The Secret to Southern Charm Kristy Woodson Harvey, 2018-04-03 A 2018 Spring Okra Pick USA TODAY Happy Ever After's Best Women's Fiction Southern Living's Most Anticipated Beach Reads of 2018 Deep South Magazine's Summer Reading List Raleigh News & Observer's "The Best Reads of Summer" Charlotte Observer's "Summer's Best Books" New York Live's "Ashley's A-List" Pick Leaving fans "practically [begging] for a sequel" (Bookpage), critically acclaimed author Kristy Woodson Harvey returns with the second novel in her beloved Peachtree Bluff series, featuring a trio of sisters and their mother who discover a truth that will change not only the way they see themselves, but also how they fit together as a family. After finding out her military husband is missing in action, middle sister Sloane's world crumbles as her worst nightmare comes true. She can barely climb out of bed, much less summon the strength to be the parent her children deserve. Her mother, Ansley, provides a much-needed respite as she puts her personal life on hold to help Sloane and her grandchildren wade through their new grief-stricken lives. But between caring for her own aging mother, her daughters, and her grandchildren, Ansley's private worry is that secrets from her past will come to light. But when Sloane's sisters, Caroline and Emerson, remind Sloane that no matter what, she promised her husband she would carry on for their young sons, Sloane finds the support and courage she needs to chase her biggest dreams—and face her deepest fears. Taking a cue from her middle daughter, Ansley takes her own leap of faith and realizes that, after all this time, she might finally be able to have it all. Harvey's signature warmth and wit make this a charming and poignant story of first loves, missed opportunities, and second chances and proves that she is the next major voice in Southern fiction" (Elin Hilderbrand, New York Times bestselling author).

The Southern Side of Paradise Kristy Woodson Harvey, 2019-05-07 The internationally bestselling Peachtree Bluff series concludes with this "deliciously authentic Southern tale of family and the often messy, complex relationships between sisters, mothers, and daughters" (Susan Boyer, USA TODAY bestselling author). With the man of her dreams back in her life and all three of her daughters happy, Ansley Murphy should be content. But she can't help but feel like it's all a little too good to be true. Her youngest daughter, actress Emerson, is recently engaged and has just landed the role of a lifetime. She seemingly has the world by the tail and yet something she can't quite put her finger on is worrying her—and it has nothing to do with

her recent health scare. When two new women arrive in Peachtree Bluff—one who has the potential to wreck Ansley’s happiness and one who could tear Emerson’s world apart—everything is put in perspective. And after secrets that were never meant to be told come to light, the powerful bond between the Murphy sisters and their mother comes crumbling down, testing their devotion to each other and forcing them to evaluate the meaning of family. “Kristy Woodson Harvey has done it again....The Southern Side of Paradise is full of humor, charm, and family” (Lauren K. Denton, USA TODAY bestselling author) and is the ultimate satisfying beach read.

Caroline Murphy swore she’d never set foot back in the small Southern town of Peachtree Bluff; she was a New York girl born and bred and the worst day of her life was when, in the wake of her father’s death, her mother selfishly forced her to move—during her senior year of high school, no less—back to that hick-infested rat trap where she’d spent her childhood summers. But now that her marriage to a New York high society heir has fallen apart in a very public, very embarrassing fashion, a pregnant Caroline decides to escape the gossipmongers with her nine-year-old daughter and head home to her mother, Ansley. Ansley has always put her three daughters first, especially when she found out that her late husband, despite what he had always promised, left her with next to nothing. Now the proud owner of a charming waterfront design business and finally standing on her own two feet, Ansley welcomes Caroline and her brood back with open arms. But when her second daughter Sloane, whose military husband is overseas, and youngest daughter and successful actress Emerson join the fray, Ansley begins to feel like the piece of herself she had finally found might be slipping from her grasp. Even more discomfiting, when someone from her past reappears in Ansley’s life, the secret she’s harbored from her daughters their entire lives might finally be forced into the open. Exploring the powerful bonds between sisters and mothers and daughters, this engaging novel is filled with Southern charm, emotional drama, and plenty of heart.

series” (Kristin Harmel, internationally bestselling author of *The Winemaker’s Wife*). Recently separated Amelia Saxton, a dedicated journalist, never expected that uncovering the biggest story of her career would become deeply personal. But when she discovers that a cluster of embryos belonging to her childhood friend Parker and his late wife Greer have been deemed “abandoned,” she’s put in the unenviable position of telling Parker—and dredging up old wounds in the process. Parker has been unable to move forward since the loss of his beloved wife three years ago. He has all but forgotten about the frozen embryos, but once Amelia reveals her discovery, he knows that if he ever wants to get a part of Greer back, he’ll need to accept his fate as a single father and find a surrogate. Each dealing with their own private griefs, Parker and Amelia slowly begin to find solace in one another as they navigate an uncertain future against the backdrop of the pristine waters of their childhood home, Cape Carolina. The journey of self-discovery leads them to an unforgettable and life-changing lesson: Family—the one you’re born into and the one you choose—is always closer than you think. It’s summertime on the North Carolina coast and the livin’ is easy. Unless, that is, you’ve just lost your mother to cancer, your sister to her extremist husband, and your husband to his executive assistant. Meet Gray Howard. Right when Gray could use a serious infusion of good karma in her life, she inadvertently gets a stranger, Diana Harrington, fired from her job at the local pharmacy. Diana Harrington’s summer isn’t off to the greatest start either: Hours before losing her job, she broke up with her boyfriend and moved out of their shared house with only a worn-out Impala for a bed. Lucky for her, Gray has an empty guest house and a very guilty conscience. With Gray’s kindness, Diana’s tide begins to turn. But when her first love returns, every secret from her past seems to resurface all at once. And, as Gray begins to blaze

Beach House Rules Kristy Woodson Harvey, 2025-05-27 “Southern bestselling sensation” (Katie Couric Media) Kristy Woodson Harvey returns with a “heartfelt and dramatic” (Lisa Scottoline, New York Times bestselling author) novel about mother-daughter relationships, small-town drama, and the unexpected strength that comes from leaning on a community of women when life gets turned upside down. When Charlotte Sitterly’s husband is arrested for a white-collar crime, she and her daughter Iris are locked out of their house by the FBI and—what’s potentially even worse—thrust into the spotlight of @JuniperShoresSocialite, the town’s snarky anonymous Instagram account. Desperate and cut off from her bank accounts, Charlotte moves to a former beachfront bed-and-breakfast that’s home to a community of single mothers and draws plenty of gossip in the small coastal North Carolina town. Charlotte and Iris find solace and are surprised by how much fun they’re having with the other families despite their circumstances. But when the women discover a secret link between them, it changes everything they thought they knew about the unconventional family they’ve created and leaves them wondering whether their coming together was a coincidence at all. Will the skeletons in the closets help Charlotte and Iris reclaim their place in the Juniper shores community—or shatter the sisterhood forever. “Perfect for fans of Elin Hilderbrand and Jennifer Weiner” (Country Living), *Beach House Rules* is a charming and uplifting exploration of the bonds of friendship, the true meaning of family, and reclaiming the power to reshape our own destiny.

Summer State of Mind Kristy Woodson Harvey,2026-05-05 “Queen of the beach read,” (Cosmopolitan) New York Times bestselling author Kristy Woodson Harvey returns with a heartfelt escape to coastal Carolina. After the worst day in her professional life, burnt-out NICU nurse Daisy Stevens runs to Cape Carolina, North Carolina, looking for a new life—and possibly new romance. On her first day at her “simpler” job, high school baseball coach Mason Thaysden discovers an abandoned baby, sending ripples through the entire tight-knit town of Cape Carolina. Mason is still struggling to reconcile the scars of the injury that kept him out of the big leagues, stuck in his hometown, and searching for a way out. This newcomer and the child they’ve saved together might be just the motivation he needs to stay put. Sparks fly as Mason acquaints Daisy with Cape Carolina, introducing her to his friends and family, including his batty Aunt Tilley, who is looking for relief from long-buried family secrets and her own fresh start. But as Daisy becomes increasingly attached to this abandoned child, and begins facing her own demons in the process, a startling discovery is made that threatens to rip the entire town of Cape Carolina apart, placing Daisy, Mason, and Tilley in the center of the storm. In a novel that proves that “Kristy Woodson Harvey is (the) go-to for elevated beach reads” (People), they will each learn that with love, understanding—and a community theater production of Hello, Dolly!—sometimes life conspires to bring us just exactly where we belong.
