The Self, the Lord, and the Other according to Paul and Epictetus Michael J. Gorman, 2023-03-29 This study explores the relationship between the individual person (the self), the divine, and other people in the writings of the apostle Paul and the Roman Stoic Epictetus. It does so by examining self-involving actions expressed with reflexive pronouns (myself, yourself, etc.) in various kinds of sentences: for example, Examine yourself and You do not belong to yourself. After situating the topic within the fields of linguistics and ancient Greek, the study then examines the reflexive constructions in Epictetus's Discourses, showing that reflexive texts express fundamental aspects of his ethic of rational self-interest in imitation of the indwelling rational deity. Next, the investigation examines the 109 reflexive constructions in Paul, providing an exegesis of each reflexive text and then synthesizing the results. Paul's reflexive phrases are essential statements of his theology and ethics, expressing an interconnected narrative Christology, narrative apostolic identity, and narrative ethic. Most importantly, the study finds that for Epictetus, concern for others is a rational means to self-realization, whereas for Paul, concern for others is a community ethic grounded in the story of the indwelling Christ and is the antithesis of self-interest.

“Powerful Words, Thoughts and Inspirations for the Soul” Dr. Sharon C. Cason, 2017-09-06 Powerful Words, Thoughts, and Inspirations for the Soul is a collection of timeless treasures, meditations, thoughts, and motivational sermons to feed the soul. All of us have had our moments—moments of peace, trials, or self-reflection. The pages of this book are filled with encouraging messages to inspire you to reach higher heights and to never ever lose sight of what our heavenly Father has planned for your life. I admonish you to take each day as a blessing from the Father and reach into his good treasure for strength to continue your spiritual journey. I pray that you will be richly blessed and transformed as you drink from the Rock, Christ Jesus.

God's Love in the End Times Warren R. Angel, 2008-07 This book discusses false ideas about God's love, especially among Christians, and clarifies biblical ideas, notably that God will never stop loving anyone, that God's sovereignty is subject to his love, and that no believer will be left behind at Christ's return. Enables every believer to say, no matter what their situation in life, I know God loves me!

Putnam's Phrase Book, 1919 Since we talk in phrases as well as in words every home needs a phrase book as well as a dictionary. This book has been prepared to meet that need, and contains a dictionary of six thousand choice phrases

arranged synonymously for general use; many polite expressions, phrases of charm and courtesy, for use in letter writing; one hundred sample social letters, including instruction concerning the method of their preparation by the use of the dictionary of phrases; a guide to choice phrases for social letter writing; and finally, a handy index, very helpful, even though the phrases have been arranged in dictionary form. I have made an effort to emphasize phrases of commendation, optimism, and courtesy. Also many for use in letter writing--especially phrases suitable for letters of condolence. There is perhaps no more difficult letter to write than one of condolence, hence a considerable number under this designation in order to assist in this necessary and yet most blessed task.

An Introduction to Biblical Hebrew Syntax Bruce K. Waltke, Michael Patrick O'Connor, 1990 Meeting the need for a textbook for classroom use after first year Hebrew grammar, Waltke and O'Connor integrate the results of modern linguistic study of Hebrew and years of experience teaching the subject in this book. In addition to functioning as a teaching grammar, this work will also be widely used for reference and self-guided instruction in Hebrew beyond the first formal year. Extensive discussion and explanation of grammatical points help to sort out points blurred in introductory books. More than 3,500 Biblical Hebrew examples illustrate the points of grammar under discussion. Four indexes (Scripture, Authorities cited, Hebrew words, and Topics) provide ready access to the vast array of information found in the 40 chapters. Destined to become a classic work, this long-awaited book fills a major gap among modern publications on Biblical Hebrew.
