respected, and even controversial. Who are they? They are the stay-at-home moms. These are women who know in their hearts that staying home to raise their children is the right choice for the whole family. Some do it from the outset of their marriages, while others make the difficult transition from career-driven women to homemakers. Either way, it is a choice that is incredibly rich and rewarding, not to mention challenging. Now Dr. Laura, building on principles developed during her long career as a licensed marriage and family therapist, provides a wealth of advice and support, as well as compassion and inspiration, to women as they navigate the wonders and struggles of being stay-at-home moms. Learn how: to hold your head high and deal with naysayers; to see the benefits of being home not only for your children but also for your marriage; to understand the changes you see in yourself; to realize that the sacrifices you endure now will make for lasting bonds and a stronger family, in addition to a more cohesive community. *In Praise of Stay-at-Home Moms* is a special book, a profound and unique understanding of how important it is for mothers to raise their own children.
