**Abiola Sinclair**

**The Harlem Renaissance Revisited** Jeffrey O. G. Ogbar, 2010-07 By examining such major figures of the era as Jessie Fauset, Paul Robeson, and Zora Neale Hurston, the contributors reframe our understanding of the interplay of art, politics, culture, and society in 1920s Harlem. The fourteen essays explore the meaning and power of Harlem theater, literature, and art during the period; probe how understanding of racial, provincial, and gender identities originated and evolved; and reexamine the sociopolitical contexts of this extraordinary black creative class. Delving into these topics anew, *The Harlem Renaissance Revisited* reconsiders the national and international connections of the movement and how it challenged clichéd interpretations of sexuality, gender, race, and class. The contributors show how those who played an integral role in shattering stereotypes about black creativity pointed the way toward real freedom in the United States, in turn sowing some of the seeds of the Black Power movement.--From publisher description.

**Passing Novels in the Harlem Renaissance** María del Mar Gallego Durán, 2003 This book offers an insightful study of the significance of passing novels for the literary and intellectual debate of the Harlem Renaissance. Author Mar Gallego effectively uncovers the presence of a subversive component in five of these novels (by James Weldon Johnson, George Schuyler, Nella Larsen, and Jessie Fauset), turning them into useful tools to explore the passing phenomenon in all its richness and complexity. Her compelling study intends to contribute to the ongoing revision of the parameters conventionally employed to analyze passing novels by drawing attention to a great variety of textual strategies such as double consciousness, parody, and multiple generic covers. Examining the hybrid nature of these texts, Gallego skillfully highlights their radical critique of the status quo and their celebration of a distinct African American identity. Well researched and stimulating to read, *Passing Novels in the Harlem Renaissance* is an impressive work of scholarship and interpretation.

**Politics of Black Nationalism** Kiffin Abraham, 1991 A study that shows the interdependence, conflicts and collaboration of Black nationalism with different ideological forces

**New Voices on the Harlem Renaissance** Australia Tarver, Paula C. Barnes, 2006 This book expands the discourse on the Harlem Renaissance into more recent crucial areas for literary scholars, college instructors, graduate students, upper-level undergraduates, and Harlem Renaissance aficionados. These selected essays, authored by mostly new critics in Harlem Renaissance studies, address critical discourse in race, cultural studies, feminist studies, identity politics, queer theory, and

rhetoric and pedagogy. While some canonical writers are included, such as Langston Hughes and Alain Locke, others such as Dorothy West, Jessie Fauset, and Wallace Thurman have equal footing. Illustrations from several books and journals help demonstrate the vibrancy of this era. Australia Tarver is Associate Professor of English at Texas Christian University. Paula C. Barnes is an Associate Professor of English at Hampton University.

**Rediscovering the Harlem Renaissance** Eloise E. Johnson, 1997 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors*. Miola's edited work also features a comprehensive critical history, coupled with a full bibliography and photographs of major productions of the play from around the world. In the collection, there are five previously unpublished essays. The topics covered in these new essays are women in the play, the play's debt to contemporary theater, its critical and performance histories in Germany and Japan, the metrical variety of the play, and the distinctly modern perspective on the play as containing dark and disturbing elements. To compliment these new essays, the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficult accessible journals, newspapers, and other sources. This collection brings together these essays for the first time.

The Harlem Renaissance Cheryl A. Wall, 2016 The Harlem Renaissance was a cultural awakening among African Americans between the two world wars. It was the cultural phase of the 'New Negro' movement, a social and political phenomenon that promoted a proud racial identity, economic independence, and progressive politics. In this 'Very Short Introduction', Cheryl A. Wall captures the Harlem Renaissance's zeitgeist by identifying issues and strategies that engaged writers, musicians, and visual artists alike. She introduces key figures such as Langston Hughes, Zora Neale Hurston, Claude McKay, and Jean Toomer, along with such signature texts as 'Mother to Son,' 'Harlem Shadows,' and 'Cane'

E. B. Du

Bois. Also included are biographies of people like the Scottsboro Boys, who were not active within the movement but who nonetheless profoundly affected the artistic and political statements that came from Harlem Renaissance figures. The volume will also feature a preface by the editors, an introductory essay by historian Cary D. Wintz, and 75 illustrations.

The Harlem Cultural/political Movements, 1960-1970 Abiola Sinclair,1995 When the United States entered World War II in 1941, Charles Bradley enlisted in the army. An avid skier and mountaineer with a degree in geology, he quickly found himself among the first members of the new 10th Mountain Division, the only unit of the U.S. Army established to train men in mountain combat. Soon, Bradley was training candidates for a potential ground assault on Japan and in a new theater for mountain warfare: the magnificent but potentially life-threatening Aleutian Islands. Bradley's military career kept him from the front lines of the war, but he and his companions had their own battles with loneliness and fatigue, with Aleutian weather and terrain, and with the military brass. The Axis powers were real enough, but the immediate enemy was the environment. It was Bradley's job, now on assignment with the North Pacific Combat School, to help teach his trainees the skills of survival and mobility under conditions that included rugged terrain, glaciers, fierce winds, heavy rains and snow storms, and the threat of avalanches. Each story of confrontation with that rugged environment is balanced by one of discovery and awe. The Aleutians could be dangerous, but they were also an unspoiled realm for adventure and fascination. Soldier Bradley also grew as an artist; his interest in the natural history and geography of the islands is reflected in his paintings of what he saw near his posts, first at Unalaska and later at Adak. It is also reflected in his honest, insightful prose. Bradley is a writer with his own voice, his own clear way of conveying how recruits struggle or how ravens play. Aleutian Echoes is one man's carefully observed, sometimes wry memoir of natural wonders and unnatural challenges.

*Harlem Renaissance* Nathan Irvin Huggins, 1971 An analysis of the black American cultural renaissance of the 1920's. Covers political figures, painters and sculptors, jazzmen and musical comedy.

Civil Rights and the Environment in African-American Literature, 1895-1941 John Claborn, 2017-11-02 This book is available as open access through the Bloomsbury Open Access programme and is available on [www.bloomsburycollections.com](http://www.bloomsburycollections.com). The beginning of the 20th century marked a new phase of the battle for civil rights in America. But many of the era's most important African-American writers were also acutely aware of the importance of environmental justice to the struggle. *Civil Rights and the Environment in African-American Literature* is the first book to explore the centrality of environmental problems to writing from the civil rights movement in the early decades of the century. Bringing ecocritical perspectives to bear on the work of such important writers as Booker T. Washington, W.E.B. Du Bois, the writers of the Harlem Renaissance and Depression-era African-American writing, the book brings to light a vital new perspective on ecocriticism and modern American literary history.
